

## ASX RELEASE

6 December 2017

### Sophisticated Investor research report on Scout Security

Home security provider Scout Security Limited ((ASX: SCT), "Scout" or "the Company") is pleased to announce the initiation of coverage by The Sophisticated Investor ("TSI") with the release of a research report.

The research report by TSI includes a series of short videos on Scout Security, its operations, products, technology and the home security market.

These are available to view on the 'Investors' section of the Company's website:

<https://www.scoutalarm.com/>

The report and videos cover:

- **TSI Analysis**
  - A detailed valuation and investment analysis
  - Merger & acquisition activity in the Internet of Things and security sectors
  - Assessment of risks in the smart home sector
- **Operations**
  - Scout's software and service platform
  - Distribution agreements
- **Technology, Products and Market**
  - Security market overview - USA
  - Review of the Internet of Things and how it is changing home security

Scout Security commissioned TSI to produce this report to better inform and educate investors about the Company, its business model and Scout's position as a smart DIY security provider in the rapidly developing connected home market.

**About Scout Security Limited**

**Scout Security Limited (ASX: SCT)** sells the Scout Alarm, a self-installed, wireless home security system that is making security more modern, open and affordable. In 2016, the Scout system was recognised by CNet as one of the Best Smart Home Devices of the year.

Scout's design-centric offering gives users complete flexibility around connected home security, allowing the system to integrate with other best-in-class IoT devices and offering flexible monitoring options.

Scout is an official partner of Amazon Alexa, Google's Works With Nest and Samsung SmartThings. Scout is also an Amazon Alexa Fund portfolio company.
