

ASX ANNOUNCEMENT

19 September 2018

PRESIDENT MACRI MEETING

Argosy Minerals Limited (ASX: **AGY**) ("**Argosy**" or "**Company**") is pleased to advise that on Tuesday 19 September 2018, Argosy and Puna Mining executives attended a meeting in Buenos Aires with the President of Argentina – Mr Mauricio Macri and Federal Mining Secretary – Ms Diana Carolina Sanchez.

The objective of the meeting was to inform President Macri and Ms Sanchez of the fast-track development strategy the Company has implemented at the Rincon Lithium Project, the current status and plans to progress toward commercial-scale operations at the project.

All parties confirmed their commitment to support the development of the Company's Rincon Lithium Project.

Argosy Managing Director, Jerko Zuvela said "*We are delighted to meet President Macri and Ms Sanchez, which confirms the significance of our Rincon Lithium Project by the Federal government, and shows the support to continue the rapid development works conducted by the Company to date.*"

The meeting highlighted the importance of developing the Rincon Project, the shared responsibility and mutual benefits of investment, and support required for development execution. Argosy is firmly committed to the advancement and success of the project."

ASX ANNOUNCEMENT

The Company continues to deliver on its 'fast-track' lithium development strategy and such government support further opens up additional options to consider accelerating the scale-up development timeframe of the project.

Forward Looking Statements: Statements regarding plans with respect to the Company's mineral properties are forward looking statements. There can be no assurance that the Company's plans for development of its mineral properties will proceed as expected. There can be no assurance that the Company will be able to confirm the presence of mineral deposits, that any mineralisation will prove to be economic or that a mine will successfully be developed on any of the Company's mineral properties.

ABOUT ARGOSY MINERALS LIMITED

Argosy Minerals Limited (ASX: AGY) is an Australian company with a current 77.5% interest in the Rincon Lithium Project in Salta Province, Argentina.

The Company is focused on its flagship Rincon Lithium Project – potentially a game-changing proposition given its location within the world renowned "Lithium Triangle" – host to the world's largest lithium resources, and its fast-track development strategy toward production of LCE product.

Argosy is committed to building a sustainable lithium production company, highly leveraged to the forecast growth in the lithium-ion battery sector.
