A meeting of eligible investors for each of the Funds was held at the offices of Computershare Investor Services Pty Limited, Level 4, 60 Carrington St, Sydney NSW 2000, on **Friday 22 June 2018 at 10:00 am**. Notice of these meetings, together with explanatory materials, was provided to holders of Chess Depositary Interests (**CDIs**) on 3 May 2018.

The purpose of the meetings was to consider and approve a proposed reorganisation of the Funds. The reorganisation will involve the exchange of CDIs in respect of the shares of the iShares ETFs for units in newly established Australian registered managed investment schemes (each a **New Australian ETF**) that will be issued by BIMAL as responsible entity and quoted on ASX under the AQUA Rules. Each New Australian ETF will invest in a corresponding iShares ETF (initially by holding CDIs in respect of the shares of the iShares ETF and later through holding shares of the iShares ETF) (the **Reorganisation**).

CDI Holders of each Fund voted **in favour** of the Reorganisation at the meeting today. The resolutions were passed by special resolution on a poll.

The poll results in respect of the resolution for each Fund are attached to this announcement.

The impact of the Reorganisation

The benefits of the Reorganisation include:

- Less on-going administration with a simpler tax regime by removing the need for Australian investors and their advisors to complete US tax forms (known as “W-8BEN” forms)
- The opportunity to participate in a distribution reinvestment plan for future distributions
- An overall client experience aligned with all products in the iShares Australian product suite, including distributions, tax statements, and communications

The approval of the Reorganisation means that all CDI Holders as at the record date of the Reorganisation, including those new CDI Holders who acquired CDIs after the Notice of Meeting Record Date (being 26 April 2018) and therefore were not entitled to participate in or vote at the CDI Holder Meeting, will hold units in a New Australian ETF, instead of CDIs in respect of the shares of an iShares ETF, therefore changing the way in which CDI Holders invest in and gain exposure to each iShares ETF.

The Reorganisation will have **NO** impact on investors' investment exposures and management fees.

The Reorganisation is planned to start in July, after the financial year end. A communication of the key dates will be announced on ASX and sent to all CDI holders prior to implementation.

Submit your tax information

Your TFN or ABN: Currently, all distributions are paid as foreign income from the US domiciled iShares ETF. Post conversion, distribution payments will be paid from a new Australian domiciled iShares ETF. As such, you are invited to provide us with your TFN, ABN or claim an exemption. However, you are not obliged to provide us with your TFN, ABN or claim an exemption. If you do not quote your TFN, ABN or claim an exemption, then your income distributions from the new Australian domiciled iShares ETF will have tax withheld at the top marginal rate plus Medicare levy.

You can provide this information in preparation for this change using the Easy Update portal. You will need to update each holding separately using the relevant link for your ETF listed at the end of this document. To login you will need your SRN/HIN number and postcode, or country if outside Australia. In the event that Australian investors do not approve the proposed changes, this information will not be used.

Provide your tax residency: As a result of the Australian Government agreeing to participate in the exchange of information with other jurisdictions, we are required to determine your country of tax residence. If you do not certify your country of tax residence, we are required to report your name, address, amounts paid to you and value of your securities to the Australian Taxation Office, who may report them to the Internal Revenue Service of the United States and possibly other tax authorities.

You can provide your tax residency in preparation for this change at www.computershare.com/au/selfcertification. Please select each relevant ETF from the drop-down and fill in the details.

If you require further information please contact the holder information line on 1300 474 273 between 8:30 am and 5:00 pm (AEST), Monday to Friday.

We are investing in our business to help make investing in iShares ETFs simpler for Australian investors and advisers to build globally diversified portfolios, and by reducing ongoing administration. We thank you for your continued support of iShares and BlackRock.
