DIRECTORS' REPORT

The Directors present their report together with the financial statements of Change Financial Limited (**Change Financial or Company**) consisting of Change Financial Limited and the entities it controlled at the end of or during the half year ended 31 Dec 2017 (**Group**).

Directors

The following persons were Directors of Change Financial Limited during the whole of the financial period and up to the date of this report unless otherwise stated:

Peter Clare
Ashley Shilkin
Ian Leijer
Teresa Clarke
Andrew Pipolo (appointed 1 August 2017)
Ben Harrison (resigned 28 November 2017)

Principal activities

The Group's principal continuing activity during the year was providing mobile banking services through the ChimpChange mobile application.

Review of Operations

It has been an exciting, high growth half-year for the Company. During the half-year, we changed the name of our parent company to reflect the evolution of the business beyond consumer bank accounts focused on the millennial demographics into new banking verticals. Through this diversification, Change Financial has now become a US-based award-winning fintech, banking software, and blockchain investment company consisting of three core business units: Consumer, Enterprise and Blockchain. The Company is pleased with our results in the first half of FY2018 and the progress we are seeing across our three divisions.

Our Consumer division continues to perform strongly with the ChimpChange banking platform seeing increased growth across key metrics. Transaction volumes increased to US\$71.7 million for the 6 months ending December 31, 2017, an increase of 378% from the previous half-year (6 months ending December 31, 2016 of US\$15.0 million). The Company's annualised transaction volume based on the month of December 2017 is US\$167.2 million (A\$214.0 million) up 196% from December 2016's US\$56.6 million (A\$78.5 million). Deposits onto the ChimpChange platform increased to US\$35.5 million for the 6 months to December 2017, an increase of 368% from the previous half (6 months to December 2016 US\$7.6 million). During the month of December 2017 customers deposited US\$7.0 million onto the ChimpChange platform, up 192% from a total of US\$2.4 million in December 2016. During the half-year, the number of live ChimpChange customer accounts increased by approximately 53,000.

Digital channels, namely Facebook and Instagram, have been the most successful customer acquisition channels for the Company. ChimpChange deploys a range of engaging marketing content on these channels, including stop-motion video, and user generated content. The Company is gaining deeper insights about customers each month, and will continue to refine its customer targeting with the aim of reducing the cost of acquiring valuable customers. By the end of the period, ChimpChange achieved an organic customer acquisition rate of nearly 33% and a blended cost of acquiring customers of less than US\$14; a pleasing outcome given the rapid rate of customer acquisition through paid digital channels.

The Enterprise unit focuses on providing a turn-key, MasterCard certified Software-as-a-Service solution for US banks which is PCI compliant and capable of authorizing transactions. Change Financial continues to make large strides in the

development of enterprise solutions. The Company is nearing completion of the core infrastructure, built upon a globally scalable micro-services, cloud-based, API-driven infrastructure system for enterprise applications which will be ready by H1 CY18. An enterprise processing platform which involves a partnership with Mastercard (NYSE:MA), is in the pilot testing phase with first test cards printed during the recent half-year. The Company has signed a Memorandum of Understanding (“MoU”) with a strategic business development partner that has connections to hundreds of US-based banks. Quantitative and qualitative brand development and selection for the new enterprise offering has also been completed.

The Blockchain unit pursues value-accretive investments in the burgeoning blockchain space. Change Financial made its first of many investments into blockchain technology during the recent half-year. Blockchain is a digitised, distributed, public ledger of most cryptocurrency transactions and the technology that underpins top cryptocurrencies such as Bitcoin, Ethereum and Ripple. Change Financial made the investment into this innovative blockchain and cryptocurrency technology to provide solutions for the US\$1,250 trillion global payments market. In keeping with Change Financial’s mission of creating better banking through innovative and leading technology, the Company invested in the Ivy Project, which is developing “ivyKoin”, a cryptocurrency for business transactions including those over US\$10,000. IvyKoin will embed critical Know Your Transaction (“KYT”) and Know Your Customer (“KYC”) information into transactions. Since the end of the period, the Company acquired a 33% equity interest in Ivy Koin LLC.

As of 31 December 2017, Change Financial team consists of 28 employees. The team the Company has built continues to grow in understanding and enthusiasm for the business. The board is proud of the work performed by Change Financial’s marketing, engineering, product, customer support and corporate teams.

In August 2017 we were thrilled to add Andrew Pipolo to our Board of Directors. Andrew was previously managing director of PayPal in Australia and PayPal in Japan and brings a wealth of experience in payments and fintech more broadly from his time at PayPal and the companies that he has owned operated and consulted to since leaving PayPal in 2011.

As an early stage growth Company, the Board is thrilled to see the traction achieved over the last 6 months across the different channels and substantial value the Company is creating. My fellow Directors and I can clearly see the path to disrupting the payments industry in multiple ways and harnessing the monetisation potential across each over the coming months and years, and look forward to delivering value for shareholders over that journey.

Matters subsequent to the end of the financial period

Since 31 December 2017, the Group has acquired a 33% equity interest in Ivy Koin LLC which is planning to undertake an initial coin offering (ICO) and has entered into a number of agreements for the sale of future tokens to be issued by Ivy Koin. The funds that are being raised through this process are being held pending the Token Generation Event scheduled for Q1 in calendar year 2018.

Other than the matters disclosed above in relation to Ivy Koin LLC there are no other matters or circumstances that have arisen since the end of the financial period that significantly affect the operations of the consolidated group, the results of those operations or the state of affairs of the consolidated group going forward.

Likely developments and expected results of operations

Refer to the Review of Operations for further details.

Rounding

In accordance with ASIC Corporations (Rounding in Financial/Directors’ Reports) Instrument 2017/191, the amounts in the directors’ report and the financial report have been rounded to the nearest dollar.

Dividends - Change Financial Limited

The Directors of Change Financial Limited do not recommend the payment of a dividend for the 6 months ending 31 Dec 2017 (2016: Nil).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

(a) Statement of Compliance

The half-year financial report is a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'. The half-year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

(b) Basis of Preparation

The condensed consolidated financial statements have been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in United States dollars, unless otherwise noted.

(c) Significant Accounting Policies

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period except for the impact of accounting policies, Standards & Interpretations as noted below.

(d) Ongoing Operations

These financial statements have been prepared on a going concern basis which contemplates the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the normal course of business.

At 31 December 2017 the Group had net current assets of \$4,582,450 including \$4,835,682 cash and cash equivalents. For the half-year ended 31 December 2017 the Group incurred an operating cash outflow of \$4,958,084 and a net loss for the period of \$5,314,631.

Having regard to these results and twelve month forecast cash flows, the Directors are considering a number of funding alternatives and cash preservation initiatives. This strategy will be executed to ensure the Group has adequate working capital to fund ongoing operations.

Therefore the Directors are of the opinion that the going concern basis upon which the financial statements have been prepared continues to be appropriate.

(e) Comparatives

Where necessary to facilitate comparison, comparative figures have been adjusted to conform with changes in presentation in the current financial year.

(f) Adoption of new and revised Accounting Standards

The Group has adopted all new and amended Australian Accounting Standards and Australian Accounting Standards Review Board (AASB) interpretations that are mandatory for the current reporting period and relevant to the Group. Adoption of these standards and interpretations had not resulted in any material changes to the Group's half year financial report.

INDEPENDENT AUDITORS REVIEW REPORT

To the Members of Change Financial Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Change Financial Limited, which comprises the consolidated statement of financial position as at 31 December 2017, the consolidated statement of profit or loss, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the period's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Change Financial Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

For personal use only

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Change Financial Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the company's financial position as at 31 December 2017 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.
