Pointerra signs MOU to market its 3D technology

Pointerra Limited (ASX:3DP) has signed a non-binding MOU to seek markets in the hydrocarbons, infrastructure, minerals and metals and chemicals sectors for Pointerra's 3D point cloud technology.

Pointerra is pleased to announce that it has signed a non-binding Memorandum of Understanding ("MOU") with WorleyParsons Services Pty Ltd through the business unit Advisian Digital Enterprise, part of WorleyParsons Limited.

Through the MOU, Pointerra will seek markets for its 3D data management and visualisation technology in conjunction with Advisian Digital Enterprise.

About Pointerra: Pointerra is an Australian company focussed on the development and commercialisation of its unique 3D geospatial data technology. Pointerra's technology has solved an entrenched problem in the 3D geospatial sector and allows very large 3D datasets to be viewed by users without the need for high performance computing. The 3D datasets are processed and stored in the cloud for instant, on demand user access: anytime, anywhere, on any device. Pointerra's vision is to create a global marketplace for 3D data, saving users time and money and creating a 3D data access revolution.
