Aspermont Directors and Key Executives elect to take shares rather than cash

Aspermont Limited (ASX:ASP) is the dominant media service provider for the global resources industry. The company has successfully completed a three year business turnaround and technological transformation and has also eliminated all long term debt. Aspermont is now achieving higher growth in subscriptions and advertising revenues while developing a 100% owned and complementary Global Events business.

The Company is pleased to advise that all non-Executive Directors have voluntarily elected to take shares in lieu of Director's fees in the current financial year. Key Executives have also elected to take shares in lieu of their annual cash bonus. The company will issue all shares in lieu of cash at the volume weighted average price for the 90 days prior to issuance.

Managing Director Alex Kent said "We raised \$1.9m net in April and have over \$2m of cash currently available to invest in new people, products and services. I am pleased that our Non- Executive Directors and Key Executives have elected to take shares in lieu of cash. Their support maximises our cash available to fund new growth initiatives and demonstrates the confidence of both Board and key executives in Aspermont's potential and progress."
