Sirtex Confirms Receipt of Balance of Deposit - \$49 Million

Further to its announcement of 14 June 2018, Sirtex Medical Limited (Sirtex) (ASX:SRX) confirms that, in accordance with the terms of the Scheme Implementation Deed between Sirtex and CDH Genetech Limited and China Grand Pharmaceutical and Healthcare Holdings Limited (the Bidders) entered into on 14 June 2018 (Scheme Implementation Deed), the balance of the deposit, being approximately \$49 million, has been paid by the Bidders to the bank account in Australia into which it paid an initial deposit of approximately \$171 million (which is an account opened by a major Australian bank as escrow agent for Sirtex and the Bidders).

If the proposed scheme of arrangement with the Bidders (Scheme) is approved and implemented, the \$220 million on deposit will form part payment of the scheme consideration paid to Sirtex shareholders. If the Scheme does not proceed due to certain events outlined in the Scheme Implementation Deed, Sirtex will be entitled to retain \$200 million (plus GST). If the Scheme does not proceed due to other events, the deposit will be returned to the Bidders.
