

12 April 2018

ASX Release

SUSPENSION UPDATE

The Board of Connected IO Limited ("CIO") wishes to advise that the Company continues to work with counterparties to finalise further information to be released regarding the announcements dated 9 March 2018 and 13 March 2018.

CIO has confirmed with the US cyber security company that its partnership will be announced and the parties named in parallel with the global IT conference RSA in San Francisco 16-20 April 2018. Accordingly the Company anticipates that it will be in a position to make a full update to the market by no later than 20 April 2018.
