March 5, 2018

On 1 March 2018 the Australian Competition and Consumer Commission (the **ACCC**) published a Statement of Issues in relation to Saputo's proposed acquisition (the **Acquisition**) of the operating assets and liabilities of Murray Goulburn Co-operative Co Limited (**Murray Goulburn**) and indicating a final decision will be taken on March 29, 2018.

The Statement of Issues sets out the ACCC's preliminary views that the proposed Acquisition would be likely to substantially lessen competition in the market for the acquisition of raw milk in south-west Victoria and south-east South Australia.

Saputo has initiated discussions with the ACCC in respect of a divestment plan for the Koroit dairy plant in order to address the ACCC concerns and to obtain the ACCC clearance.

Saputo will continue to work closely with Murray Goulburn and the ACCC to seek approval of the proposed Acquisition.
