**About Fatfish Internet Group**

Fatfish Internet Group Ltd ('FFG') is a Southeast Asian and Australian based Internet venture investment and development firm. FFG partners with entrepreneurs to help them build and grow Internet businesses via a co-entrepreneurship model.

FFG's co-entrepreneurship model seeks an active involvement from seed funding stage to exit stage of its investee companies. In parallel FFG seeks to provide a collection of resources and expertise to support entrepreneurs in important areas such as business strategy, market access, talent recruitment, product development and corporate strategy.

This unique "seed-to-exit" approach makes FFG a strategic partner that provides the funding, resources and platform to hasten the growth of promising technology businesses.

FFG also offers corporate advisory services specializing in working with tech companies to bring to bear alternative funding and growth models for tech companies through Initial Public Offerings (IPOs) or capital market transactions via trade sales or Mergers & Acquisitions (M&A).
