Iluka Resources Ltd (Iluka) has introduced a new Dividend Reinvestment Plan ("the new Plan"), under which eligible shareholders are able to invest all or a portion of their dividend entitlements in additional Iluka shares. The previous Iluka dividend reinvestment plan (introduced in 2007) was suspended in 2010 and has been terminated by the Board of Directors.

The new Plan will operate with effect from 28 March 2018, being the record date for the final dividend payable in respect of the period ended 31 December 2017.

A complete copy of the rules of the new Plan is attached. Also attached is the Chairman's Letter and Shareholder Information Booklet outlining key features of the new Plan. A copy of the rules of the new Plan, Chairman's Letter, and Shareholder Information Booklet can also be obtained from the Investors and Media section of the Iluka website, <http://www.iluka.com/investors-media/shares-dividends>.

Materials regarding the new Plan will be dispatched to eligible shareholders shortly together with a participation form to enable them to nominate their level of participation. The participation form will also be available on the Computershare Investor Services Pty Limited website, [www.computershare.com.au/easyupdate/ilu](http://www.computershare.com.au/easyupdate/ilu).

Participation forms will need to be received by 5.00pm (AEDT) on 29 March 2018 in order to be effective for the 2017 final dividend.

## ILUKA DIVIDEND REINVESTMENT PLAN

Dear Shareholder

We are pleased to announce the introduction of a new Dividend Reinvestment Plan (**DRP**) allowing all eligible shareholders to reinvest either all or part of your dividend payments into additional fully paid Iluka shares.

### Key features of the **DRP**

- The **DRP** is a convenient way to increase your holding of Iluka shares.
- Shares acquired by shareholders under the **DRP** are free of brokerage, commission or other transaction costs.
- **DRP** participation does not affect your eligibility for any franking credits.
- Participation in the **DRP** is optional and available to shareholders with registered addresses in Australia.
- You may apply the **DRP** to part or all of your total shareholding and there is no minimum or maximum limit on the number of your shares that may participate.
- You may join, vary your participation in, or withdraw from, the **DRP** at any time, subject to adequate notice being given.
- Shares allocated to you under the **DRP** rank equally with existing shares.
- Once you elect to participate, the **DRP** will continue to apply for future dividend payments, unless you advise otherwise or unless the **DRP** is suspended or terminated by the Board.

The **DRP** will be available for the 2017 final dividend, payable on 23 April 2018.

Iluka expects shares allocated to participants in the **DRP** for the 2017 final dividend to be by way of an issue of new shares to participating shareholders. A discount of 1.5% will apply to the allocation price for the 2017 final dividend under the **DRP**. The issue price will be the arithmetic average of the daily volume-weighted average price of Iluka shares over the 10 trading days commencing on 3 April 2018, calculated in accordance with the **DRP** Rules.

For further information on the **DRP** including the Rules of the **DRP**, please visit our website <http://www.iluka.com/investors-media/shares-dividends>. Answers to some frequently asked questions are also provided in the accompanying Shareholder Information Booklet.

Iluka recommends you seek financial advice and read the full terms and conditions set out in the **DRP** Rules before deciding whether to participate.

In order to participate in the DRP for the 2017 final dividend, you will need to ensure your DRP participation form is received, or your online election is made, by no later than 5pm (AEDT) on 29 March 2018.

Any elections made under the previous Dividend Reinvestment Plan will be invalid and a new election will be required.

You can make your election online by visiting [www.computershare.com.au/easyupdate/ilu](http://www.computershare.com.au/easyupdate/ilu). Alternatively, a DRP participation form accompanies this letter.

For more information please visit <http://www.iluka.com/investors-media/shares-dividends> or contact the Company's share registry, Computershare, by phone on 1300 733 043 (within Australia) or +61 3 9415 4801 (outside Australia).

## Dividend Reinvestment Plan (DRP)

### What is the DRP?

The DRP enables you, as a shareholder in Iluka Resources Limited (**Iluka**), to reinvest all or part of any dividend paid on your shares in additional Iluka shares instead of receiving that dividend in cash.

Your participation in the DRP is entirely optional.

If you elect to reinvest your dividends, additional shares will be allocated to you on the date for payment of that dividend. You will receive a dividend notice setting out the number of shares allocated to you, the price per share and other information relevant to the dividend.

### Who can participate?

All shareholders of fully paid Iluka ordinary shares who are resident in, and whose address on the register of shareholders at the relevant dividend record date is in Australia may participate in the DRP, subject to certain limits set out in the DRP Rules.

### How do I participate in the DRP?

If you wish to participate in the DRP, we encourage you to make your election online at [www.computershare.com.au/easyupdate/ilu](http://www.computershare.com.au/easyupdate/ilu).

Alternatively, please complete and sign the DRP participation form and return it to the Company's share registry at the address below. If a DRP participation form does not accompany this booklet, please contact the Company's share registry:

**Computershare Investor Services Pty Limited**  
**GPO Box 2975**  
**Melbourne VIC 3001**  
**(Within Australia) 1300 733 043**  
**(Outside Australia) +61 3 9415 4801**

DRP participation forms must be received, or online elections made, by 5:00pm (AEDT) on the first business day following the record date for a dividend.

## Can I participate in the DRP for some of my shares?

Yes, you can nominate all of your shares or a specific number of your shares to participate in the DRP.

**Full participation:** If you elect full participation, dividends on all of your shares will be reinvested in acquiring new shares. Dividends on any shares you may acquire in the future will also be reinvested in this way (including dividends on any additional shares you acquire under the DRP).

**Partial Participation:** If you elect partial participation, you nominate a number of your shares which participate in the DRP. Only the dividends paid on those shares that you nominate will be reinvested. For shares not participating in the DRP, dividends will be paid in the usual way.

If your DRP participation form or online election does not clearly indicate the level of participation in the DRP, it will be deemed to be an application for full participation.

## Is there a minimum or maximum participation level?

Iluka has the discretion under the DRP Rules to introduce a minimum or maximum participation level. For the 2017 final dividend there is no maximum or minimum participation level.

## When will my participation begin?

Your participation in the DRP will begin with the first dividend payment after receipt of your online election or participation form. Your election must be received by 5.00pm (AEDT) on the first business day following the relevant record date to be effective for that dividend.

For elections received after the DRP election date for a particular dividend, your participation will begin from the first dividend record date after receipt of your online election or participation form.

## What happens if I have more than one shareholding?

You must make a separate election for each shareholding registered under different names or holding numbers by either making an online election or submitting a separate participation form for each shareholding.

### Can I change my participation at any time?

Yes. Simply notify the share registry online or submit a new participation form. The change will be effective for the next dividend payment, provided that the election is received by 5.00pm (AEDT) on the business day following the relevant dividend record date for that dividend. If your change is received after that date, the change will not be effective until the following dividend.

Iluka will announce the relevant dividend record date and DRP election cut-off date for each dividend to the ASX and on the Iluka website at the time it announces the dividend.

### Can I withdraw from the DRP?

Yes. Simply notify the share registry online or submit a termination form. The termination will be effective from the next dividend payment, provided that the notice is received by 5.00pm (AEDT) on the business day following the relevant dividend record date for that dividend. If your termination form notice is received after that date, the change will not be effective until the next dividend.

If you do wish to terminate from the DRP, we encourage you to make your termination election online at [www.computershare.com.au/easyupdate/ilu](http://www.computershare.com.au/easyupdate/ilu), or contact Computershare.

### At what price will the shares be allocated?

Shares will be allocated at the arithmetic average of the daily volume-weighted average price of Iluka shares over a period of at least 10 trading days (**Allocation Price**) following the election cut-off date, in accordance with the DRP Rules. The Allocation Price may be reduced by a discount, which the Board may determine from time to time and announce to the ASX. For the 2017 final dividend, Iluka intends to offer a discount of 1.5% to the Allocation Price.

### Will the shares allocated under the DRP be new or existing shares?

Under the DRP Rules, the Company can choose to issue new shares or acquire existing shares on market (or a combination of these two options) to satisfy its obligation to allocate shares to shareholders participating in the DRP.

## How will my DRP shares be treated for subsequent dividend payments?

**Full participation:** If you elect for all of your shares to participate in the DRP, all shares held by you at each dividend record date will be treated as participating in the DRP, including any shares previously acquired under the DRP.

**Partial participation:** If you elect for only some of your shares to participate in the DRP, only the number of shares you have specified will be treated as participating in the DRP. If you hold less shares than the number of shares you have specified in the participation form/election, then the dividends on the shares that you actually hold will be reinvested.

The number of shares that will be treated as participating in the DRP may be limited if Iluka elects to introduce a minimum or maximum participation limit.

## What will it cost me to participate?

Nothing. No brokerage fees, commission or other transaction costs will be payable for any shares allocated under the DRP.

## Can I sell my shares when I choose?

Yes. You can sell any or all of your shares at any time. However, if you sell all of your shares, your participation in the DRP will cease with effect from the date Iluka registers a transfer or instrument of disposal of your holding.

If you elect for full participation and then sell some of your shares, the dividends on your remaining shares will continue to be reinvested under the DRP. If you elect for partial participation and then sell some of your shares, the number of shares sold will be deemed to the full extent possible to be non-participating shares and the balance, if any, will be deemed to be participating shares under the DRP.

## Will I still receive franking credits on my dividends?

Yes. Participation in the DRP does not affect your eligibility for any franking credits.

### What about taxation?

For Australian shareholders, the Australian Taxation Office currently treats dividends reinvested under the DRP in the same way as cash dividends received on shares which are not participating in the DRP. These comments are general in nature only. You should seek professional taxation advice in relation to your individual circumstances.

### Will I receive a dividend statement?

After each allocation of shares under the DRP, a dividend statement will be provided to you in accordance with the manner you ordinarily receive notices from Iluka showing full details of shares allocated to you under the DRP. This statement should be kept for your taxation purposes.

### Can the DRP be modified, suspended or cancelled?

Iluka may vary the rules, alter, suspend or terminate the DRP at any time by notification on the Company's website and by notifying the ASX.

### What happens to any residual value after each dividend?

The application of the dividend reinvestment formula normally results in a residual amount. This is because your dividend amount will be used to acquire a whole number of shares, usually leaving a residual amount which is less than the price of one Iluka share.

For each dividend, if there is a residual amount, then the residual amount on each dividend will be carried forward, without interest, and added to your next dividend.

### What happens if I leave the DRP?

If you cease to participate in the DRP for any reason, or the DRP is suspended or terminated by Iluka, any positive residual balance in your DRP account will be paid to you.

### **How do I find out about Iluka's historic dividend amounts?**

Historic information about Iluka's declared dividends and DRP prices are available on the dividend page of the website at <http://www.iluka.com/investors-media/shares-dividends>.

### **Need more information?**

If you have further questions (other than on taxation) about how the DRP operates and how you can participate, please contact Computershare on 1300 733 043 (within Australia) or +61 3 9415 4801 (outside Australia).

## 2 Commencement of the DRP

---

The DRP and these Rules will commence operation on such date as the Company in its sole discretion determines.

## 3 Eligibility to participate

---

- (a) The Company may from time to time invite Shareholders to participate in the DRP.
- (b) Participation in the DRP is subject to these Rules.
- (c) Participation in the DRP by Eligible Shareholders:
- (1) is optional and voluntary;
  - (2) is not transferable; and
  - (3) may be varied or terminated at any time in accordance with rule 14.
- (d) Subject to rules 3(e) and (f), an **Eligible Shareholder** is, in respect of a particular Dividend Record Date, a person who, at that Dividend Record Date, was recorded in the Company's share register as a registered holder of at least the Minimum Participating Holding (if any) and whose address in the Company's share register at the relevant Dividend Record Date:
- (1) is in Australia ; or
  - (2) is in a jurisdiction in which the Company is satisfied that the offer and issue or transfer of Shares under the DRP is lawful and practicable, provided that the Board may determine that:
    - (3) a Shareholder, or a class of Shareholders, are not Eligible Shareholders if they are, or hold Shares on behalf of other persons who are, resident outside the jurisdictions mentioned in paragraphs (1) and (2) above; and
    - (4) a Shareholder, or a class of Shareholders, are Eligible Shareholders notwithstanding that they are resident outside the jurisdictions mentioned in paragraphs (1) and (2) above.
- (e) The Board is entitled to make a final determination as to whether or not any particular Shareholder is an Eligible Shareholder for the purposes of these Rules, and to change any such determination, as and when it sees fit. In making this determination, the Board may consider, among other things, whether such participation would or may be impracticable, impossible or illegal and any actual or anticipated inconvenience or expense in allowing, or investigating the possibility of allowing, such participation.

- (f) The Board has the discretion to refuse to accept any person's Shares for participation in the DRP and to suspend or withdraw any person's Shares from participation (including declining to issue or transfer or reducing the issue or transfer of Shares under the DRP to a Participant) if the Company considers that the participation of those Shares might:
- (1) breach any law of Australia including the *Foreign Acquisitions and Takeovers Act 1975* (Cth), the Listing Rules or the Constitution; or
  - (2) prejudice the effective operation of the DRP; or
  - (3) be undesirable or impractical.
- (g) It is the responsibility of each Shareholder to obtain any necessary approvals to enable that Shareholder to participate in the DRP.

#### 4 Multiple holdings

---

- (a) Where an Eligible Shareholder has more than one holding of Shares:
- (1) each holding will be treated as separate for the purposes of the DRP, such that a separate Participation Notice must be lodged with respect to each separate holding that is to participate; and
  - (2) these Rules will apply as if each such holding were held by a separate Participant,
- unless the Board determines otherwise.
- (b) If Shares are jointly held by two or more Eligible Shareholders, all joint holders of such Shares must sign a single Participation Notice for it to be valid. If one or more of the joint holders of the Shares is not an Eligible Shareholder, none of the joint holders can apply to participate in the DRP with respect to the Shares jointly held.

#### 5 Broker, trustee or nominee accounts

---

- If:
- (a) a shareholding account appearing in the Company's share register relates to a:
- (1) broker's clearing account;
  - (2) trustee; or
  - (3) nominee; and

For personal use only

- (b) the broker, trustee or nominee notifies the Company:
- (1) that the relevant Shares are held for a number of different persons; and
  - (2) specifies the number of Shares held for each of such persons as at a particular Dividend Record Date (although the names of such persons need not be specified),

then the Board may determine that each such holding shall, as at that Dividend Record Date, be taken to represent a separate Shareholder for the purpose of the Minimum Participating Holding (if any) and the Maximum Participating Holding (if any), and these Rules will be read and interpreted accordingly.

## 6 Application to participate

---

- (a) Subject to the discretion of the Company, an application to participate in the DRP must be made by submitting a Participation Notice in accordance with rule 19. An Eligible Shareholder's participation in the DRP will take effect in accordance with rule 19(b).
- (b) A Participation Notice validly submitted or otherwise accepted by the Company remains in effect until:
  - (1) the Participant varies or terminates participation in the DRP under these Rules;
  - (2) the Company terminates the DRP under rule 16; or
  - (3) the Participant ceases to be an Eligible Shareholder under rule 3, in which case the Participation Notice will become effective again if and at such time as the Shareholder recommences to be an Eligible Shareholder.

## 7 Extent of participation

---

- (a) Participation may be either full or partial. A Participation Notice must specify whether the Shareholder has elected Full Participation or Partial Participation, and if Partial Participation is elected, the Participation Notice must clearly specify the number of Shares that are to be Participating Shares.
- (b) **Full Participation** means that all Shares registered in the Participant's name from time to time (subject to the Maximum Participating Holding (if any)) are Participating Shares. Where a Shareholder has elected Full Participation, all Shares subsequently acquired and held by that Participant (whether under the DRP or otherwise) will be Participating Shares, subject to:
  - (1) the Requirements;
  - (2) any later Participation Notice submitted by that Participant; and
  - (3) the Maximum Participating Holding (if any).

- (c) **Partial Participation** means that only the number of Shares specified as participating in the Participation Notice by the Shareholder are Participating Shares (subject to the Maximum Participating Holding (if any)). However, if at the relevant Dividend Record Date the number of Shares held by the Participant is less than the specified number of Shares, the DRP applies to the lesser number of Shares (and the Participant is deemed to have lodged a Participation Notice to this effect for the relevant Dividend). This means that, where a Shareholder has elected Partial Participation, Shares in excess of the number specified as participating that are subsequently acquired by that Shareholder (whether under the DRP or otherwise), will not participate in the DRP unless that Shareholder submits a further Participation Notice in accordance with rule 14.
- (d) If a Participation Notice does not, in the opinion of the Company, clearly indicate the level of participation in the DRP, it will be deemed to be an application for Full Participation.
- (e) The Company shall not be liable to any Eligible Shareholder for any loss, damage or claim in respect of that Eligible Shareholder's participation as a result of the operation of rules 7(b), (c) or (d).

## 8 Minimum Participating Holding and Maximum Participating Holding

---

- (a) The Company may determine a minimum permitted number of Participating Shares per Participant (whether in respect of a particular Dividend or Dividends generally) from time to time by notification on the Company's website and by notice to ASX.
- (b) To the extent that a Participation Notice has specified a number of Participating Shares less than a prevailing Minimum Participating Holding (including an election of Full Participation where the number of Participating Shares would otherwise be less than that limit), for so long as the Minimum Participating Holding applies:
- (1) the number of Participating Shares for that Participant for the purposes of these Rules is deemed to be zero; and
  - (2) any Shares specified in the Participation Notice as Participating Shares are deemed not to be Participating Shares, and any Dividend payable in respect of them will be paid by the Company in accordance with its usual arrangements for the payment of Dividends.
- (c) The Company may determine a maximum permitted number of Participating Shares per Participant (whether in respect of a particular Dividend or Dividends generally) from time to time by notification on the Company's website and by notice to ASX.

- (d) To the extent that a Participation Notice has specified a number of Participating Shares in excess of the prevailing Maximum Participating Holding (including an election of Full Participation where the number of Participating Shares would otherwise exceed that limit), for so long as the Maximum Participating Holding applies:
- (1) the number of Participating Shares for that Participant for the purposes of these Rules is deemed to be the Maximum Participating Holding; and
  - (2) any Shares specified in the Participation Notice as Participating Shares in excess of the Maximum Participating Holding are deemed not to be Participating Shares, and any Dividend payable in respect of them will be paid by the Company in accordance with its usual arrangements for the payment of Dividends.

## 9 Reinvestment of Dividends and residual balances

---

- (a) Each Dividend Payment payable to a Participant in respect of Participating Shares will be applied by the Company on the Participant's behalf in acquiring additional Shares by issue or transfer in accordance with these Rules.
- (b) A Dividend payable in respect of Participating Shares is not available for reinvestment under the DRP to the extent that the Company is entitled to and does retain or otherwise deals with the Dividend in accordance with its Constitution or any legal requirements (including withholding tax).
- (c) The Company will establish and maintain a DRP account for each Participant. In respect of each Dividend payable to a Participant, the Company will:
  - (1) determine the Dividend Payment in respect of that Participant's Participating Shares;
  - (2) credit the amount in rule 9(c)(1) to the Participant's DRP account, and that payment constitutes payment of the Dividend on the Participant's Participating Shares;
  - (3) determine the maximum whole number of additional Shares which may be acquired under the DRP at the Allocation Price by dividing the amount in the Participant's DRP account by the Allocation Price and rounding that number down to the nearest whole number;
