Fatfish Board Approves Name Change to 'Fatfish Blockchain Limited'

Highlights

- **Fatfish receives Board approval to change the company name to 'Fatfish Blockchain Limited'**
- **The name change signifies the Company's long term focus on investing in Blockchain & Cryptocurrency opportunities**
- **The change of Company name is subject to shareholder approval**

Fatfish Internet Group Ltd ("Fatfish", "FFG" or the "Company") is pleased to announce that it has received Board of Directors approval to change the company name from 'Fatfish Internet Group Limited' to 'Fatfish Blockchain Limited'.

With Fatfish now strongly focused on investments in the blockchain and cryptocurrency sectors, the name change signifies the long term strategic focus of the Company.

Fatfish CEO Kin Wai Lau commented "Although this is simply a change of company name, it importantly signifies Fatfish's long term dedication and focus on seeking highly viable blockchain and cryptocurrency investments. The change of name to Fatfish Blockchain Limited is also important in gaining awareness amongst new investors who are seeking investments in the Blockchain sector".

The name change is subject to shareholder approval and the board of Fatfish looks forward to updating the market further.

Cautionary Statement - Cryptocurrency Related Business Activities

The Company notes the following in relation to its cryptocurrency-related business activities:

- Investment into cryptocurrencies is high risk in nature as cryptocurrencies are currently highly speculative.
- Cryptocurrency-related businesses have several other risks factors, including but not limited to the following:
 - I. The development of new regulatory framework involving cryptocurrencies

- II. Cryptocurrencies, cryptocurrency exchanges and its related topics of Initial Coin Offerings (“ICO”) have raised regulatory issues across multiple jurisdictions. A number of regulators have issued guidance on the relevance of their existing securities and financial services laws with regards to ICOs that have underlying cryptographic tokens that are securities or investment in nature.
- III. In many countries cryptocurrencies are subject to anti-money laundering and counter-terrorism funding legislations. For its cryptocurrency-related business activities the Company will always endeavour to the best of its ability to ensure that the Company comply with relevant local in-country regulatory requirement.

- End -
