APPOINTMENT OF NON-EXECUTIVE DIRECTOR MR AARON DAY

Ausmex Mining Group Ltd (**ASX: AMG**) is pleased to advise that Mr Aaron Day has agreed to join the Board as Non-Executive Director, effective from 1 July 2018.

Mr Day is a Senior Geologist and have been engaged to manage the Company's exploration, drilling and logistical programs in Cloncurry mineral field since early 2017. Mr Day is also the Site Senior Executive (SSE) for the Mt Freda group of mining leases and associated tenements of the Company.

Mr Day has consulted for and been employed by several ASX listed and private companies in Australia. His duties have included designing and managing exploration and drilling programs, cadastral, environmental, health and safety, machinery and construction, site services and geophysical surveys and programs. With Mr Day joining the Board and being a full-time resident of Cloncurry, the Company will have a director who concentrate on managing tenements and assets in the Cloncurry region on a full-time basis.
