Melbourne, 12th June 2018,

LiveHire Limited (ASX: LVH) ('LiveHire' or the 'Company'), the Talent Community enterprise software platform providing a scalable, human-cloud hiring ecosystem for entire industries, is very pleased to announce the appointment of Christy Forest to the role of CEO.

Geoff Morgan AM, LiveHire Chairman said: *"I am very excited about this incredibly important growth phase for LiveHire. To have Gigi focus his full attention on the continued development of our world-leading technology is both exciting and timely. Gigi's new role, together with the appointment of Christy Forest as our CEO, will perfectly position the company as a global leader in HR technology. Christy's appointment further strengthens our commercial approach to LiveHire whilst we also increase attention to the development of the IT platform to enable deeper penetration of local and international markets.*

"I would like to mention a few of the exceptional achievements by Gigi in the last seven years since the inception of LiveHire: he co-founded revolutionary HR technology; brought together a world class team of IT talent; gathered high calibre private investment raising more than \$49m in capital; attracted world leading HR industry advisors; floated the company on the ASX in June 2016, four years after inception; recruited a very high quality Board for the public company. Gigi has an insatiable vision and incredible capability to lead our product and technology development. He has now executed a perfectly timed transition to focus on the critical technology path for the future.

"Christy's outstanding experience in engaging and working with senior executives to help transform their business using best practice and technology in their organisations, through CEB, is without doubt the absolute perfect fit for the role of LiveHire's CEO. Christy, like myself, has been a strong advocate of 'proactive recruitment' as the best practice for recruitment teams and I am confident she will be highly successful in leading the organisation to significant growth.

"The appointment of Christy, who is held in such high regard in our industry locally and internationally to CEO and Gigi to CPO, will further enhance LiveHire's growth in both local and international markets."

Commenting on Christy's appointment, LiveHire Co-Founder and CPO, Gigi Gozzi, said:

"I would like to welcome Christy and introduce her to the LiveHire team, our customers, investors and the wider community. Appointing Christy as CEO is a great strategic choice for LiveHire as we can leverage her international experience to lead our growth strategy. We are very proud Christy accepted our offer for the CEO role. Christy already has an in-depth knowledge of the organisation, our strategy, our customers, our teams, and the incredible market potential for our technology offering.

"I have personally worked extensively with Christy over the last six months, and have tremendous appreciation for her incredible leadership capability, her inspiring personality and her commercial acumen. Her extensive experience in enterprise product sales, executive level engagement, marketing, best practice research and thought leadership, will help bring LiveHire to be the market leading organisation in Talent Acquisition and Recruitment technology.

"I will now be able to focus 100% on product and technology. We all know we live in a fast-changing world, where technology is quickly enabling and transforming every part of our lives. LiveHire has a very clear vision of the future to empower the flow of talent into organisations and let people live the career they love. I am dedicating my energy to make sure this vision comes to life for our customers and users, ensuring that our investments in technology deliver extraordinary results.

"As a Founder, Director, major shareholder, and someone so passionate towards the purpose of the Company, I could not be prouder to welcome Christy as our new CEO."

Commenting on her appointment, LiveHire CEO and Executive Director, Christy Forest said:

"I am excited and honoured to join the LiveHire leadership team as CEO. I have been impressed by Gigi and Mike's vision for the business, and by the transformational impact LiveHire is having on its customers and candidates. At CEB, I had the privilege of working with many of the most senior HR executives and business leaders who are frustrated by the protracted and expensive process of finding talent for their business. I joined the LiveHire Board because I believe this model solves this issue, and represents the future of best practice in

sourcing and just-in-time talent acquisition. Most importantly, LiveHire provides a more humanised and empowering experience for the candidate.

"It's been great to see our most progressive customers leverage the LiveHire experience and convey and differentiate their employment brand to their candidates in a truly authentic way. Of course, the magic of this experience relies in equal parts on our world-class technology and platform, and on the HR and recruitment teams that embrace it. The platform already performs at the highest levels of security and speed, with new AI capabilities recently incorporated to improve matching and customer enablement.

"Gigi will bring the platform to its next level as we accelerate functionality and integrations to seamlessly fit with the multitude of scenarios and other tools that companies use to attract talent into their business. Gigi has been an exceptional leader for the business, and will bring his perfect combination of engineering and consulting capabilities to execute our product roadmap, drive next generation Artificial Intelligence, Machine Learning, and integrate third party HR technologies at scale for our enterprise, mid-sized, and RPO partners globally."

Christy Forest's Experience

Christy Forest completed her MBA in Organisational Development and Strategy at the Kellogg Graduate School of Management, Northwestern University, USA, before joining CEB. CEB was a private, founder-led business, rapidly expanding its model to prepare for public listing in 1999. Christy was the first woman on the Executive Committee of the publicly listed firm.

Christy held leadership roles in Sales, Marketing and Member Services, contributing more than \$215M in annual revenue through CEB's subscription-based renewal business, with a 200-person global staff who achieved the highest renewal rates in the history of the firm.

Christy moved to Australia with her family in 2007 to open CEB's Sydney office, then the Singapore office in 2010, growing CEB's Asia-Pacific business from \$23M to \$150M over 10 years.

The Asia-Pacific business consistently delivered the highest regional growth rates for the firm, and was a source of trial and innovation for the rest of the world in product, services, marketing, partnerships, channel and go-to-market strategies.

For personal use only

In Asia, Christy delivered profitable growth through focus on the countries and products that would scale. In Australia, Christy led a team that was first to integrate CEB's largest global acquisition, SHL, as well as a local acquisition, the International CEO Forum.

Christy Forest is a graduate of the Australian Institute of Company Directors (GAICD) and currently holds the position of Special Advisor – Innovation and Skills, for the Business Council of Australia.

The key material terms of Christy's executive services agreement (ESA) are as follows:

- The ESA will commence on 12 June 2018 and continue for a period of 2 years unless terminated earlier (**Term**).
- Christy will be paid a total base remuneration of \$335,000 per annum (inclusive of statutory super), subject to an annual review (**Base Remuneration**). In addition to the Base Remuneration, and subject to LiveHire obtaining shareholder approval at a general meeting to be convened in the next 90 days (**General Meeting**), Christy will be granted:
 - as part of a short-term incentive, that number of performance rights (**Performance Rights**) calculated as \$900,000 divided by the VWAP of LVH Shares over the 5 trading days immediately preceding the date of issue. The Performance Rights will be subject to the satisfaction of various time-based criteria over the two-year Term and linked to Christy's tenure as CEO; and
 - as part of a long-term incentive arrangement, 1,500,000 Shares subject to loan arrangements and issued under the Company's employee incentive plan (**Loan Back Shares**). The Loan Back Shares will be subject to various revenue-based vesting criteria and linked to Christy's tenure as CEO (**Vesting Criteria**). The value of the loan on each Loan Back Share will be calculate with reference to the VWAP of LVH Shares over the 5 trading days immediately preceding the date of issue.
- If shareholder approval for the issue of the Performance Rights and Loan Back Shares is not obtained, Christy will be entitled to:
 - in lieu of the Performance Rights, a cash bonus payment of \$450,000 (**Cash STI**) at each of the first and second anniversaries of 12 June 2018, subject to Christy's continued employment as at each date; and
 - in lieu of the Loan Back Shares, a cash bonus payment equivalent to the extent of any increase in the price of LVH Shares from the date of the General Meeting to the date on which each Vesting Criteria was achieved, multiplied by the relevant number of Loan Back Shares that would have vested in connection with the achievement of that Vesting Criteria had they been issued, subject to Christy's continued employment as at each date;
- Christy may terminate the ESA by giving 12 weeks written notice, however, Christy may not give notice to terminate until after the first 9 months of the Term. LiveHire may summarily terminate the ESA immediately for cause in customary circumstances relating to misconduct or persistent breach, or without cause by giving 12 weeks' written notice. If LiveHire terminates the ESA without cause, the pro rata amount of the Performance Rights or the Cash STI (as applicable) corresponding to Christy's tenure up until the termination date shall vest or be payable.
- During the Term and for a period of 3 months post-employment, Christy will be subject to customary restraints (including being engaged in any business that is the same or substantially similar to, or which competes with, LiveHire's business).

Multiply “A” by 0.10	24,235,632
Step 3: Calculate “E”, the amount of placement capacity under rule 7.1A that has already been used	
Insert number of +equity securities issued or agreed to be issued in that 12 month period under rule 7.1A Notes: <ul style="list-style-type: none"> • <i>This applies to equity securities – not just ordinary securities</i> • <i>Include here – if applicable – the securities the subject of the Appendix 3B to which this form is annexed</i> • <i>Do not include equity securities issued under rule 7.1 (they must be dealt with in Part 1), or for which specific security holder approval has been obtained</i> • <i>It may be useful to set out issues of securities on different dates as separate line items</i> 	
“E”	Nil

+ See chapter 19 for defined terms.

Step 4: Subtract "E" from ["A" x "D"] to calculate remaining placement capacity under rule 7.1A	
"A" x 0.10 <i>Note: number must be same as shown in Step 2</i>	24,235,632
Subtract "E" <i>Note: number must be same as shown in Step 3</i>	Nil
Total ["A" x 0.10] – "E"	24,235,632 <i>Note: this is the remaining placement capacity under rule 7.1A</i>

+ See chapter 19 for defined terms.
