CLOSING OF TAKEOVER OFFER AND COMPULSORY ACQUISITION OF REMAINING SHARES OF ASIA PACIFIC DIGITAL

Trimantium GrowthOps Limited (“TGO” or “GrowthOps”) [ASX: TGO] is pleased to announce that it has acquired a relevant interest in 96.72% of the fully paid ordinary shares (“Shares”) of Asia Pacific Digital Limited (“Asia Pacific Digital” or “APD”) [ASX: DIG] as of the close of its off market takeover offer (“Offer”) on 7 August 2018.

GrowthOps will now proceed to compulsorily acquire all remaining Shares of Asia Pacific Digital not acquired under the Offer.

The GrowthOps management team and Board are thrilled to welcome APD’s talented staff to the company and believe that the acquisition will provide significant benefits both for our clients and our shareholders, including: an expanded service offering; deeper footprint in the Asia Pacific region; increased scale that will allow us to compete with larger global service providers; and cost efficiencies from the removal of APD company listing costs as well as other run-rate cost synergies resulting from the integration of the two companies.

GrowthOps Chief Executive Officer, Paul Mansfield said: “We continue to be impressed with the depth of skills of APD’s people and the resulting opportunities that we see for collaboration and cross-selling across the two businesses. APD brings to GrowthOps a non-overlapping and complementary set of services as well as a higher profile across Asia. The acquisition makes a lot of strategic sense for us, and we are excited to see what we can do together.”

Compulsory acquisition notices and related correspondence will shortly be dispatched to all APD shareholders who have not accepted the Offer.
