## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

---

### 11. RESOLUTIONS 1 & 2 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES

#### 11.1 General

On 10 October 2017, the Company agreed terms for a placement of 428,571,457 Shares at an issue price of \$0.0035 per Share to raise \$1,500,000 (**Placement**). The Shares were issued in two tranches, with 371,428,600 Shares issued on 17 October 2017 and 57,142,857 Shares issued on 18 October 2017.

Out of the total number of Shares issued under the Placement, 228,571,457 Shares were issued under the Company's 15% placement capacity under ASX Listing Rule 7.1, and 200,000,000 Shares were issued under the Company's 10% placement capacity under ASX Listing Rule 7.1A which was approved by Shareholders at the annual general meeting held on 31 May 2017.

Resolutions 1 and 2 seek Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares (**Ratification**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

ASX Listing Rules 7.1A provides that, in addition to issues of securities permitted without prior shareholder approval under ASX Listing Rule 7.1, an entity that is eligible and which has obtained Shareholder approval under ASX Listing Rule 7.1A may issue or agree to issue, during the period in which approval is valid, a number of equity securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted in accordance with the formula in ASX Listing Rule 7.1.

Where an eligible entity obtains shareholder approval to increase its placement capacity under ASX Listing Rule 7.1A then any ordinary securities issued under that additional placement capacity:

- (a) will not be counted in variable "A" in the formula in ASX Listing Rule 7.1A; and
- (b) are counted in variable "E",

until their issue has been ratified under ASX Listing Rule 7.4 (and provided that the previous issue did not breach ASX Listing Rule 7.1A) or 12 months has passed since their issue.

By ratifying the issue, the subject of Resolutions 1 and 2, the base figure (ie variable "A") in which the Company's 15% and 10% annual placement capacities are calculated will be a higher number which in turn will allow a proportionately higher number of securities to be issued without prior Shareholder approval.

(d) **Deferred Rights**

Vesting of Deferred Rights will be based on completion of a certain period of service with the Company.

Where a tranche of Deferred Rights vest, the total value of the vesting Deferred Rights (**Total Value**) will be paid in cash (\$1,000 per tranche that vests) and the remaining balance in Shares based on the VWAP of the Shares over the 10 trading days immediately prior to end of the Measurement Period (**Vesting Share Price**).

The Total Value is determined by multiplying the relevant number of vested Deferred Rights by the relevant Vesting Share Price.

If Deferred Rights have not vested and there is no opportunity for those Deferred Rights to vest at a later date then they lapse. Typically, this will be at the end of the Measurement Period for Deferred Rights, if they fail to vest.

There are no performance related vesting conditions as Guideline 8 in the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations" indicates that Non-Executive Directors should not participate in incentive schemes designed for executives. Executive incentive schemes generally involve performance vesting conditions, as is the case under the Company's current Incentive Rights Plan. Also, ASX Listing Rule 10.17.2 prescribes that Non-Executive Director remuneration should be a fixed sum.

(e) **Withdrawal of Offers**

The Board may withdraw an offer of Deferred Rights at any time including after it has been accepted provided that the Company has not already granted the Deferred Rights.

(f) **Restriction on Transfer**

A Deferred Right may not be transferred or otherwise dealt with and lapses immediately on a purported transfer or dealing unless the Board approves the transfer or the dealing, or the transfer is effected by operation of law on death or legal incapacity of the participant's legal personal representative.

(g) **Shares**

All Shares issued upon vesting and exercise of the Deferred Rights may not be sold or otherwise disposed of until first advised by the Company, which the Company will do immediately upon Shares being capable of being sold without breaching the insider trading provisions of the Corporations Act or the Company's share trading policy. All Shares issued will otherwise rank equally in all respects with the other fully paid ordinary shares on issue.

(h) **Bonus Issue and Pro-Rata Issues**

In the event of a bonus issue of Shares, the number of Deferred Rights held by a participant shall increase by the number of bonus Shares that the participant would have received if the Deferred Rights were Shares.

Subject to any requirements of the Corporations Act and the ASX Listing Rules, in the case of a pro-rata issue of Shares, there will be no adjustment to the Deferred Rights. However, the Board may consider issuing Options of a number up to the number of Shares to which the Participant would have been entitled under the pro-rata issue, had the Deferred Rights been Shares. The exercise price of such Options will be equal to the amount payable by Shareholders to acquire a Share pursuant to that pro-rata issue.

(i) **Capital Reconstructions**

Subject to any requirements of the Corporations Act and the ASX Listing Rules, in the case of other capital reconstructions the Board may make such adjustments to the Deferred Rights as it considers appropriate with a view to ensuring that holders of Incentive Rights are neither advantaged nor disadvantaged.

(j) **Termination of Employment**

Upon the termination of employment, the Deferred Rights will be treated as follows:

- (i) **(Dismissal with cause)**: in the event that the participant is dismissed with cause, all Deferred Rights are forfeited;
- (ii) **(Resignation other than retirement)**: if the participant resigns, all Deferred Rights are forfeited (unless otherwise determined by the Board);
- (iii) **(Death, Disablement or Retirement)**: Upon death, total permanent disablement or permanent retirement, all unvested Deferred Rights will lapse unless otherwise determined by the Board. In exercising this discretion the Board shall have regard to the remuneration period to which the grant of Deferred Rights relates and the portion of such period that remains.

Deferred Rights not forfeited cannot vest if the former Non-Executive Director has engaged in any communication, conduct or activities that have or may injure the reputation or business interests or operations of the Company.

If the Share price at the date of testing is more than the Share price at the date of termination then all unvested Deferred Rights will vest. In the event that Deferred Rights forfeit because the Share Price at the testing date is less than the Share price at the date of termination, then the Board may determine to pay a cash bonus (not to exceed the value that would otherwise have been received if the Deferred Rights vested).

(k) **Change in Control Including Takeover**

In the event of a change in control of the Company, including a takeover, unvested Deferred Rights will vest.

(l) **Distribution of Capital to Shareholders**

In the event that the Board decides to declare a special dividend or undertake a return of capital to Shareholders, the Board may determine that some or all of the unvested Deferred Rights shall vest or lapse.

The Company's remuneration policy for long term incentives is discussed in detail in the Company's 2016 annual report.

Resolutions 7, 8 and 9 are being put to Shareholders to seek approval for the issue of the Incentive Rights and Deferred Rights pursuant to ASX Listing Rule 10.14.

### **16.3 ASX Listing Rule 10.14**

ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

The issue of the Incentive Rights and Deferred Rights involves the issue of securities to Directors, therefore Shareholder approval is required pursuant to ASX Listing Rule 10.14.

### **16.4 Chapter 2E**

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Incentive Rights and Deferred Rights constitutes the giving of a financial benefit to the Directors of the Company.

The Board has considered the application of Chapter 2E of the Corporations Act and has resolved that the reasonable remuneration exception provided by Section 211 of the Corporations Act is relevant in the circumstances and accordingly, the Company will not seek approval for the issue of Incentive Rights and the Deferred Rights pursuant to Section 208 of the Corporations Act.

### **16.5 Technical information required ASX Listing Rule 10.15**

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of Incentive Rights and Deferred Rights:

- (a) the related parties are Christopher Gale, David Vilensky and Brent Jones, who are related parties by virtue of being Directors;

## 17. RESOLUTION 10 – ISSUE OF SHARES

### 17.1 General

Resolution 10 seeks Shareholder approval, under ASX Listing Rule 7.1, for the Company to issue up to 200,000,000 Shares (**Future Issue Shares**).

A summary of ASX Listing Rule 7.1 is set out in section 11.1 above.

The effect of Resolution 10 will be to allow the Company to issue the Future Issue Shares pursuant to Resolution 10 during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

## 17.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 10:

- (a) the maximum number of Future Issue Shares to be issued is 200,000,000 Future Issue Shares;
- (b) the Future Issue Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Future Issue Shares will occur progressively;
- (c) the issue price will be not less than 80% of the volume weighted average market price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a disclosure document, over the last 5 days on which sales in the securities were recorded before the date the disclosure document is signed;
- (d) the Directors will determine to whom the Future Issue Shares will be issued but these persons will not be related parties of the Company;
- (e) the Future Issue Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (f) the Company intends to use the funds raised from the issue of the Future Issue Shares:
  - (i) for general working capital, including any development expenses associated with its exploration projects and repayment of debt;
  - (ii) as consideration for, or to develop, any acquisitions of new resources, assets and investments that the Company may undertake (although none are currently planned) including expenses associated with such an acquisition; and
  - (iii) to work on the lithium targets identified in Argentina and maintain the Company's Peruvian mineral properties in good standing.

## 17.3 Dilution

Assuming no Options are exercised or other Shares issued and the maximum number of Future Issue Shares as set out above are issued, the number of Shares on issue would increase from 2,622,366,170 (being the number of Shares on issue as at the date of this Notice) to 2,822,366,170 and the shareholding of existing Shareholders would be diluted by 7.08%.
