Dear Andrew,

**Re: Trading Halt Request**

Cobalt Blue Holdings Limited (ASX: COB) (**Cobalt Blue**) requests that the ASX grant Cobalt Blue a trading halt in respect of its Equity Securities, in accordance with ASX Listing Rule 17.1.

Cobalt Blue states that:

1. The reasons for the trading halt are:
  - 1.1. There is a pending announcement of a Thackaringa resource upgrade presently being finalised with various third-party consultants;
  - 1.2. There is a material risk that trading in Cobalt Blue's Equity Securities might occur while the market as a whole is not reasonably informed; and
  - 1.3. The trading halt is needed to prevent a false or disorderly market;
2. Cobalt Blue requests that the trading halt lasts until the earlier of re-commencement of trading on Monday 19 March 2018, or an announcement regarding the resource upgrade;
3. The trading halt, if granted, will be ended by a market announcement of details of the resource upgrade;
4. Cobalt Blue is not aware of any reason why the trading halt should not be granted; and
5. Cobalt Blue is not aware of any other information to inform the market about the trading halt.

For and on behalf of Cobalt Blue Holdings Limited.

Yours sincerely
