**ASX Announcement
Non-Renounceable Rights Issue**

Motopia Limited (**Motopia** or **Company**) is pleased to provide an opportunity for holders of shares in the Company (**Shareholders**) with a registered address in Australia or New Zealand (**Eligible Shareholders**) as at 7:00 p.m. AEST on 4 August 2017 (**Record Date**) to participate in a non-renounceable pro rata rights issue (**Rights Issue** or **the Offer**).

This is an important right because it enables Eligible Shareholders to avoid dilution of their interest in the Company.

Pursuant to the Rights Issue, the Company will issue up to approximately 62,368,978 fully paid ordinary shares in the capital of the Company (**New Shares**) at an issue price of \$0.035 (3.5 cents) per New Share. The New Shares will be offered to Eligible Shareholders on the basis of three (3) New Share for every four (4) fully paid ordinary shares (**Shares**) held in the Company as at the Record Date (**Entitlement**).

Fractional entitlements under the Offer will be rounded up to the nearest whole number of New Shares. The New Shares will be fully paid, will rank equally with the Company's existing issued Shares and the Company will make an application to the ASX for official quotation of the New Shares.

If fully subscribed, the Offer will raise up to approximately \$2,182,914 before transaction costs. The Rights Issue has not been underwritten but Directors will retain the right to place any Shares from the shortfall (**Shortfall Shares**) at their discretion.

Eligible Shareholders that subscribe for their full Entitlement under the Offer may apply for any number of Shortfall Shares by completing the relevant section of the Entitlement and Acceptance Form. Shortfall Shares will be issued at the same price and on the same terms as the Shares issued pursuant to the Rights Issue and an Eligible Shareholder may only make an application for Shortfall Shares if they apply for their maximum Entitlement.

The Company will use the net proceeds from the Offer for working capital purposes and, subject to shareholder approval of the acquisition of Cirralto Business Services Pty Ltd (**Cirralto**), to increase Cirralto revenue generation capabilities from the expansions of its team, intellectual property and sales and marketing presence.

The Company intends to complete the acquisition of Cirralto on or about 30 September 2017. Cirralto is a technology solutions provider and owner of the Flashconvert technology solution. Flashconvert is a migration service that migrates legacy data to cloud and contemporary application platforms. Existing directors Messrs Marcus L'Estrange, Shaun Melville and Adrian Floate all have an interest in Cirralto. The Flashconvert migration tool reads, converts, cleans and writes the data from a legacy source system and format to a uniform data format able to be migrated to the destination application.

A merger of the Company's technology with Cirralto's technology and services is expected to provide significant growth and revenue opportunities for the merged company and result in value accretion for shareholders. Full details of the acquisition of Cirralto, including an independent expert's report due to the related party nature of the acquisition, are contained in the Company's notice of meeting lodged with ASX on 29 May 2017.

The rights to subscribe for the New Shares, in accordance with an Entitlement under the Offer (**Rights**), are non-renounceable which means that Eligible Shareholders who do not wish to subscribe for some or all of their Entitlement will be unable to sell their respective Rights.

The number of issued Shares at the date of this announcement and the total number of issued Shares at the close of the Offer (if fully subscribed) are as follows:

Number of Shares currently on issue and quoted on ASX	83,158,638
Number of New Shares to be issued under the Offer	Up to 62,368,978
Shares to be issued as consideration for the acquisition of Cirralto (to be issued post-Record Date)	Up to 132,500,000
Total Shares on issue on completion of the Offer	Up to 278,027,616

Shareholders as at the Record Date that have a registered address outside Australia or New Zealand (**Ineligible Shareholders**) will not be eligible to participate in the Offer. In accordance with ASX Listing Rule 7.7.1, the Company has determined that it would be unreasonable to extend the Offer to Ineligible Shareholders.

Under the Offer, Eligible Shareholders may:

- take up all of their Entitlement;
- take up all of their Entitlement and apply for additional Shortfall Shares;
- allow all of their Entitlement to lapse; or
- take up part of their Entitlement and allow the balance to lapse.

Eligible Shareholders who are taking up part or all of their Entitlement must ensure that the completed Entitlement and Acceptance Form and Application Money is received by the Company's share registry, Computershare Investor Services Pty Limited, by 5.00pm AEST on the Closing Date (Thursday, 31 August 2017).
