### 1. CORPORATE INFORMATION

The financial statements of LiveHire Limited (referred to as ‘LiveHire’ or the ‘Company’) for the half year ended 31 December 2017 (the ‘Period’) were authorised for issue in accordance with a resolution of the directors on 27<sup>th</sup> February 2018 and covers LiveHire as an entity as required by the *Corporations Act 2001*. LiveHire is a for-profit entity for the purpose of preparing these financial statements.

The financial statements are presented in Australian dollars.

LiveHire is a company limited by shares incorporated in Australia whose shares are publicly traded on the Australian Securities Exchange (listed on ASX on 8 June 2016).

The address of the registered office and principal place of business is Level 10, 461 Bourke Street, Melbourne VIC 3000.

### 2. BASIS OF PREPARATION

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

#### Basis of Preparation

These interim financial statements for the half-year reporting period ended 31 December 2017 are a general purpose financial statements, prepared by a ‘for profit’ entity, in accordance with Australian Accounting Standard 134 *Interim Financial Reporting* and the Australian Corporations Act 2001. They also comply with International Financial Reporting Standards (IFRS) and Interpretations published by the International Accounting Standards Board (IASB).

These half-year financial statements do not include all the notes of the type normally included in annual financial statements and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the entity as the full financial statements. Accordingly, these half-year financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2017 and any public announcements made by LiveHire Limited during the half-year reporting period in accordance with the continuous disclosure requirements of the Australian *Corporations Act 2001*.

Except for cash flow information, the financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company’s accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in Note 3.

The accounts have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

## Notes to the Financial Statements

### 3. KEY JUDGEMENTS AND ESTIMATES

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. As disclosed in the annual report the areas of judgement include:

- Intangible Assets
- Share-Based Payments

### 4. CHANGES IN ACCOUNTING POLICIES

The accounting policies and methods of computation adopted in the preparation of these financial statements for the Period under review are consistent with those adopted in the annual financial statements for the year ended 30 June 2017.

Significant and other accounting policies that summarise the measurement basis used and are relevant to an understanding of the financial statements are provided throughout the notes to the financial statements.

The Australian Accounting Standards Board (AASB) has issued a number of new standards which become effective from 1 January 2018 (financial year ending 30 June 2019 for the Company). The Company has formed a working group to assess any potential impact resulting from the application of the new standards, including prior year comparative disclosure. The Company has not yet finalised the quantification of any impact, which, include the impact on the prior year, will be disclosed in the financial statements for the year ending 30 June 2019.

### 5. SEGMENT INFORMATION

Activities in the operating segments are identified by management based on the way resources are allocated, the nature of the resources provided and the identity of service line manager and area of income and expenditure. Discrete financial information about each of these areas is reported to the executive management team monthly.

Management has determined that the entity has one operating segment being the business intelligence and data services segment. This internal reporting framework is the most relevant to assist the Board with making decisions regarding the company and its ongoing activities.

### Independent Auditor's Review Report to the Members of LiveHire Limited Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the accompanying half-year financial report of LiveHire Limited (the Company), which comprises the balance sheet as at 31 December 2017, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of the Company is not in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Company's financial position as at 31 December 2017 and of its financial performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Company's financial position as at 31 December 2017 and its financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Independent Auditor's Report

### Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
