TERMINATION BY EDF OF THE LTSA

Paladin Energy Limited (Administrators Appointed) ("PEL") refers to its announcement on 3 July 2017 regarding PEL's payment obligation to Electricite de France S.A. ("EDF") under the Long Term Supply Agreement ("LTSA") between EDF and PEL dated 8 June 2012.

EDF has now given notice terminating the LTSA on the basis that PEL had failed to repay approximately US\$277m by 9 October 2017, being the due date for cure of the default. EDF remains a creditor in the administration.
