

ASX and Media Release

Resumption of mining at Tarcoola

WPG Resources Ltd (ASX: WPG) advises that mining at Tarcoola has resumed following a temporary suspension of activities as a result of two significant rainfall events last week. Public roads leading to Tarcoola have been reopened and scheduled deliveries of potable water, diesel and camp supplies have recommenced.

Drilling and mining activities recommenced in the pit however the rail access corridor road is the main focus of activities with clearing and grading to continue over the next few days. Two road trains are scheduled to haul some material to Challenger today. It is anticipated that the road will be fully operational for heavy vehicle access between Tarcoola and Challenger later in the week.

Milling operations have continued, with sufficient ROM stockpiled at Challenger.

Further Information

Forward-Looking Statements

This document may include forward-looking statements. Forward-looking statements include, but are not limited to statements concerning WPG's planned activities, including but not limited to mining and exploration programs, and other statements that are not historical facts. When used in this document, the words such as "could", "plan", "estimate", "expect", "intend", "may", "potential", "should" and similar expressions are forward-looking statements. In addition, summaries of Exploration Results and estimates of Mineral Resources and Ore Reserves could also be forward looking statements. Although WPG believes that its expectations reflected in these forward-looking statements are reasonable, such statements involve risks and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements.
