- **Transparency to stockholders.** We include voluntary disclosures in our proxy statement on a number of topics, including stockholder engagement, the Board's role in strategy and performance metrics used to determine executive compensation.

## Corporate Governance Policies

The Board has adopted a *Statement of Corporate Governance* that sets forth the Company's corporate governance guidelines and practices. The *Statement of Corporate Governance* addresses, among other things, the composition and functions of the Board and its committees, Director independence, Board membership criteria, Director compensation and equity ownership requirements and management evaluation and succession.

The Board has also adopted the *Standards of Business Conduct*, which are applicable to all Directors, officers and employees of the Company.

The *Standards of Business Conduct* confirm the Company's policy to conduct its affairs in compliance with all applicable laws and regulations and observe the highest standards of business ethics. To promote further ethical and responsible decision-making, the Board has established the *Code of Ethics for the Chief Executive Officer and Senior Financial Officers* (the "Code of Ethics").

The *Statement of Corporate Governance*, the *Standards of Business Conduct*, the *Code of Ethics* and each of the Board committee charters are available on the Company's website at

*newscorp.com* under “About Us—Corporate Governance” and in print to any stockholder who requests them from the Corporate Secretary at our principal executive offices: News Corporation, 1211 Avenue of the Americas, New York, New York 10036. If

the Company amends or waives the *Standards of Business Conduct* or the *Code of Ethics* with respect to an executive officer or Director, it will post the amendment or waiver at the same location on its website.

### Stockholder Engagement

The Board believes that continual and transparent communication with our stockholders is a key component of strong corporate governance. The independent Directors view stockholder outreach as an area of priority and in fiscal 2017 directed the continuation of the Company’s engagement program, which includes a specific focus on corporate governance. Our fiscal 2017 outreach program included engagement with unaffiliated stockholders representing over 25% of the outstanding Class B Common Stock and over 50% of the outstanding Class A Common Stock. Our independent Lead Director and Nominating and Corporate Governance

Committee Chair directly participated, in person or by telephone, in many of these engagements. The Board strongly values the feedback our stockholders have provided on a wide range of topics including Board oversight of our business strategy, capital allocation, corporate governance, Board composition, management succession planning, executive compensation, sustainability and the Company’s financial and operating performance. This input is shared with the Board and its relevant committees and informs the Company’s strategy and policies as we seek to build long-term value for our stockholders.

### Annual Director Elections and Majority-Voting Policy

All Directors are elected annually by our stockholders. In an uncontested election, each Director must be elected by a majority of the votes cast, meaning that the number of votes cast “FOR” a Director’s election must exceed the number of votes cast “AGAINST” that Director’s election. In a contested election, each Director will be elected by a plurality of votes cast. Under the Company’s Amended and Restated By-laws (the “By-laws”), an

incumbent Director who does not receive a majority of votes cast in an uncontested election must submit his or her resignation to the Board within 10 days. Within 90 days of the date of the certification of the election results, the Board will determine, considering all factors it deems relevant (including those set forth in our *Statement of Corporate Governance*), whether to accept the resignation.

### Director Independence

Our *Statement of Corporate Governance* requires that the Board be comprised of a majority of “independent directors” in accordance with the listing rules of the NASDAQ Stock Market (“NASDAQ”). The Board, upon the recommendation of the Nominating and Corporate Governance Committee, will review and determine the independence of each Director at least annually and at other times as appropriate. The Board considers all relevant facts and circumstances in making an independence determination as to each Director, including but not limited to any relationships and transactions between the Director (and his or her

immediate family members and affiliated entities) and the Company and its affiliates.

As a result of its review, the Board affirmatively determined that Mmes. Ayotte, Bancroft and Pessoa and Messrs. Aznar, Barnes and Siddiqui are independent under the standards adopted by the Company and set forth in the NASDAQ listing rules. The Board also determined that Elaine L. Chao and John Elkann, who each served on the Board during fiscal 2017, were independent during the time they each served on the Board.

### Independent Oversight and Executive Sessions of Independent Directors

The Board believes its independent oversight function is further enhanced by our Audit, Compensation and Nominating and Corporate Governance Committees being comprised entirely of independent Directors.

In addition, the independent Directors of the Board generally meet in executive session without management present at every regularly scheduled Board meeting. During fiscal 2017, the independent Directors met in executive session at all five Board meetings.

## Board Leadership Structure

|---|---|

Mr. K.R. Murdoch serves as the Executive Chairman of the Board, while Mr. Thomson serves as the Chief Executive and a Director. Both Mr. K.R. Murdoch and Mr. Thomson are considered executive officers of the Company. Our *Statement of Corporate Governance* provides that the Board is responsible for establishing and maintaining the most effective leadership structure for the Company. To retain flexibility in carrying out this responsibility, the Board does not have a policy on whether the Chairman of the Board shall be an independent member of the Board. However, if the Chairman is not an independent Director, an independent Director shall be designated by a majority of the independent Directors of the Board to serve as Lead Director for a period of at least one year. Mr. Barnes, an

independent Director, currently serves as our Lead Director. The remaining Directors include Mr. L.K. Murdoch, our Co-Chairman, and seven other Directors (five of whom are independent). A majority of the Directors are independent.

The Board believes our current leadership structure is effective and serves the best interests of our stockholders at this time. The Board believes that this structure allows our Chief Executive to focus on his duties in managing the day-to-day operations of the Company, while benefiting from Mr. K.R. Murdoch's and Mr. L.K. Murdoch's invaluable knowledge and expertise regarding the Company's businesses. In addition, the Board believes that the role of the Lead Director is structured with sufficient authority to serve as a counter-balance to management.

## CORPORATE GOVERNANCE MATTERS

Peter L. Barnes has served as Lead Director since June 2013. In recognition of his strong leadership and skills, the independent members of the Board re-elected Mr. Barnes as Lead Director in August 2017 for a term of one year. In fiscal 2017, Mr. Barnes performed duties beyond the required duties set forth above, which included:

- attending meetings of the Nominating and Corporate Governance Committee, of which Mr. Barnes is not a member;

- meeting in person and telephonically with unaffiliated holders of both Class A Common Stock and Class B Common Stock, and reporting feedback from these stockholders to the full Board.

The Board reviews its leadership structure at least annually, taking into account the responsibilities of the leadership positions and the Directors qualified to hold such positions. In conducting this review, the Board considers, among other things: (i) our policies and practices that provide independent Board oversight, (ii) the effect a particular leadership structure may have on Company performance, (iii) the structure that serves the best interests of our stockholders, and (iv) any relevant legislative or regulatory developments.

## Director Attendance

Our *Statement of Corporate Governance* provides that Directors are expected to attend meetings of the Board and meetings of the Board committees on which they serve. During fiscal 2017, the Board held five meetings. Each of our current Directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which he or she served (held during the period that he or she served).

Directors are also encouraged to attend and participate in the Company's annual meeting of stockholders. Ten of the then serving Directors attended the annual meeting of stockholders held by the Company in November 2016.

## Board's Role in Strategy

Our Board sets the strategic vision for the Company. As part of this process, the Board reviews the Company's long-term strategic plan at least annually

and monitors implementation of the strategic plan throughout the year. The Board generally discusses strategy at every regular meeting.

## Board Oversight of Risk

Risk management is primarily the responsibility of management; however, the Board oversees management's identification and management of risks to the Company. The Board does not view risk in isolation; it considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board uses various means to fulfill this oversight responsibility. The Board, and its committees, as appropriate, regularly discuss and receive periodic updates from the CEO, CFO, General Counsel and other members of senior management regarding significant risks to the Company, including in connection with the annual review of the Company's business plan and its review of budgets, strategy and major transactions. These discussions include operational, strategic, legal and regulatory, financial and reputational risks, and the plans to address these risks.

Each of the Board's standing committees assists the Board in overseeing the management of the Company's risks within the areas delegated to that committee, which then reports to the full Board as appropriate. In particular:

- the Audit Committee oversees risks relating to its review of the Company's financial statements and financial reporting processes, and its oversight of the Company's Compliance Steering Committee;
- the Compensation Committee monitors risks associated with the design and administration of the Company's compensation programs; and
- the Nominating and Corporate Governance Committee oversees risk as it relates to the Company's corporate governance processes.

Each standing committee has full access to management, as well as the ability to engage advisors.

## Related Person Transactions Policy

### ***Procedures for Approval of Related Person Transactions***

The Audit Committee has established written procedures for the review of related person transactions. Pursuant to these procedures, the Audit Committee reviews and approves, ratifies or disapproves, as appropriate transactions, arrangements or relationships in which the Company or any of its subsidiaries is a participant, the aggregate amount involved exceeds \$120,000 and in which a Director, Director emeritus, Director nominee, executive officer, 5% holder of the Company's voting stock or an immediate family member of any of the foregoing has a direct or indirect material interest.

When determining whether to approve or ratify a related person transaction, the Audit Committee shall consider all relevant facts and circumstances, including, but not limited to: whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances; the business reasons for the transaction; whether the transaction would impair the independence of an independent Director; and whether the transaction would present an improper conflict of interest for any Director or

executive officer of the Company, taking into account the nature of the transaction and the Director or executive officer's interest in the transaction. The Audit Committee shall not approve or ratify a related person transaction unless it has determined that, upon consideration of all relevant info, the transaction is in, or is not inconsistent with, the best interests of the Company and its stockholders. No Director will participate in any discussion or approval of a related person transaction for which he or she (or an immediate family member) is a related person, except that such Director will provide all material information concerning the transaction to the Audit Committee.

During fiscal 2017, all of the transactions described in this section that were subject to the Audit Committee's policies and procedures were reviewed and approved or ratified by the Audit Committee or the Board.

responsibilities and effectiveness, Director engagement and performance, and Board meetings and resources. The results were discussed by the full Board, with management, and in an executive

The Nominating and Corporate Governance Committee develops criteria for filling vacant Board positions, taking into consideration such factors as it deems appropriate, including the candidate's:

- education and background;
- leadership and ability to exercise sound judgment;
- general business experience and familiarity with the Company's businesses; and
- unique expertise or perspective that will be of value to the Company.

Candidates should not have any interests that would materially impair their ability to exercise independent judgment or otherwise discharge the fiduciary duties of our Directors. All candidates must possess personal integrity and ethical character, and value and appreciate these qualities in others. It is expected that each Director will devote the necessary time to fulfill the duties of a Director. In this regard, the Nominating and Corporate Governance Committee will consider the number and nature of each Director's other commitments, including other directorships.

Although the Board does not have a formal policy with respect to diversity in identifying Director nominees, the Nominating and Corporate Governance Committee seeks to promote through the nomination process an appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and geographic location/country of citizenship, and assesses the effectiveness of these factors in the Director selection and nomination process. The Board also evaluates its diversity as part of its annual self-evaluation process. The current composition of the Board reflects those efforts and the importance of diversity to the Board. The Company maintains a *Corporate Diversity Statement*, which describes our diversity and inclusion objectives and efforts. The *Corporate Diversity Statement* is available on the Company's website at [newscorp.com](http://newscorp.com) under "About Us—Corporate Governance—Corporate Diversity Statement."

After completing its evaluation of a potential Director nominee, the Nominating and Corporate Governance Committee will make a recommendation to the full Board, which makes the final determination whether to nominate or appoint the Director nominee.

## Stockholder Recommendation of Director Candidates

Stockholders may recommend Director candidates for consideration by the Nominating and Corporate Governance Committee by submitting their names and appropriate background and biographical information in writing to the attention of the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. candidates recommended by stockholders who meet these Director qualifications will be considered by the Chair of the Nominating and Corporate Governance Committee, who will present the information on the candidate to the entire Nominating and Corporate Governance Committee. All Director candidates recommended by stockholders will be considered by the Nominating and Corporate Governance Committee in the same manner as any other candidate.

## DIRECTOR COMPENSATION

Directors' fees are not paid to Directors who are executives or employees of the Company (collectively, the "Executive Directors") because the responsibilities of Board membership are considered in determining compensation paid as part of the Executive Directors' normal employment conditions.

The basic fees payable to the Directors who are not executives of the Company (collectively, the "Non-Executive Directors") are reviewed and recommended by the Compensation Committee and set by the Board. The Compensation Committee annually reviews the form and amount of Non-Executive Director compensation, including against that of the Company's peers and general industry. In such review, the Compensation Committee considers the appropriateness of the form and amount of Non-Executive Director compensation and makes recommendations to the Board concerning Non-Executive Director compensation with a view toward attracting and retaining qualified Directors. The Company believes that compensation for Non-Executive Directors should be competitive and fairly reflect the work and skills required for a company of News Corporation's size and complexity. The Company also believes that Non-Executive Director compensation should include equity-based compensation in order to further align Directors' interests with the long-term interests of stockholders. As part of its fiscal 2017 review, the Compensation Committee reviewed and considered data provided to the Committee by its independent compensation consultant regarding the amounts and type of compensation paid to non-management directors at the companies in the Company's peer group used by the Compensation Committee for the assessment of executive compensation. As a result of this review, the Compensation Committee determined that compensation of Non-Executive Directors on the Board and its committees is reasonable and appropriate.

During fiscal 2017, the Non-Executive Directors were Mmes. Ayotte (beginning April 1, 2017), Bancroft, Chao (until January 31, 2017) and Pessoa and Messrs. L.K. Murdoch, Aznar, Barnes, Elkann (until September 30, 2016), Klein, J.R. Murdoch and Siddiqui. The annual retainers paid to Non-Executive Directors for service on the Board and its committees in fiscal 2017 are set forth in the table below.

**Annual Board and Committee Retainers for the Fiscal Year Ended June 30, 2017**

Board Cash Retainer	\$100,000
Board Deferred Stock Unit ("DSU") Retainer	\$145,000
Lead Director Retainer	\$ 35,000
Audit Committee Chair Retainer	\$ 20,000
Compensation Committee Chair Retainer	\$ 12,000
Nominating and Corporate Governance Committee Chair Retainer	\$ 10,000
Audit Committee Member Retainer	\$ 8,000
Compensation Committee Member Retainer	\$ 6,000
Nominating and Corporate Governance Committee Member Retainer	\$ 6,000

DSUs are awarded to Non-Executive Directors on a quarterly basis on July 1, October 1, January 1 and April 1 of each year (or the first trading day following such date) (each, a "DSU Grant Date"). The number of DSUs awarded each DSU Grant Date is based on the closing price of the Company's Class A Common Stock on such DSU Grant Date. DSUs will vest upon the earlier of (i) the July 1, October 1, January 1 or April 1 closest to the fifth anniversary of the DSU Grant Date (or the first trading day following such date) and (ii) the date of the Non-Executive Director's end of service (or the first trading day following such date) (each, a "DSU Vest Date"), at which time DSUs will be payable in cash based on the closing price of the Company's Class A Common Stock on such DSU Vest Date. To further align the Non-Executive Directors' compensation with total return to stockholders, the Compensation Committee determined to grant dividend equivalents on DSUs beginning with the fiscal 2017 DSU Retainer. Such dividend equivalents are represented by additional DSUs and are payable when the underlying award vests.

## DIRECTOR COMPENSATION

In addition, all Non-Executive Directors are reimbursed for reasonable travel and other out-of-pocket business expenses incurred in connection with attendance at meetings of the Board and its committees. We may invite the spouse or family members of each Non-Executive Director to attend events associated with Board meetings or other Company-related events. To the extent costs for these activities and costs for any other personal benefits for a Non-Executive Director exceeds \$10,000 for the year, they are included in the amounts in the table below.

The table below shows the total compensation paid during fiscal 2017 by the Company to each of the Directors who served during fiscal 2017 and who are not NEOs.

Each Non-Executive Director will have five years from his or her first election to the Board to comply with these guidelines. All incumbent Non-Executive Directors currently comply with or are on track to comply with the stock ownership guidelines.

## PROPOSAL NO. 2

# RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Ernst & Young LLP (“E&Y”) as the Company’s independent registered public accounting firm to audit the books and accounts of the Company for the fiscal year ending June 30, 2018. E&Y has audited the books and records of the Company since its formation. In order to provide for continuing auditor independence, the Audit Committee periodically considers whether there should be a regular rotation of our independent registered public accounting firm. Further, in connection with the mandated rotation of our independent registered public accounting firm’s lead engagement partner, the Audit Committee is directly involved in the periodic selection of E&Y’s lead engagement partner.

The Audit Committee believes that the continued retention of E&Y is in the best interests of the Company and its stockholders, and is submitting the appointment of E&Y to the stockholders for ratification as a matter of good corporate governance. If this appointment is not ratified by our stockholders, the Audit Committee will reconsider its decision. A representative of E&Y is expected to be present at the Annual Meeting. He or she will have an opportunity to make a statement and will be available to respond to appropriate questions.

### Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established policies and procedures under which all audit and non-audit services performed by the Company's independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee's policy provides for pre-approval of audit, audit-related, tax and certain other services specifically described by the Audit Committee on an annual basis. In addition, individual engagements anticipated to exceed pre-established thresholds, as well as certain other services, must be separately approved. The policy also provides that the Audit Committee can delegate pre-approval authority to any member of the Audit Committee provided that the decision to pre-approve is communicated to the

full Audit Committee at its next meeting. The Audit Committee has delegated this responsibility to the Chair of the Audit Committee. Management has also implemented internal procedures to ensure compliance with this policy. As required by the Sarbanes-Oxley Act, all audit and non-audit services provided in the fiscal years ended June 30, 2017 and June 30, 2016 have been pre-approved by the Audit Committee in accordance with these policies and procedures. The Audit Committee also reviewed the non-audit services provided by E&Y during the fiscal years ended June 30, 2017 and June 30, 2016, and determined that the provision of such non-audit services was compatible with maintaining the auditor's independence.

## REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act of 1933, as amended, or the Exchange Act or incorporated by reference in any document so filed.

In accordance with its written charter, the Audit Committee assists the Board in its oversight of (i) the Company's accounting and financial reporting processes and systems of internal control, including the audits of the Company's financial statements and the integrity of financial statements, (ii) the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the Company's corporate auditors and corporate audit function, (iii) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (iv) investigations into complaints concerning financial matters, (v) risks that have a significant impact on the Company's financial statements, (vi) oversight of the Company's ongoing Anti-Corruption Compliance Program and activities of the Company's Compliance Steering Committee and (vii) the review, approval and ratification of transactions with related persons. The Audit Committee provides an avenue of communication among management, the independent registered public accounting firm, the corporate auditors and the Board. Management has the primary responsibility for the preparation of the Company's financial statements and the reporting process, including the system of internal control over financial reporting. The independent registered public accounting firm has the responsibility for the audit of those financial statements and internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In discharging its oversight responsibility as to the audit process, the Audit Committee (i) obtained from the independent registered public accounting firm a formal written statement describing all relationships between the independent registered public accounting firm and the Company that might bear on the independent registered public accounting firm's independence and affirming its independence consistent with applicable requirements of the Public

Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, (ii) discussed with the independent registered public accounting firm, which documented the discussion, any relationships that may impact the firm's objectivity and independence and (iii) considered whether the non-audit services provided to the Company by the independent registered public accounting firm are compatible with maintaining such firm's independence. The Audit Committee reviewed with both the independent registered public accounting firm and the corporate auditors their identification of audit risks, audit plans and audit scope. The Audit Committee discussed with management, the independent registered public accounting firm and the corporate auditors the corporate audit function's organization, responsibilities, budget and staffing.

The Audit Committee also discussed and reviewed with the independent registered public accounting firm all communications required by generally accepted auditing standards, including those described in Auditing Standard No. 1301, "Communication with Audit Committees," as adopted by the Public Company Accounting Oversight Board. The Audit Committee met with each of the independent registered public accounting firm and the corporate auditors, both with management present and in private sessions without management present, to discuss and review the results of the independent registered public accounting firm's audit of the financial statements, including the independent registered public accounting firm's evaluation of the accounting principles, practices and judgments applied by management, the results of the corporate audit activities and the quality and adequacy of the Company's internal controls.

The Audit Committee discussed the interim financial information contained in each of the quarterly earnings announcements with Company management and the independent registered public accounting firm. The Audit Committee also reviewed the audited financial statements of the Company as of and for the fiscal year ended June 30, 2017 with management and the independent registered public accounting firm.

At its meetings every quarter, the Audit Committee met with members of management, the independent registered public accounting firm and the corporate auditors to review the fiscal 2017 certifications provided by the CEO and the CFO under the Sarbanes-Oxley Act, the rules and regulations of the SEC and the overall certification process. At these meetings, management reviewed with the Audit Committee each of the Sarbanes-Oxley Act certification requirements including whether there were any (i) significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information, and (ii) any fraud, whether or not material, involving management or other employees who have a significant role in the Company's internal control over financial reporting.

The Audit Committee received reports from the Company's General Counsel and Chief Compliance Officer and the corporate auditors regarding the

Company's policies, processes and procedures relating to compliance with News Corporation's Global Anti-Bribery and Anti-Corruption Policy and the activities of the Company's Compliance Steering Committee.

Based on the above-mentioned review and discussions with management, the independent registered public accounting firm and the corporate auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2017, for filing with the SEC. The Audit Committee also appointed E&Y as the Company's independent registered public accounting firm for fiscal 2018, and the Board concurred in such appointment.

## PROPOSAL NO. 3

# ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act require that the Company provide our stockholders with the opportunity to approve, on an advisory, nonbinding basis, the compensation of our NEOs as disclosed in this proxy statement in accordance with the rules of the SEC.

As described in detail in the “Compensation Discussion and Analysis,” the Compensation Committee seeks to closely align the interests of our NEOs with the interests of the Company’s stockholders. The Company’s executive compensation program is designed to drive Company performance, ensure our compensation practices support growth for stockholders, and attract, retain and motivate the top executive talent necessary for the Company’s success. The compensation framework designed by the Company emphasizes a pay for performance model, a focus on long-term growth and diversified performance metrics. The Compensation Committee believes that our compensation framework effectively aligns pay with individual and Company performance as further described beginning on page 33 under the heading “Aligning Compensation with Company Performance.” In addition, as described on page 35 under the heading “Fiscal 2017 Pay Mix,” the compensation framework places a significant majority of the Executive Chairman’s, CEO’s, CFO’s and General Counsel’s total direct compensation “at-risk” and dependent upon performance, with a significant portion of total direct compensation tied to the Company’s long-term results and future stock price performance. The Company has also implemented a number of executive compensation practices, as described on page 32, which the

Compensation Committee considers to be effective at driving performance and supporting long-term growth for our stockholders.

The Board recommends that stockholders indicate their support for the Company’s compensation of its NEOs. The vote on this resolution, commonly known as a “say on pay” resolution, is not intended to address any specific element of compensation but rather the overall NEO compensation program as described in this proxy statement. Although this vote is advisory and not binding on the Company or the Board, the Compensation Committee, which is responsible for developing and administering the Company’s executive compensation philosophy and program, will consider the results as part of its ongoing review of the Company’s executive compensation program.

Accordingly, we ask our stockholders to vote on the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the 2017 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.”

The Board of Directors has adopted a policy providing for annual “say-on-pay” advisory votes. Unless the Board of Directors modifies its policy on the frequency of holding “say-on-pay” advisory votes, the next “say-on-pay” advisory vote will occur in 2018.

## Executive Summary

### Compensation Philosophy

The Compensation Committee has established a compensation program that seeks to support the creation of long-term growth and value for our stockholders through three key objectives:

<b>Drive Company Performance</b>	<ul style="list-style-type: none"> <li>• Program emphasizes variable, performance-based compensation</li> <li>• Balance of short- and long-term "at-risk" compensation elements designed to reward superior performance without encouraging unnecessary and excessive risk-taking</li> </ul>
<b>Align Pay with Performance</b>	<ul style="list-style-type: none"> <li>• Performance-related compensation opportunities designed to reward executives based on Company and individual performance</li> <li>• Executives receive target payouts of incentive compensation only upon achievement of rigorous performance metrics</li> </ul>
<b>Attract, Retain and Motivate Leadership Talent</b>	<ul style="list-style-type: none"> <li>• Competitive program designed to enable the Company to attract the highest quality talent</li> <li>• Program considers compensation practices and trends in relevant industries</li> </ul>

### Stockholder Feedback Informs the Executive Compensation Program

The Company highly values and carefully considers feedback from our stockholders regarding our executive compensation program. The independent Directors view stockholder outreach as an area of priority and in fiscal 2017 directed the continuation of the Company's engagement program, which includes a specific focus on corporate governance. Our fiscal 2017 outreach program included engagement with unaffiliated stockholders representing over 25% of the outstanding Class B Common Stock and over

50% of the outstanding Class A Common Stock. Our independent Lead Director and Nominating and Corporate Governance Committee Chair directly participated, in person or by telephone, in many of these engagements. The Compensation Committee is responsible for overseeing engagement and communications with stockholders regarding our executive compensation program, and incorporates feedback from this engagement into their decision-making. For more detail on the Company's active stockholder outreach program, please refer to "Corporate Governance Matters—Stockholder

Engagement.” Stockholders are invited to express their views to the Compensation Committee through the procedures described under “Corporate Governance Matters—Communicating with the Board.”

The annual advisory vote on the compensation of the NEOs also provides stockholders with an opportunity to communicate their views on our executive compensation program. At our 2016 annual meeting of stockholders, stockholders continued their support of our executive compensation program with approximately 90.2% of the votes cast in favor of our advisory proposal to approve the compensation of our NEOs. Upon consideration of the high percentage of votes cast in favor of our NEO compensation, along with additional feedback from engagement with stockholders, among other considerations, the Compensation Committee determined to maintain the general structure of our executive compensation program but to continually review the program. In addition, the Compensation Committee implemented enhancements to further align executives’ interests with those of our stockholders as follows:

- Increased the percentage of CEO’s, former CFO’s and General Counsel’s “at-risk” pay for fiscal 2017; and
- Adopted a modified peer group to better reflect the Company’s competitive landscape for fiscal 2018.

#### **Total Direct Compensation**

The following table presents the total direct compensation (“TDC”) awarded to Messrs. K.R. Murdoch, Thomson, Pitofsky and Singh and Ms. Panuccio for fiscal 2017. TDC differs from the amounts reported in the Summary Compensation Table as required by the SEC, and reflects the amounts the Compensation Committee considers most relevant in assessing and determining executive compensation for the fiscal year. TDC is comprised of each NEO’s annual base salary, target performance-based annual cash incentive (“Annual Cash Incentive”) and target grant value of long-term performance-based equity awards granted under our 2013 Long-Term Incentive Plan, as amended (“LTIP”), in the form of performance stock units, or PSUs.

Named Executive Officer	Base Salary	Target Annual Cash Incentive	Target Long-Term Incentive Award	Total Direct Compensation	% of Total Direct Compensation Pay “At-Risk”
K. Rupert Murdoch	\$1,000,000	\$2,000,000	\$2,000,000	\$ 5,000,000	80%
Robert J. Thomson	\$2,000,000	\$4,000,000	\$5,000,000	\$11,000,000	82%
Susan Panuccio <sup>(a)</sup>	\$1,100,000	\$ 442,118	\$ 427,225	\$ 1,969,343	44%
David B. Pitofsky	\$ 950,000	\$ 750,000	\$ 800,000	\$ 2,500,000	62%

Her actual base salary for fiscal 2017 was pro-rated to reflect her promotion to the role of CFO during fiscal 2017. For fiscal 2017, Ms. Panuccio’s target Annual Cash Incentive was set and her target long-term incentive award was set and granted prior to her appointment as CFO. Her fiscal 2017 target Annual Cash Incentive was equal to \$575,000

### NEO Compensation Program Practices

The table below highlights our current executive compensation practices, including practices we engage in because we believe they drive performance and those we do not engage in because they are inconsistent with our stockholders' long-term interests:

What We Do
<ul style="list-style-type: none"> <li>• <b>Majority of compensation is "at-risk"</b> — the performance-based, variable pay portion of fiscal 2017 TDC was 80% for the Executive Chairman, 82% for the CEO, 76% for the former CFO and 62% for the General Counsel</li> <li>• <b>Use of multiple performance metrics</b> — Annual Cash Incentive and long-term incentive awards for NEOs rely on diversified performance metrics that incentivize and reward the achievement of multi-dimensional aspects of our operational and long-term business strategy</li> <li>• <b>Payouts of NEO incentive compensation are subject to achievement of rigorous performance metrics</b></li> <li>• <b>Caps on payouts of Annual Cash Incentive and long-term incentive awards</b></li> <li>• <b>Performance on ethics and compliance objectives impacts payout of qualitative portion of Annual Cash Incentive awards</b></li> <li>• <b>Clawback policies provide for recoupment, under certain circumstances, of performance-based cash and equity compensation</b></li> <li>• <b>Stock ownership guidelines for the CEO, CFO, General Counsel and Non-Executive Directors</b></li> <li>• <b>Annual compensation risk assessment</b></li> <li>• <b>Independent compensation consultant that provides no other services to the Company</b></li> <li>• <b>Regular stockholder feedback through annual say-on-pay vote and robust ongoing engagement program on corporate governance matters, including executive compensation</b></li> </ul>
What We Do Not Do
<ul style="list-style-type: none"> <li>• No "single trigger" cash severance or automatic vesting of equity awards based solely upon a change in control of the Company</li> <li>• NEO employment agreements do not contain provisions relating to a change in control</li> <li>• No excise tax gross-ups or tax gross-ups on NEO perquisites</li> <li>• No hedging of Company stock by Directors and NEOs</li> <li>• No pledging of Company stock owned directly by Directors and NEOs</li> <li>• No re-pricing of stock options or SARs without stockholder approval</li> <li>• No payment of dividend equivalents unless and until underlying performance-based awards are earned</li> <li>• No excessive NEO perquisites</li> <li>• No guaranteed bonuses</li> <li>• Do not maintain compensation programs that create risks reasonably likely to have a material adverse effect on the Company</li> </ul>

**Aligning Compensation with Company Performance**

The Compensation Committee is responsible for the oversight of the Company's executive compensation framework, and within that framework, aligning compensation with Company performance and providing incentives that reward sustained value creation and responsible risk-taking.

For the fiscal 2017 Annual Cash Incentive, the Compensation Committee set the midpoint of its target range for adjusted Total Segment EBITDA\* at \$907 million and the Company achieved \$864.8 million, resulting in a 100% payout of the quantitative portion of the award. The Compensation Committee also determined payouts of the qualitative portions of the fiscal 2017 Annual Cash Incentive for each NEO in light of his achievements and contributions during fiscal 2017. For more information, please see "— Named Executive Officer Compensation— Fiscal 2017 Annual Cash Incentive."

For the fiscal 2015-2017 PSU Award, the Compensation Committee set the midpoints of its target range for cumulative adjusted earnings per share ("EPS")\* and cumulative adjusted free cash flow ("FCF")\* at \$2.19 and \$1.872 billion, respectively, and the target for total shareholder return ("TSR") relative to the S&P 500 at the 50th percentile. The Company achieved \$1.53, \$2.088 billion and the 16th percentile, respectively, resulting in a 61.4% payout of the awards. For more information, please see "— Named Executive Officer Compensation— Payout of Fiscal 2015-2017 PSU Award."

Fiscal 2017 performance highlights include:

- Fiscal 2017 total revenues of \$8.14 billion decreased 2% compared to the prior year, primarily due to lower print advertising revenues at the News and Information Services segment, the negative impact from foreign currency fluctuations, partially offset

by growth in the Digital Real Estate Services segment and the acquisitions of Wireless Group and Australian Regional Media.

- Loss from continuing operations was \$643 million compared to income from continuing operations of \$235 million in the prior year. The loss includes approximately \$1 billion of pre-tax non-cash impairments and write-downs, primarily related to the write-down of fixed assets at the U.K. and Australian newspapers and the Company's investment in Foxtel.
- The Company reported fiscal 2017 Total Segment EBITDA\* of \$885 million, as compared to \$684 million in the prior year; fiscal 2016 included a one-time charge of \$280 million related to the settlement of litigation at the Company's News America Marketing division and a one-time gain of \$122 million for the settlement of litigation at Move, in which the Company owns an 80% interest. Excluding these items, full year Total Segment EBITDA for fiscal 2016 would have been \$842 million. Strong growth at the Digital Real Estate Services segment and improvement in the Book Publishing segment were partially offset by the declines at the News and Information Services segment.
- The Company reported fiscal 2017 net cash provided by continuing operating activities of \$499 million.
- Digital Real Estate Services segment revenues grew 14% compared to the prior year and accounted for 37% of Total Segment EBITDA. Move continued to grow traffic to realtor.com®, reaching approximately 58 million average monthly unique users in the fourth quarter.

\* Consistent with the terms of the Annual Cash Incentive program and the terms of the fiscal 2015-2017 PSU Award, the performance factors were adjusted to reflect certain unusual events that occurred during the year. These adjustments can result in either increases or decreases in the performance factors and are intended to ensure that award payments represent the underlying performance of the Company's business and are not artificially inflated or deflated due to unusual events. In fiscal 2017, the adjustments included acquisitions and dispositions of businesses, changes in foreign exchange rates, extraordinary gains and losses, restructuring expenses and payments, certain non-recurring or unusual items and certain litigation expenses. The Compensation Committee reviewed all adjustments to ensure the adjustments are consistent with the Compensation Committee's philosophy on executive pay. Total Segment EBITDA is a non-GAAP financial measure. For information on Total Segment EBITDA, as defined by the Company, please see pages 49-50 of the Company's Annual Report on Form 10-K for the year ended June 30, 2017 filed with the SEC on August 14, 2017.

## COMPENSATION DISCUSSION AND ANALYSIS

- The Company saw continued success in transitioning the news mastheads to digital, with digital revenues representing 25% of the News and Information Services segment revenues in fiscal 2017, compared to 22% in fiscal 2016.
- HarperCollins had strong sales in Christian publishing with *The Magnolia Story* by Chip and Joanna Gaines and *Jesus Calling* and *Jesus Always* by Sarah Young.
- In September 2016, the Company acquired Wireless Group, which operates talkSPORT, the leading sports radio network in the U.K., and a portfolio of radio stations in the U.K. and Ireland. The acquisition broadens the Company's range of services in the U.K., Ireland and internationally and the Company continues to closely align Wireless Group's operations with those of *The Sun* and *The Times*.

### Executive Compensation Practices

#### **How Executive Compensation Decisions Are Made**

In establishing and reviewing NEO compensation packages, the Compensation Committee considers the nature and scope of the NEO's role and responsibilities, leadership and management experience, individual contributions, Company performance, achievement of strategic objectives, information on market compensation levels (as further described below under "—Comparative Market Data and Industry Trends"), taking into account industry and geographic considerations, retention considerations, the terms of each NEO's employment agreement, prior compensation and term of service, internal pay parity and feedback from stockholders through the results of the annual say-on-pay vote and through other engagement.

NEOs do not participate in the Compensation Committee's deliberations or decisions regarding their own compensation. Management, together with the Compensation Committee's independent compensation consultant, assists the Compensation Committee by providing data, analyses and recommendations regarding the Company's executive compensation practices and policies. In addition, the Executive Chairman and CEO present individual pay recommendations to the Compensation Committee for the other NEOs. These recommendations are based on their assessments of individual contributions, achievement of performance objectives and other qualitative factors. The Compensation Committee considers management's input along with the advice of its independent compensation consultant in making decisions on compensation matters.

#### **Role of the Independent Compensation Consultant**

During fiscal 2017, the Compensation Committee continued to retain Frederic W. Cook & Co., Inc. ("FW Cook") as an independent compensation consultant. The role of the compensation consultant is to serve as an objective third-party advisor to the Compensation Committee on compensation arrangements, assessing reasonableness of compensation levels in comparison with those of similarly situated companies and the appropriateness of the compensation program structure in supporting the Company's strategic objectives. The compensation consultant reports directly to the Compensation Committee and the Compensation Committee may replace the compensation consultant, or hire additional consultants, at any time. In fiscal 2017, FW Cook supported the Compensation Committee by (i) attending Compensation Committee meetings, (ii) providing advice on the Company's compensation programs, equity plan designs and compensation governance policies, (iii) preparing and presenting analyses on compensation levels, including competitive assessments of the Company's practices and policies and (iv) assisting the Company in preparing compensation-related materials and disclosure as requested by the Company. FW Cook provided no other services to and received no other fees or compensation from the Company.

In June 2017, the Compensation Committee considered FW Cook's independence and the existence of potential conflicts of interest with FW Cook, including by considering the factors prescribed by the NASDAQ listing rules and SEC rules. Based on such evaluation, the Compensation Committee determined that no conflict of interest exists.

### Fiscal 2017 Pay Mix

The Compensation Committee designed the fiscal 2017 executive compensation program so that the performance-based pay elements (Annual Cash Incentive and long-term incentive awards) comprised a significant portion of TDC in support of the Compensation Committee's objective to align the NEOs' interests with those of our stockholders.

\* Numbers may not sum due to rounding.

## COMPENSATION DISCUSSION AND ANALYSIS

### **Base Salary**

The Compensation Committee, in conjunction with its compensation consultant, annually reviews the NEOs' base salaries and makes appropriate adjustments subject to the terms of individual employment agreements. The respective employment agreements of Messrs. Thomson and Pitofsky and Ms. Panuccio provide for a minimum base salary. Prior to his departure as CFO, Mr. Singh's employment agreement provided for a minimum base salary as well.

Base salaries for Messrs. K.R. Murdoch, Thomson and Pitofsky were not increased in fiscal 2017 and remained at \$1,000,000, \$2,000,000 and \$950,000, respectively. Mr. Singh's base salary for fiscal 2017 until his departure as CFO on March 1, 2017 was \$1,300,000. Messrs. Thomson's and Pitofsky's and, prior to his departure as CFO, Mr. Singh's fiscal 2017 base salaries represented the minimum base salaries provided for in their respective employment agreements. Effective upon her appointment as CFO on March 1, 2017, Ms. Panuccio's base salary was increased to \$1,100,000, representing the minimum base salary provided for in her employment agreement, to reflect her promotion to CFO and the accompanying increased responsibilities.

### **Performance-Based Incentive Compensation**

In order to promote alignment with stockholders' interests, the majority of each NEO's compensation is tied to two performance-based incentive components: the Annual Cash Incentive and long-term incentive awards, which we grant in the form of

PSUs. Metric targets for both of these compensation components are designed to be set at challenging, yet reasonably achievable, levels each year in order to motivate a high degree of performance and the assumption of an appropriate amount of risk, while maintaining focus on the Company's long-term growth.

### **Fiscal 2017 Annual Cash Incentive**

In August 2016, the Compensation Committee approved a framework for the NEOs' Annual Cash Incentive for fiscal 2017. The Compensation Committee believes the mix of quantitative and qualitative factors on which the Annual Cash Incentive is based motivates the NEOs to achieve the critical operating goals of the Company's businesses, while also recognizing and rewarding them for individual contributions.

Annual Cash Incentive awards are based two-thirds on achievement of target adjusted Total Segment EBITDA, and one-third on a qualitative assessment of individual performance. Adjusted Total Segment EBITDA was selected as the financial performance metric because it reflects the Company's key financial objective for the operations for which the NEOs have direct responsibility. The Compensation Committee also considers, based on a recommendation from the Audit Committee, management's performance on ethics and compliance objectives, and determines whether, based on such performance, any reduction to the qualitative portion of the payout of the Annual Cash Incentive is appropriate and if so, the amount of such reduction.

## COMPENSATION DISCUSSION AND ANALYSIS

In August 2016, the Compensation Committee approved the following target and maximum amounts for the fiscal 2017 Annual Cash Incentive:

Named Executive Officer <sup>(a)</sup>	Fiscal 2017 Annual Cash Incentive	
	Target	Maximum
K. Rupert Murdoch	\$2,000,000	\$4,000,000
Robert J. Thomson	\$4,000,000	\$8,000,000
David B. Pitofsky	\$ 750,000	\$1,500,000
Bedi Ajay Singh	\$2,000,000	\$4,000,000

- (a) Mr. Singh's employment as CFO terminated effective March 1, 2017. As a result, he did not receive a payout pursuant to the terms of the Annual Cash Incentive and his actual compensation for fiscal 2017 has been agreed upon pursuant to the terms of his separation agreement. For details, see "Executive Compensation—Potential Payments upon Termination—Summary of Bedi Ajay Singh's Separation Agreement." Ms. Panuccio's fiscal 2017 target Annual Cash Incentive was set prior to her appointment as CFO and was not subject to the framework applicable to the other NEOs' Annual Cash Incentive. See below for further details regarding her fiscal 2017 Annual Cash Incentive.

For fiscal 2017, the Compensation Committee set a target range for adjusted Total Segment EBITDA of \$861.7 million to \$952.4 million, based on the Company's annual plan. A target range, rather than a specific goal, is used to address challenges associated with setting performance goals with precision and to avoid unintended windfalls and shortfalls in actual payouts to the NEOs. Performance within the target range generates a payout of 100% for the quantitative portion of the Annual Cash Incentive, with performance that falls within the specified performance range to be interpolated on a linear basis. The Company's actual performance versus the performance curve established by the Compensation Committee is set forth below:

## COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee also considered each individual NEO's significant and numerous contributions and strong leadership in the development and implementation of the corporate vision, strategy and organizational structure for the Company's businesses. In assessing our NEOs' performance and determining the appropriate award amounts, the Compensation Committee acknowledged the following specific achievements:

Named Executive Officer*	Fiscal 2017 Achievements and Contributions
<b>K. \* As noted above, Mr. Singh's employment as CFO terminated effective March 1, 2017. As a result, he did not receive a payout pursuant to the terms of the Annual Cash Incentive as his actual compensation for fiscal 2017 has been agreed upon pursuant to the terms of his separation agreement. For details, see "Executive Compensation—Potential Payments upon Termination—Summary of Bedi Ajay Singh's Separation Agreement."

## COMPENSATION DISCUSSION AND ANALYSIS

To determine the fiscal 2017 Annual Cash Incentive for the eligible NEOs, the Compensation Committee recognized that the Company's adjusted Total Segment EBITDA, for the purposes of this calculation, was approximately \$864.8 million and as a result, 100% of the quantitative portion of the Annual Cash Incentive was achieved. In light of this achievement and the individual accomplishments described above, the Compensation Committee determined to award fiscal 2017 Annual Cash Incentives to the eligible NEOs as set forth below:

Named Executive Officer	Fiscal 2017 Target Annual Cash Incentive	Quantitative Performance			Qualitative Performance			Fiscal 2017 Total Annual Cash Incentive
		66.7% of Target	Multiple	Subtotal A	33.3% of Target	Multiple	Subtotal B	
K. Rupert Murdoch	\$2,000,000	\$1,333,333	100%	\$1,333,333	\$ 666,667	100%	\$ 666,667	\$2,000,000
Robert J. Thomson	\$4,000,000	\$2,666,667	100%	\$2,666,667	\$1,333,333	100%	\$1,333,333	\$4,000,000
David B. Pitofsky	\$ 750,000	\$ 500,000	100%	\$ 500,000	\$ 250,000	100%	\$ 250,000	\$ 750,000

Ms. Panuccio's fiscal 2017 target Annual Cash Incentive was set prior to her appointment as CFO. The payout of her fiscal 2017 Annual Cash Incentive was determined by considering such fiscal 2017 Annual Cash Incentive target, Ms. Panuccio's mid-fiscal year promotion to the role of CFO of the Company and applicable performance factors, including the following specific achievements:

Named Executive Officer	Fiscal 2017 Achievements and Contributions
<b>Susan Panuccio</b> Chief Financial Officer	<ul style="list-style-type: none"> <li>Led the budget process, enabling the Company to establish appropriate financial performance metrics for fiscal 2018</li> <li>Facilitated long-range planning strategy sessions with the CEOs and executive management to identify key initiatives that will drive growth and critical transformation of our business model</li> <li>Led smooth transition of critical year-end financial processes to close out fiscal 2017 in accordance with regulatory and compliance guidelines</li> </ul>

The Compensation Committee determined to award a fiscal 2017 Annual Cash Incentive of \$661,412 to Ms. Panuccio. Ms. Panuccio's Annual Cash Incentive for fiscal 2018 and beyond will be subject to the framework applicable to the other NEOs' Annual Cash Incentive.

### Fiscal 2017-2019 PSU Award

The Compensation Committee annually awards to the Company's senior executives long-term performance-based equity awards, granted under the LTIP, consisting of PSUs that cliff vest on the August 15 or the closest business day following the August 15 (the "Vest Date"), subject to continued service through such date, subsequent to the completion of a three-fiscal-year performance measurement period (each such grant, a "PSU Award"). In August 2016, the Compensation Committee approved the grant of the fiscal 2017-2019 PSU Award to senior executives, including the NEOs.

Payouts are determined based on the achievement of the performance goals established by the Compensation Committee at the beginning of the three-year performance period. The performance

metrics and their respective weightings for the fiscal 2017-2019 PSU Award are as follows:

- 40% based on cumulative adjusted EPS;
- 40% based on cumulative adjusted FCF; and
- 20% based on the Company's three-year TSR as measured against the three-year TSR of the S&P 500.

At the beginning of each performance period, the Compensation Committee determines the target PSU Award opportunity, expressed as a dollar value (the "PSU Target Value"), for each of the NEOs. The PSU Target Value is converted to a target number of PSUs (the "PSU Target"), which, for the fiscal 2017-2019 PSU Award, was based on the volume-weighted average price of the Company's Class A Common Stock for the last 20 trading days in fiscal 2016.

## COMPENSATION DISCUSSION AND ANALYSIS

Subsequent to the completion of each performance period, the Compensation Committee compares the actual results of the Company's performance against the targets set by the Compensation Committee and determines the "Final PSU Award" for each NEO, using the following formula:

$$\begin{array}{|c|} \hline \text{PSU} \\ \text{TARGET} \\ \hline \end{array} \times \begin{array}{|c|} \hline \text{PAYOUT MULTIPLIER} \\ \hline 0\%-200\% \text{ of PSU Target based on} \\ \text{Company performance against the three} \\ \text{weighted performance metrics} \\ \hline \end{array} = \begin{array}{|c|} \hline \text{FINAL PSU} \\ \text{AWARD} \\ \hline \end{array}$$

On the Vest Date, Messrs. K.R. Murdoch and Thomson and Ms. Panuccio each are expected to receive, in settlement of his or her respective Final PSU Award, a cash payment equal to his or her respective Final PSU Award multiplied by the closing price of the Class A Common Stock on the last trading day immediately prior to the Vest Date, net of taxes withheld, subject to the limitations set forth in the LTIP. On the Vest Date, Messrs. Pitofsky and Singh each are expected to receive, in settlement of his respective Final PSU Award, shares of Class A Common Stock, net of taxes withheld, subject to the limitations set forth in the LTIP. PSUs awarded to Messrs. K.R. Murdoch and Thomson are settled in cash rather than stock pursuant to the Company's policy of settling Directors' equity awards in cash to address certain requirements of the Australian Securities Exchange (the "ASX"). PSUs awarded to Ms. Panuccio while she was serving in her previous role as Chief Financial Officer of News Corp Australia are settled in cash rather than stock pursuant to the Company's policy of settling equity awards to employees in certain countries in cash to address certain requirements of local laws.

Accordingly, all of the NEOs' PSU payouts are fully at risk for financial performance for the three-year performance period and for stock price performance from the grant date until the Vest Date.

The Compensation Committee approved the following PSU Target Values and corresponding PSU Targets for the NEOs' fiscal 2017-2019 PSU Award:

Named Executive Officer	Fiscal 2017-2019 PSU Award Opportunity	
	PSU Target Value	PSU Target
K. Rupert Murdoch	\$2,000,000	174,861
Robert J. Thomson	\$5,000,000	437,154
Susan Panuccio <sup>(a)</sup>	\$ 427,225	37,352
David B. Pitofsky	\$ 800,000	69,944
Bedi Ajay Singh <sup>(b)</sup>	\$2,200,000	192,348

(a) Ms. Panuccio's fiscal 2017-2019 PSU Award was granted prior to her appointment as CFO.

(b) Mr. Singh's employment as CFO terminated effective March 1, 2017. As a result, his actual compensation for fiscal 2017 has been agreed upon pursuant to the terms of his separation agreement. For details, see "Executive Compensation—Potential Payments upon Termination—Summary of Bedi Ajay Singh's Separation Agreement."

The Compensation Committee determined to grant dividend equivalents on PSUs, beginning with the fiscal 2017-2019 PSU Award, in order to further align our executive compensation with total return to stockholders. Such dividend equivalents are represented by additional PSUs, are subject to the same performance conditions as the underlying award, and are payable when, and only to the extent that, the underlying award vests.

### **Payout of Fiscal 2015-2017 PSU Award**

In August 2014, the Compensation Committee approved the grant of the fiscal 2015-2017 PSU Award. The payout of the fiscal 2015-2017 PSU Award was based on the achievement of performance goals established by the Compensation Committee at the time of grant relating to the three-year performance period ending on June 30, 2017. The performance metrics and their respective weightings for the fiscal 2015-2017 PSU Award were as follows:

- 40% based on cumulative adjusted EPS;

- 40% based on cumulative adjusted FCF; and
- 20% based on the Company’s three-year TSR as measured against the three-year TSR of the S&P 500.

In August 2017, the Compensation Committee reviewed the Company’s performance against targets for the fiscal 2015-2017 PSU Award. Performance within the target range generates a payout of 100% for the cumulative adjusted EPS and cumulative adjusted FCF metrics, with performance that falls within the specified performance range to be interpolated on a linear basis. The Company’s actual performance versus the performance curve established by the Compensation Committee for each metric is set forth below:

Based on such performance, the Compensation Committee determined a final payout multiplier on the fiscal 2015-2017 PSU Award of 61.4%, as set forth below:

Metric	Metric Weighting	Target (Range)	Achieved	Payout Multiplier
Cumulative Adjusted EPS	40%	\$1.97 – \$2.41	\$1.53	19.9%
Cumulative Adjusted FCF	40%	\$1.685 – \$2.060 billion	2.088 billion	41.5%
Relative TSR Percentile	20%	50 <sup>th</sup>	16 <sup>th</sup>	0%
				61.4%

The payout multiplier applied to the target number of shares granted resulted in the vesting on August 15, 2017 of the number of shares for each NEO indicated below:

Named Executive Officer	Fiscal 2015-2017 PSU Award Payout		
	PSU Target	Payout Multiplier	Final PSU Award
K. Rupert Murdoch	113,746	61.4%	69,840
Robert J. Thomson	244,555	61.4%	150,156
Susan Panuccio <sup>(a)</sup>	22,500	61.4%	13,815
David B. Pitofsky <sup>(b)</sup>	22,749	61.4%	13,967
Bedi Ajay Singh <sup>(c)</sup>	90,997	61.4%	55,872

- (a) Ms. Panuccio’s fiscal 2015-2017 PSU Award was granted prior to her appointment as CFO.
- (b) Mr. Pitofsky’s fiscal 2015-2017 PSU Award was granted prior to his appointment as General Counsel.
- (c) Mr. Singh’s employment as CFO terminated effective March 1, 2017. His fiscal 2015-2017 PSU Award continued to vest in accordance with its terms pursuant to the terms of his separation agreement. For details, see “Executive Compensation—Potential Payments upon Termination—Summary of Bedi Ajay Singh’s Separation Agreement.”

**Retirement Benefits**

Prior to the separation of the Company’s businesses from its former parent, 21st Century Fox (the “Separation”), Messrs. Thomson and Singh and Ms. Panuccio participated in certain U.S.-qualified, U.K.-registered (qualified) and/or U.K. unfunded

nonqualified defined benefit plans in connection with services rendered to 21st Century Fox. The liabilities for these benefits have been assumed by the Company, and as of the Separation, there are no further accruals under these arrangements. For additional information on these arrangements,

## COMPENSATION DISCUSSION AND ANALYSIS

please see the “Pension Benefits Table” and its accompanying footnotes, and “Description of Pension Benefits” below. Mr. K.R. Murdoch continues to participate in the 21st Century Fox retirement plans following the Separation, and does not participate in the Company’s retirement plans.

The Company provides retirement benefits in the form of a 401(k) plan as well as the NC Transaction, Inc. Restoration Plan (the “Restoration Plan”), a nonqualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company’s traditional qualified retirement plans but for

limitations imposed by the Code. For additional information on the Restoration Plan, please see the “Nonqualified Deferred Compensation Table” and its accompanying footnotes, and “Description of Restoration Plan” below.

### **Perquisites**

The NEOs are provided with limited perquisites and other personal benefits that the Compensation Committee feels are reasonable and consistent with the Company’s overall compensation philosophy. Perquisites constitute a small percentage of each NEO’s total compensation package. The perquisites received by each NEO in fiscal 2017 are reported as required in the “Summary Compensation Table” and its accompanying footnotes.

## Comparative Market Data and Industry Trends

The Compensation Committee considers compensation data and practices of a group of peer companies (the “Peer Group”), as well as current market trends and practices generally, in developing competitive and appropriate compensation packages for the NEOs. The Compensation Committee believes that, in order to attract and retain top executives with the requisite skills and experience to successfully manage the Company’s businesses, our executives’ compensation packages must be competitive, particularly relative to the Peer Group. The Compensation Committee considers both individual elements of compensation and total compensation of companies in its Peer Group. Given the diverse nature of the Company, which is comprised of

businesses in multiple industries and markets, the Compensation Committee believes that strict “benchmarking” against the Peer Group does not provide a broad enough view for establishing executive compensation and it does not set compensation targets for the NEOs at a specific percentile of the Peer Group.

The Compensation Committee, with advice from its compensation consultant, annually reviews the Peer Group and may update its composition to better reflect the Company’s competitive landscape or, if necessary, to account for any corporate changes, including acquisitions and dispositions. Given the breadth of our business operations globally, it is challenging to find directly comparable companies.

In April 2016, the Compensation Committee, with advice from its compensation consultant, reviewed the current Peer Group and determined that it continued to serve as a reasonable benchmark for executive compensation levels and practices. Therefore, the Company’s fiscal 2017 Peer Group was unchanged from fiscal 2016. The fiscal 2017 Peer Group consisted of the Companies listed below:

Fiscal 2017 Peer Group	
• Cablevision Systems Corporation	• Liberty Global plc
• CBS Corporation	• Netflix, Inc.
• Charter Communications, Inc.	• Omnicom Group Inc.
• Discovery Communications, Inc.	• Sirius XM Holdings Inc.
• DISH Network Corporation	• TEGNA Inc.
• iHeartMedia, Inc.	• Viacom Inc.
• The Interpublic Group of Companies, Inc.	• Yahoo! Inc.

Throughout fiscal 2017, there was significant merger and acquisition activity within the Company’s fiscal 2017 Peer Group. In April 2017, following an in-depth review of the fiscal 2017 Peer Group, the Compensation Committee, with advice from its compensation consultant, adopted a new Peer Group for fiscal 2018, as reflected in the table below, to better reflect the Company’s competitive landscape. The Company’s Peer Group for fiscal 2018 was designed to generally comprise:

- Companies with significant content production operations, including online/digital, print and television;
- Companies of a similar size, based on revenue and/or market capitalization—for fiscal 2018, the Peer Group includes companies with revenues ranging from one-third to three times the Company’s revenues and one-fifth to five times the Company’s market capitalization;
- Competitors for key executive level talent;
- Companies within the same General Industry Classification Standards (GICS) code as the Company; and
- Companies identified as the Company’s peers by proxy advisory firms.

Fiscal 2018 Peer Group	
• CBS Corporation	• Liberty Global plc
• Daily Mail and General Trust plc	• Netflix, Inc.
• Discovery Communications, Inc.	• Omnicom Group Inc.
• DISH Network Corporation	• Scripps Network Interactive, Inc.
• IAC/InterActiveCorp	• Sirius XM Holdings Inc.
• iHeartMedia, Inc.	• TEGNA Inc.
• The Interpublic Group of Companies, Inc.	• Viacom Inc.

### Severance Arrangements

Messrs. Thomson and Pitofsky and Ms. Panuccio are each party to a negotiated employment agreement with the Company or a subsidiary of the Company which provides for certain payments and benefits upon his or her separation from the Company. Mr. K.R. Murdoch is party to a letter agreement that contains termination provisions relating to Annual Cash Incentives and long-term incentive awards. Such employment agreements and their provisions relating to severance arrangements are more fully described in the sections titled “Executive Compensation—Employment Agreements” and “Executive Compensation—Potential Payments upon Termination.” None of the NEOs’ employment agreements contains provisions that provide benefits that are triggered in whole or in part solely by a change in control of the Company (*i.e.*, the agreements do not provide automatic single trigger benefits).

In addition, in connection with his departure as our CFO, the Company and Mr. Singh entered into a separation agreement, effective as of March 1, 2017, pursuant to which Mr. Singh's employment with the Company was terminated without cause. The

separation agreement contains a customary release of claims and provides for certain payments and benefits. These payments are subject to Mr. Singh's compliance with confidentiality, non-disparagement and non-solicitation covenants contained in the separation agreement. In addition, Mr. Singh and the Company entered into an agreement pursuant to which Mr. Singh provided consulting services to the Company for a term of six months at a rate of \$12,500 per month. For additional details, see “Executive Compensation—Potential Payments upon Termination.”

The Company believes that providing appropriate severance benefits helps to attract and retain highly qualified executives by mitigating the risks associated with leaving a previous employer and accepting a new position with the Company and by providing income continuity following an unexpected termination. These arrangements also allow the Company to protect its interests through corresponding confidentiality, non-competition and other restrictive covenants in the event of an executive’s termination.

## Stock Ownership Guidelines for Executive Officers

The Compensation Committee has adopted stock ownership guidelines for the CEO, CFO and General Counsel, which require each such executive officer to maintain a substantial stake in the Company. The CEO's stock ownership guideline is five times base salary, the CFO's stock ownership guideline is two times base salary and the General Counsel's stock ownership guideline is one times base salary. The stock ownership guidelines include unvested awards and count both cash-settled and stock-settled awards

toward the applicable ownership requirements. Each executive officer will have five years from the later of July 1, 2013 or the date of commencement of the executive officer's employment in such role in which to comply with the ownership requirement. The CEO and General Counsel have each achieved his respective requirement, and the CFO (who was appointed in March 2017) is on track to achieve her requirement.

## Clawback Policies

The Board has adopted policies requiring the recoupment of performance-based cash and equity compensation paid to the NEOs in the event of certain financial restatements or of other bonus

compensation in certain other instances. The policies require reimbursement, to the extent permitted by governing law and any employment arrangements entered into prior to the adoption of the policies.

## Prohibition on Hedging and Pledging of News Corporation Stock

The Company prohibits all Directors and employees, including the NEOs, from engaging in short sales of the Company's securities and investing in derivative securities, including options, warrants, SARs or similar rights, whose value are derived from the value of the Company's common stock. This prohibition includes, but is not limited to, trading in Company-based put or call option contracts, trading in straddles and similar instruments designed to

offset the risks of ownership of the Company's common stock. However, holding and exercising employee stock options, RSUs or other equity-based awards granted under the Company's equity compensation plans are not prohibited. Executive officers and Directors are also prohibited from pledging any Company securities that they hold directly or have received as equity compensation.

## Compensation Deductibility Policy

In approving compensation arrangements, the Compensation Committee takes into account Section 162(m) of the Code, which generally limits to \$1 million the U.S. federal tax deductibility of compensation paid in one year to the NEOs (other than, pursuant to Internal Revenue Service pronouncements, the CFO). However, the Compensation Committee reserves the flexibility to take actions that may be based on considerations other than tax deductibility pursuant to Section 162(m) of the Code for performance-based compensation. The Compensation Committee believes that stockholder interests are best served by

not restricting the Compensation Committee's discretion and flexibility in crafting compensation programs, even if such programs may result in certain non-deductible compensation expenses. Accordingly, the Compensation Committee may choose to approve components of compensation for certain officers that are not deductible. In addition, the rules and regulations promulgated under Section 162(m) of the Code are complicated and may change from time to time, sometimes with retroactive effect. As a result, even compensation intended to qualify as performance-based compensation under Section 162(m) of the Code may not so qualify.

## REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on the Compensation Committee's review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included

in this proxy statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2017.

### THE COMPENSATION COMMITTEE:

Masroor Siddiqui (Chair)  
Natalie Bancroft  
Peter L. Barnes

## COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2017, the Compensation Committee consisted of the following Non-Executive Directors: Masroor Siddiqui (Chair), Peter L. Barnes and Natalie Bancroft. The Board has determined that Ms. Bancroft

and Messrs. Siddiqui and Barnes are independent in accordance with NASDAQ listing rules. There are no interlocking relationships as defined in the applicable SEC rules.

## RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

The Compensation Committee has been delegated the authority to oversee the risk assessment of the compensation policies and practices of the Company and its subsidiaries. At the direction of the Compensation Committee, members of senior management conducted the risk assessment. Such members gathered and reviewed information regarding pay practices and risk-mitigation factors within the Company's principal business units and its corporate division. Following an analysis of the data with the Compensation Committee, the Compensation Committee does not believe there are any risks from the Company's compensation policies

and practices for its employees that are reasonably likely to have a material adverse effect on the Company. In addition, the Company's compensation programs include sufficient risk mitigation features, such as significant management discretion and oversight, a balance of annual and long-term incentives for senior executives, the use of multiple performance metrics which are generally set at the beginning of the performance period, award opportunities that are fixed or capped and recoupment provisions for NEOs' bonus compensation in the event of certain financial restatements or certain other instances.

- (a) The amounts reported in this column represent base salaries paid to each of the NEOs for the applicable fiscal year as provided for in each of their respective employment agreements or compensation arrangements. Fiscal 2017, fiscal 2016 and fiscal 2016 included 52 weeks, 53 weeks and 52 weeks, respectively. Except as otherwise indicated, all base salaries were paid in U.S. dollars.
- (b) The amounts set forth in the "Stock Awards" column represent the aggregate grant date fair value of stock awards granted during the applicable fiscal years calculated based on the probable outcome of performance conditions as of the date of grant in accordance with FASB ASC Topic 718, excluding the effect of estimated forfeitures. At the maximum level of performance, the grant date fair value of the 2017-2019 PSU Awards would be: \$5,365,335 for Mr. K.R. Murdoch; \$13,413,409 for Mr. Thomson; \$1,146,074 for Ms. Panuccio; \$2,146,099 for Mr. Pitofsky; and \$5,901,889 for Mr. Singh. The actual value, if any, that the executives will realize for these awards is a function of the value of the underlying shares if and when these awards vest and the level of attainment of the applicable performance goal. Please see the "Grants of Plan-Based Awards Table" for more information regarding the stock awards granted in fiscal 2017. For additional information on how we account for equity-based compensation, see Note 12 to our consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2017 filed with the SEC on August 14, 2017.
- (c) The values reported in the "Change in Pension Value and Nonqualified Deferred Compensation Earnings" column are theoretical as these amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 60 for Mr. Thomson and Ms. Panuccio and age 65 for Mr. Singh, and other assumptions used in preparing our consolidated financial statements for the fiscal years ended June 30, 2017, 2016 and 2015. The change in actuarial present value for each NEO's accumulated pension benefits under the applicable Company pension plan(s) from year to year as reported in the Summary Compensation Table is subject to market volatility and may not represent, nor does it affect, the value that a NEO will actually accrue under the Company's pension plans during any given fiscal year. Messrs. Thomson's and Singh's and Ms. Panuccio's changes in pension value are denominated in British pounds sterling, except for Mr. Singh's NC Transaction, Inc. Pension Plan, which is denominated in U.S. dollars. For those plans denominated in British pounds sterling, amounts reflected in this table have been converted into U.S. dollars using the average exchange rate for the year ended July 2, 2017, which was 1 USD = 0.7889 GBP, as reported on Bloomberg. There were no above-market earnings or preferential earnings on any compensation that was deferred pursuant to a nonqualified deferred compensation plan or on any other basis that is not tax-qualified.

- (d) All Other Compensation paid in the fiscal year ended June 30, 2017 is calculated based on the incremental cost to the Company. To the extent the value of all perquisites and personal benefits did not exceed \$10,000 in fiscal 2017 for any NEO, such amounts are not disclosed below and in the table above as permitted under SEC rules. The amounts included in this column are comprised of the following:

## EXECUTIVE COMPENSATION

### Description of Pension Benefits

Each of Messrs. Thomson and Singh and Ms. Panuccio has pension benefits from Company-sponsored plans that were earned in connection with their employment by 21st Century Fox in periods prior to the Separation. The News International Pension and Life Assurance Plan for Senior Executives (the "Registered Plan") provided select U.K. executives with pension benefits for services rendered. The Registered Plan was frozen to additional future benefits effective March 31, 2011 and benefits were determined using formulas that were based on the period of employment. The applicable formula for Mr. Thomson and Ms. Panuccio was an annual benefit accrual of 1/45th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 60 in the form of a member annuity plus a 50% survivor annuity. The benefit at retirement is adjusted annually in payment for inflation as measured by the change in consumer price index capped at 5% for accrual before April 6, 2009 and 2.5% for accrual from April 6, 2009. The applicable formula for Mr. Singh was an annual benefit accrual of 1/60th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 65 in the form of member annuity plus a 50% survivor annuity. The benefit at retirement is adjusted annually at a fixed rate of 5%. The Registered Plan will also provide to Mr. Singh upon retirement an additional pension benefit granted based on a transfer into the

Registered Plan of pension rights he had accrued with a prior employer.

Mr. Thomson also participated in the News International Unapproved Pension and Life Assurance Plan (the "Supplementary Plan"). The Supplementary Plan is a non-registered plan that provided benefits that were not available in the Registered Plan as a result of the application of the U.K. statutory earnings cap and was frozen to additional future benefits effective March 31, 2011. Upon Mr. Thomson's transfer to the U.S., the Company extended to Mr. Thomson benefits through the Employer-Financed Retirement Benefits Scheme (the "EFRBS") equivalent to the benefit amounts provided by the Registered Plan and the Supplementary Plan. The EFRBS is subject to Section 409A of the Code, and the full commuted value of the EFRBS benefit is payable as a single lump sum upon separation of employment. The EFRBS was frozen as of June 30, 2013 for future service.

Upon Mr. Singh's transfer to the U.S. in 1995, Mr. Singh participated for two years in 21st Century Fox's U.S. pension plan that was the predecessor to the NC Transaction, Inc. Pension Plan. The benefit he earned under this U.S. tax-qualified pension plan was equal to 1% of monthly compensation times years of credited service, plus 0.6% of average monthly compensation in excess of average covered compensation times years of credited service. The NC Transaction, Inc. Pension Plan was frozen to additional future benefits effective February 28, 2014.

**Description of Restoration Plan**

In September 2013, the Compensation Committee adopted the Restoration Plan, a nonqualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company's traditional qualified retirement plans but for limitations imposed by the Code.

Under the Restoration Plan, participants whose employer contributions under the Company's qualified retirement plans are limited by the Code are eligible to receive an amount credited to their

account equal to 5.5% of their compensation in excess of the compensation limits of the Code, subject to a compensation cap of \$5,000,000 for each of the CEO and CFO and \$2,000,000 for the General Counsel. The amounts credited to each participant's account are fully vested following attainment of two years of service with the Company. Participants in the plan have the ability to direct their assets into the same fund choices as found in the Company's qualified retirement plans. Amounts in a participant's account will be credited with gains and losses associated to the participant's fund elections. Participants will receive distributions of vested benefits upon termination of employment in accordance with the payment schedule set forth under the plan rules.

**Potential Payments upon Termination**

As discussed under "—Employment Agreements" above, the employment agreements of each of Messrs. Thomson and Pitofsky and Ms. Panuccio provide for certain payments and benefits upon their respective separations from the Company. In addition, the KRM Letter Agreement contains certain termination provisions relating to Mr. K.R. Murdoch's performance-based annual bonus and PSUs. Finally, in connection with his departure from the Company, Mr. Singh entered into a separation agreement, which provides certain payments and benefits to him in connection with his departure. These provisions are summarized below.

**K. Rupert Murdoch**

Pursuant to the terms of the KRM Letter Agreement, if the employment of Mr. K.R. Murdoch is terminated due to death or disability, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days he was employed by the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and

- if such termination event occurs within the second or third fiscal year of any applicable performance period, the full value of any outstanding PSUs, calculated and paid at the end of the applicable performance period as if no termination occurred.

For purposes of the KRM Letter Agreement, the term "disability" means if Mr. K.R. Murdoch is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a period of not less than 12 months.

If Mr. K.R. Murdoch's employment is terminated for cause, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based solely on the Compensation Committee's assessment of the Company's financial and operational performance as compared to the Company's annual budget, provided that any threshold criteria established by the Compensation Committee as a condition of payment of the annual bonus is satisfied; and

## EXECUTIVE COMPENSATION

- if such termination event occurs within the second or third fiscal year of any applicable performance period, the pro-rata value of any outstanding PSUs, calculated at the end of the applicable performance period based on (a) the payout that he would have received if no termination had occurred multiplied by (b)(1) the number of days he was employed by the Company during the applicable performance period divided by (2) the total number of days in such performance period.

For purposes of the KRM Letter Agreement, the term “cause” means (a) a deliberate and material breach by Mr. K.R. Murdoch of his duties and responsibilities that results in material harm to the Company and its affiliates which breach is committed without reasonable belief that such breach is in, or not contrary to, the best interests of the Company, and is not remedied within 30 days after written notice specifying such breach, (b) Mr. K.R. Murdoch’s plea of guilty or *nolo contendere* to, or nonappealable conviction of, a felony, which conviction or plea causes material damage to the Company’s reputation or financial position, or (c) or Mr. K.R. Murdoch’s addiction to drugs or alcohol that results in a material breach of his duties and responsibilities and that results in material harm to the Company and its affiliates, which addiction is not remedied within 30 days after receipt of written notice specifying such breach.

If Mr. K.R. Murdoch’s employment is terminated other than for cause, including due to retirement, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
  - a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based solely on the Compensation Committee’s assessment of the Company’s financial and operational performance as compared to the Company’s annual budget, provided that any threshold criteria established by the Compensation Committee as a condition of payment of the annual bonus is satisfied; and
- if such termination event occurs within the second or third fiscal year of any applicable performance period, the full value of any outstanding PSUs, calculated and paid at the end of the applicable performance period as if no termination occurred.

For purposes of the KRM Letter Agreement, the term “retirement” means Mr. K.R. Murdoch’s resignation or termination of employment after attainment of age 60 with ten years of service so long as he is not then employed by another company.

With respect to any outstanding PSUs, in the event of any type of termination that occurs on or prior to the last day of the first fiscal year of any applicable performance period, the entire award will be forfeited.

### **Robert J. Thomson**

Pursuant to the Thomson Agreement, during any period that Mr. Thomson fails to perform his duties as a result of incapacity and disability due to physical or mental illness, or if Mr. Thomson is terminated by reason of his death, Mr. Thomson (or his surviving spouse or other designee or the legal representative of his estate) is entitled to:

- continue to receive his full base salary until Mr. Thomson returns to his duties or until one year following his termination;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days he was employed by the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and
- vesting and payment of his outstanding PSUs as set forth in the applicable equity award agreements, which provide that if termination due to death or qualifying disability occurs beyond the last day of the first fiscal year of the applicable performance period, (i) in the event of death, his estate will receive the cash value of shares of the Company’s Class A

Common Stock as soon as practicable, based on the projected performance of the Company, as determined by the Company, for all awards with less than one year remaining in the performance period, and based on target level performance otherwise, and (ii) in the event of a qualifying disability, he will receive the cash value of shares of the Company's Class A Common Stock on the applicable vesting date after the end of the relevant performance period, based on actual performance.

The Company may terminate Mr. Thomson's employment if, as a result of his incapacity and disability due to physical or mental illness, he has been absent from his duties for one year.

If Mr. Thomson's employment is terminated by the Company for cause, Mr. Thomson will be entitled to receive, subject to his execution of a general release and waiver, which may require compliance with certain restrictive covenants:

- his full base salary through the date of termination; and
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination.

For purposes of the Thomson Agreement, the term "cause" means Mr. Thomson's: (i) conviction of, or plea of guilty or *nolo contendere* to, a felony or crime involving moral turpitude; (ii) engaging in willful neglect or willful misconduct in carrying out his duties under the Thomson Agreement, which breach, if curable, remains uncured 15 days after written notice specifying such breach; (iii) breach of any material representation, warranty, covenant or term of the Thomson Agreement, including, among other things, a breach of written Company policy, which breach, if curable, remains uncured 21 days after written notice specifying such breach; (iv) act of fraud or dishonesty in the performance of his job duties; (v) intentionally engaging in conduct which impacts negatively and materially on the reputation or image of the Company, its affiliates or any of their respective products; and/or (vi) use of or addiction to illegal drugs.

If Mr. Thomson's employment is terminated by the Company other than for cause, death or disability, or by Mr. Thomson for good reason, Mr. Thomson will be entitled to receive, subject to his execution of a

general release and waiver, which may require compliance with certain restrictive covenants:

- the greater of (A) the compensation and other payments and benefits in the same manner as though Mr. Thomson continued to be employed through June 2019 and (B) his base salary and annual bonus for two years after the date of termination, with the annual bonus based on the preceding annual bonus paid to Mr. Thomson;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination; and
- continued vesting of equity awards granted prior to the date of termination in the same manner as though he continued to be employed through June 2019.

For purposes of the Thomson Agreement, the term "good reason" within the meaning of Section 409A of the Code means (i) a material breach of the Thomson Agreement by the Company, which breach, if curable, is not cured within 30 days after written notice specifying such breach, (ii) if Mr. Thomson is required to be based and essentially render services in other than the New York City metropolitan area at the Company's principal offices in such area or (iii) a material diminution in Mr. Thomson's job description, title, authority, duties or responsibility.

#### **Susan Panuccio**

Pursuant to the Panuccio Agreement, if Ms. Panuccio is terminated by reason of her death, her surviving spouse or other designee or the legal representative of her estate is entitled, subject to execution of a general release and waiver, which may require compliance with certain restrictive covenants, to:

- continue to receive her full base salary for one year following her termination;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus she would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days she was employed by

the Company in the fiscal year during which her employment terminated compared to the total number of days in such fiscal year; and

- vesting and payment of her outstanding PSUs as set forth in the applicable equity award agreements, which provide that if such termination occurs beyond the last day of the first fiscal year of the applicable performance period, her estate will receive shares or the cash value of shares of the Company's Class A Common Stock as soon as practicable, based on the projected performance of the Company, as determined by the Company, for all awards with less than one year remaining in the performance period, and based on target-level performance otherwise.

During any period that Ms. Panuccio fails to perform her duties as a result of incapacity and disability due to physical or mental illness, Ms. Panuccio is entitled to continue to receive her full base salary and benefits for up to one year until Ms. Panuccio returns to her duties or her employment is terminated by the Company pursuant to the Company's right to terminate Ms. Panuccio's employment if, as a result of her incapacity and disability due to physical or mental illness, she has been absent from her duties for seven months and is unable to provide the Company with a note from her treating physician that provides for a definite and reasonable return to work date.

If Ms. Panuccio's employment is terminated by the Company as described in the foregoing sentence, Ms. Panuccio is entitled, subject to her execution of a general release and waiver, which may require compliance with certain restrictive covenants, to vesting and payment of her outstanding PSUs as set forth in the applicable equity award agreements, which provide that if Ms. Panuccio's employment is terminated in connection with a qualifying disability and such termination occurs beyond the last day of the first fiscal year of the applicable performance period she will receive shares or the cash value of shares of the Company's Class A Common Stock on the applicable vesting date after the end of the relevant performance period, based on actual performance.

If Ms. Panuccio's employment is terminated by the Company for cause, Ms. Panuccio will be entitled to receive, subject to her execution of a general release

and waiver, which may require compliance with certain restrictive covenants:

- her full base salary and benefits through the date of termination; and
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination.

For the purpose of the Panuccio Agreement, the term "cause" means Ms. Panuccio's: (i) conviction of, or plea of guilty or *nolo contendere* to, a felony or crime involving moral turpitude; (ii) engaging in willful neglect or willful misconduct in carrying out her duties under the Panuccio Agreement, which breach, if curable, remains uncured 15 days after written notice specifying such breach; (iii) breach of any material representation, warranty, covenant or term of the Panuccio Agreement, including, among other things, a breach of written Company policy, which breach, if curable, remains uncured 21 days after written notice specifying such breach; (iv) act of fraud or dishonesty in the performance of her job duties; (v) intentionally engaging in conduct which impacts negatively and materially on the reputation or image of the Company, its affiliates or any of their respective products; and/or (vi) use of or addiction to illegal drugs.

If Ms. Panuccio's employment is terminated by the Company other than for cause, death or disability, or by Ms. Panuccio for good reason, Ms. Panuccio will be entitled to continue to receive, subject to her execution of a general release and waiver, which may require compliance with certain restrictive covenants:

- the greater of (A) her base salary and annual bonus at the pre-determined target amount in the same manner as though Ms. Panuccio continued to be employed through June 2020 and (B) her then current base salary and annual bonus at the pre-determined target amount for two years following the date of termination;
- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus she would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on

the number of days she was employed by the Company in the fiscal year during which her employment terminated compared to the total number of days in such fiscal year;

- continued vesting of equity awards granted prior to the date of termination in the same manner as though she continued to be employed through June 2020; and
- Company-paid premiums under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (“COBRA”), for her and her eligible dependents through June 2020.

For purposes of the Panuccio Agreement, the term “good reason” within the meaning of Section 409A of the Code means (i) a material breach of the Panuccio Agreement by the Company, which breach, if curable, is not cured within 30 days after written notice specifying such breach, (ii) if Ms. Panuccio is required to be based and essentially render services in areas other than within 50 miles of the New York City metropolitan area or (iii) a material diminution in Ms. Panuccio’s duties thereby diminishing her role.

#### **David B. Pitofsky**

Pursuant to the Pitofsky Agreement, if Mr. Pitofsky’s employment is terminated by reason of his death, the Company will pay directly to his surviving spouse or legal representative of his estate:

- one year’s base salary;
- for one year following the date of death, benefits or payments on account of such benefits;
- a pro rata portion of the annual bonus he would have earned, if any, for the then-current fiscal year, calculated based on the number of days Mr. Pitofsky was employed in the fiscal year of termination compared to the total number of days in such fiscal year;
- any amounts payable to his spouse, beneficiaries or estate pursuant to any pension or employee benefit plan or life insurance policy then provided to Mr. Pitofsky or maintained by the Company; and
- vesting and payment of his outstanding PSUs as set forth in the applicable equity award agreements, which provide that if

such termination occurs beyond the last day of the first fiscal year of the applicable performance period, his estate will receive shares of the Company’s Class A Common Stock as soon as practicable, based on the projected performance of the Company, as determined by the Company, for all awards with less than one year remaining in the performance period, and based on target level performance otherwise.

During any period that Mr. Pitofsky fails to perform his duties as a result of incapacity and disability due to physical or mental illness, Mr. Pitofsky is entitled to continue to receive his full base salary (for up to one year) and benefits until Mr. Pitofsky returns to his duties or his employment is terminated pursuant to the Company’s right to terminate Mr. Pitofsky’s employment if, as a result of his incapacity and disability due to physical or mental illness, he has been absent from his duties for seven months and is unable to provide the Company with a note from his treating physician that provides for a definite and reasonable return to work date.

If Mr. Pitofsky’s employment is terminated by the Company as described in the foregoing sentence, Mr. Pitofsky is entitled to vesting and payment of his outstanding PSUs as set forth in the applicable equity award agreements, which provide that if Mr. Pitofsky’s employment is terminated in connection with a qualifying disability and such termination occurs beyond the last day of the first fiscal year of the applicable performance period he will receive shares of the Company’s Class A Common Stock on the applicable vesting date after the end of the relevant performance period, based on actual performance.

If Mr. Pitofsky’s employment is terminated by the Company for cause, Mr. Pitofsky will be entitled to receive:

- his full base salary through the date of termination; and
- benefits or payments on account of such benefits through the date of termination.

For the purpose of the Pitofsky Agreement, the term “cause” is defined as Mr. Pitofsky’s: (i) conviction of, or plea of guilty or *nolo contendere* to, a felony or misdemeanor; (ii) engaging in willful neglect or willful misconduct in carrying out his duties under the agreement, which breach, if curable, remains uncured 15 days after written notice specifying such

## EXECUTIVE COMPENSATION

breach; (iii) breach of any representation, warranty, covenant or term of the agreement, including, among other things, a breach of written Company policy, which breach, if curable, remains uncured 21 days after written notice specifying such breach; (iv) act of fraud or dishonesty in the performance of his job duties; (v) intentional engaging in conduct which impacts negatively on the reputation or image of the Company, its affiliates, or any of their respective products; and/or (vi) use of or addiction to illegal drugs.

If Mr. Pitofsky's employment is terminated by the Company without cause, or by Mr. Pitofsky for good reason, Mr. Pitofsky will be entitled to continue to receive:

- the greater of (A) his compensation and other payments and benefits through the term of the agreement and (B) one year's base salary and a bonus payment in an amount equal to his target bonus;
- an amount equal to his annual bonus for the year of termination, determined based on actual performance for the year of termination, multiplied by a fraction the numerator of which is the number of calendar days in the fiscal year that have elapsed as of the date of his termination and the denominator of which is 365;
- continued vesting of his outstanding PSUs for a period of one year, unless the Compensation Committee determines to extend such vesting period beyond one year; and
- Company-paid premiums under COBRA for him and his eligible dependents for one year.

For purposes of the Pitofsky Agreement, the term "good reason" means (i) a material breach of the agreement by the Company which breach is not cured within 20 days after written notice specifying the alleged breach; (ii) if Mr. Pitofsky is required to be

based and essentially render services in areas other than within 50 miles of New York City at the principal offices of the Company; (iii) if he reports to any executive other than the CEO; or (iv) a material diminution in Mr. Pitofsky's duties.

If your shares of Class A Common Stock or Class B Common Stock are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are a stockholder of record, and the proxy materials are being sent directly to you from the Company.

If your shares of Class A Common Stock or Class B Common Stock are held in "street name," meaning your shares of Class A Common Stock or Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of these shares and the proxy materials are

being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record with respect to such shares. As the beneficial owner of Class B Common Stock as of the Record Date, you have the right to direct your broker, bank or nominee on how to vote and you will receive instructions from your broker, bank or other nominee describing how to vote your shares of Class B Common Stock.

### **When is the Record Date?**

The Board has fixed the close of business on September 18, 2017 as the Record Date for determining which of the Company's stockholders are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof in person or by proxy.

### **How do I inspect the list of stockholders of record?**

A list of the stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and at the Company's principal executive offices during the ten days prior to the Annual Meeting.

### **What does it mean to give a proxy?**

The persons named on the proxy card and on the Company's voting website at [www.proxyvote.com](http://www.proxyvote.com) (the "proxy holders") have been designated by the Board to vote the shares represented by proxy at the Annual Meeting. The proxy holders are officers of the Company. They will vote the shares represented by each properly executed and timely received proxy in accordance with the stockholder's instructions, or, if no instructions are specified, the shares represented by the proxy will be voted "FOR" all nominees listed in Proposal 1 and "FOR" Proposals 2 and 3 in accordance with the recommendations of the Board as described in this proxy statement. If any other matter properly comes before the Annual Meeting or any adjournment or postponement thereof, the proxy holders will vote on that matter in their discretion.

If you are submitting a proxy for your shares by telephone or Internet, you should have in hand when you call or access the website, as applicable, the Notice of Internet Availability or the proxy card or voting instruction form (for those holders who have received a hard copy of the proxy card or voting instruction form). ### Can I vote in person at the Annual Meeting?

While the Company encourages stockholders to vote in advance by proxy, holders of Class B Common Stock also have the option of attending the Annual Meeting and voting their shares of Class B Common Stock in person at the Annual Meeting. **All of the Company's stockholders and all holders of CDIs exchangeable for shares of Common Stock are invited to attend the Annual Meeting, subject to compliance with the procedures further described below under "—Attending the Annual Meeting," but only holders of Class B Common Stock may vote in person at the Annual Meeting.**

If you are a beneficial holder of Class B Common Stock that intends to vote in person at the Annual Meeting, you must obtain and provide when you request an admission ticket a properly executed proxy issued in your name from the stockholder of record (*i.e.*, your broker, bank or other nominee) giving you the right to vote the shares of Class B Common Stock.

Holders of Class B CDIs may attend the Annual Meeting and vote in advance via Internet or mail, but may not vote in person at the Annual Meeting.

**How can I revoke a proxy or change my vote?**

If you are a stockholder of record of Class B Common Stock, you may change your vote or revoke your proxy at any time prior to the voting at the Annual Meeting:

- by notifying in writing our Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036;
- by attending the Annual Meeting and voting in person (your attendance at the Annual Meeting will not by itself revoke your proxy);
- by submitting a later-dated proxy card; or
- if you submitted a proxy by telephone or Internet, by submitting a subsequent proxy by telephone or Internet.

If you are a beneficial owner of Class B Common Stock and have instructed a broker, bank or other nominee to vote your shares, you may follow the directions received from your broker, bank or other nominee to change or revoke those instructions.

Class B CDI holders may change prior voting instructions by submitting a later-dated voting instruction form before 5:00 p.m. (Australian Eastern Daylight Time) on November 10, 2017. Revocation of prior voting instructions must be submitted in writing and received before 5:00 p.m. (Australian Eastern Daylight Time) on November 10, 2017.

**How many shares must be represented in person or by proxy to hold the Annual Meeting?**

In order for the Company to conduct the Annual Meeting, the holders of a majority in voting power of all of the outstanding shares of the stock entitled to vote as of the Record Date (a "quorum") must be present in person or represented by proxy at the Annual Meeting. Abstentions and broker non-votes (as described below) will be counted for purposes of establishing a quorum at the Annual Meeting. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares or CDIs by telephone or Internet to ensure that they will be represented at the Annual Meeting if you are unable to attend and so that the Company will know as soon as possible that enough votes will be present for the Annual Meeting to be held.

**What votes are required to approve each of the proposals?**

*Election of Directors.* In an uncontested election, each Director shall be elected by a majority of the votes cast. This means that the number of votes cast "FOR" a Director's election must exceed the number of votes cast "AGAINST" that Director's election. Abstentions and broker non-votes will not be counted as a vote cast either "FOR" or "AGAINST" with respect to the Director or Directors indicated. In a contested election where the number of nominees for Director exceeds the number of Directors to be elected, each Director shall be elected by a plurality of the votes cast. The election of the 11 Director nominees at the Annual Meeting will be an uncontested election.

*Ratification of Selection of Independent Registered Public Accounting Firm.* Ratification of the selection of E&Y as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2018 requires a majority of the votes cast at the Annual Meeting to be voted "FOR" the proposal. Abstentions and broker non-votes will not be counted as a vote cast either "FOR" or "AGAINST" this proposal.

*Advisory Vote to Approve Executive Compensation.* We will consider this proposal to be approved, on an advisory basis, if a majority of the votes cast at the Annual Meeting is voted "FOR" the proposal. Abstentions and broker non-votes will not be counted as a vote cast either "FOR" or "AGAINST" this proposal.

**What is a broker non-vote?**

A "broker non-vote" occurs when you do not give instructions to your broker, bank or nominee of shares you beneficially own in "street name" on how to vote your shares of Class B Common Stock or CDIs. In these circumstances, if you do not provide voting instructions, the broker, bank or nominee may nevertheless vote your shares on your behalf with respect to the ratification of the selection of E&Y as the Company's independent registered public accounting firm (because that is considered to be a "routine" proposal), but cannot vote your shares on any other matters being considered at the Annual Meeting (because they are considered to be "non-routine" proposals).
