**ASX Announcement**  
**Exploring opportunities in Medicinal Cannabis**

The Directors of Lifespot Health Limited (Company), are pleased to update the market that the Company is presently exploring global opportunities within the medicinal cannabis sector to integrate its BodyTel platform to assist in the administration and monitoring of medicinal cannabis use in patients.

The application is considered to be both innovative and creative in that it's a world first in its class. Company Directors are currently in discussions with a number of European-based medical device companies and will update the market accordingly in due course.
