- The Options have been issued for nil consideration and will be unquoted. Any shares issued on exercise of the Options will rank equally with the Company's fully paid ordinary shares coded and trading as 'SKF'.
- The Options will be issued and allotted no later than 7 December 2018 (being the date which is one month subsequent to the shareholder meeting); and

As provided in Exception 14 to Listing Rule 7.2, if shareholder approval is given under Listing Rule 10.11 approval is not required under Listing Rule 7.1.

Resolution 15 - Approval of Executive Option Plan

The Employee Option Plan (**EOP**) seeks to closely align the interest of eligible senior executives participating in the EOP (**EOP Participants**) with those of investors and to ensure that the EOP Participants are motivated and rewarded for performance, shareholder return and compensated for remuneration in lieu of cash payments in line with the economic value created.

The options under the EOP (**EOP Options**) will entitle their holder to receive ordinary shares in the capital of the Company (**EOP Shares**) upon satisfaction of certain vesting conditions as determined by the Board from time to time.

Why shareholder approval is being sought

ASX Listing Rule 7.1 provides that a listed company must not issue equity securities that total more than 15% of its fully paid ordinary shares in any rolling 12-month period without shareholder approval, or unless an exception applies (**15% Capacity**). This means that if this Resolution 15 is passed, any Options granted to EOP Participants and any resulting EOP Shares issued will not use up part of the Company's 15% Capacity under ASX Listing Rule 7.1.

Under ASX Listing Rule 7.2, exception 9(b), an issue of equity securities under an employee incentive scheme is an exception to ASX Listing Rule 7.1, if in the 3 years before the issue date, shareholders have approved the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

Therefore, although shareholder approval is not required to adopt the EOP, shareholder approval is being sought under Resolution 15 for the issue of securities under the EOP, so that such issues would not be counted towards the Company's 15% Capacity, and that capacity would be available for other purposes.

Terms of the Employee Option Plan

EOP Options provide an opportunity to acquire EOP Shares subject to the payment of the exercise price set at the time of the grant of the EOP Options (**Exercise Price**) and EOP Participants can continue to hold the EOP Options after they have vested.

EOP Options will vest upon notification by the Company that the EOP Options have vested and the Company.

EOP Options enable the participant to gain the benefit of any excess of the Share price over the Exercise Price paid. In the event the Share price is equal to or below the Exercise Price, the EOP Options would be of no value.

In order for the EOP Options to vest, the Vesting Conditions set out in the invitation, or otherwise determined by the Board, for the grant of the EOP Options must have been satisfied. In addition, at

For personal use only

the time of vesting, a participant must not have engaged in serious and wilful misconduct, wilful disobedience, gross negligence or incompetence, insubordination, disqualification under Part 2D.6 of the *Corporations Act 2001* (Cth), a serious breach of an employment agreement and behaviour which damages the business or reputation of the Company (**Proscribed Conduct**)

If the participant engages in Proscribed Conduct, then the EOP Options will be forfeited.

The EOP Options will not be quoted nor will they carry an entitlement to dividends or a right to vote at General Meetings of the Company.

The invitation to participate in the EOP will specify the number of EOP Options to be granted. If Vesting Conditions are not met, then unvested EOP Options will be forfeited. If the relevant targets are achieved the EOP Options will vest and may be exercised, by payment of the Exercise Price. This can be done at any time up to ten years after the grant of the EOP Options.

Other Information required by ASX Listing Rules

- As the EOP has not yet been adopted, no securities have currently been issued under the EOP.
- A voting exclusion statement for Resolution 15 is contained on page 8.

Resolution 16 – Approval of grant of options to Director – Wayne Arthur

The Non-Executive Directors are of the view that it is appropriate that the Company's Chief Executive Officer and Executive Director, Mr Wayne Arthur be entitled to be granted EOP Options under the EOP set out in Resolution 15. The Non-Executive Directors consider that the grant of the EOP Options is an important element of the Company's remuneration strategy for the CEO, having regard to the circumstances of the Company, the duties and responsibilities of Mr Arthur and market levels of remuneration for executives in his position in similar sized companies.

The terms of the EOP are set out in this Explanatory Statement at Resolution 15 above.

Information required by ASX Listing Rules

The Company provides the following additional information for the purposes of ASX Listing Rule 10.15:

- Mr Arthur is a director of the Company.
- The maximum number of securities that may be acquired by Mr Arthur under this approval is 5,000,000 Options. Each EOP Option, on vesting, entitles Mr Arthur to receive one Share.
- No issue price is payable by Mr Arthur for the grant of the EOP Options to him. The exercise price payable to exercise the EOP Options will be set at the time of the grant of the EOP Options.
- As the EOP has not yet been adopted, no securities have currently been issued under the EOP.
- Approval under ASX Listing Rule 10.14 has previously been sought for the issue of securities to Mr Arthur under the Company's Employee Share Plan (**ESP**). Since the last shareholder approval, 3,075,000 ESP Shares have been issued to Mr Arthur under the ESP.
- Other senior managers, who are not directors, of the Company are also entitled to participate in the EOP if invited by the Board. Any additional directors (or their associates) who become entitled to participate in the EOP after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under Rule 10.14 of the ASX Listing Rules.
- A voting exclusion statement for Resolution 16 is contained on page 8.
- No loan has been or will be advanced by the Company in relation to the acquisition of securities the subject of Resolution 15.
- If Resolution 15 is passed, the EOP Options will be granted to Mr Arthur no later than 12 months after the date of approval.

Resolution 17 – Refresh of current Employee Share Plan (ESP)

The issues of shares pursuant to an existing Employee Share Plan (**ESP**) were approved by shareholders at the Company's 2015 Annual General Meeting (**2015 AGM**) in accordance with Listing Rule 7.2 (Exception 9(b)) – with the effect that the shares so issued would not reduce the Company's '15% placement capacity' under Listing Rule 7.1. As that approval applied for a period of three (3) years following the 2015 AGM then, in accordance Listing Rule 7.2 (Exception 9(b)), the further issue of shares pursuant to the ESP requires shareholder approval.

In addition, the original ESP permitted the issue of new shares equivalent to up to 10% of the issued capital of the Company. If shareholders approve the refresh of the ESP then new shares equivalent to up to a further 10% of the issued capital of the Company may be issued.

Summary of the Terms of the ESP

- the Board may invite a person who is employed or engaged by or holds an office with the Group (whether on a full or part-time basis) and who is declared by the Board to be eligible to participate in the ESP from time to time (**Eligible Employee**) to apply for fully paid ordinary shares under the plan from time to time (**ESP Shares**);
- invitations to apply for ESP Shares are to be made on the basis of the market price per share defined as the volume weighted average price at which the Company's shares have traded during the 30 days immediately preceding the date of the invitation;
- invitations to apply for ESP Shares under the ESP will be made on a basis determined by the Board (including as to the conditionality on the achievement of any key performance indicators) and notified to Eligible Employees in the invitation, or if no such determination is made by the Board, on the basis that ESP Shares will be subject to a 3 year vesting period, with:
 - 33% of ESP Shares applied for vesting on the date that is the first anniversary of the issue date of the ESP Shares;
 - 33% of ESP Shares applied for vesting on the date that is the second anniversary of the issue date of the ESP Shares; and
 - 34% of ESP Shares applied for vesting on the date that is the third anniversary of the issue date of the ESP Shares.
- Eligible Employees who accept an invitation (**ESP Participants**) may be offered an interest free loan from the Company to finance the whole of the purchase of the ESP Shares they are invited to apply for (**ESP Loan**). ESP Loans will have a term of 5 years and become repayable in full on the earlier of:
 - the fifth anniversary of the issue date of the ESP Shares; and
 - if the ESP Participant ceases to be an Eligible Employee, either
 - the fifth anniversary of the issue date of the ESP Shares, if the Eligible Employee is a good leaver (as defined in the ESP); or
 - that date of cessation, if the Eligible Employee is a bad leaver (as defined in the ESP).
- if the ESP Participant does not repay the outstanding ESP Loan, or it notifies the Company that it cannot, then such number of ESP Shares that equal by value (using the price at which the ESP Shares were issued) the outstanding amount of the ESP Loan will become the subject of a buy-back notice from the Company which the ESP Participant must accept. The buy-back of such number of ESP Shares will be considered full and final satisfaction of the ESP Loan and the Company will not have any further recourse against the ESP Participant;
- any dividends received by the ESP Participant whilst the whole or part of the ESP Loan remains outstanding must be applied to the repayment of the ESP Loan;
- the maximum number of ESP Shares for which invitations may be issued under the ESP together with the number of ESP Shares still to be issued in respect of already accepted invitations and that have already been issued in response to invitations in the previous 5 years (but disregarding ESP Shares that are or were issued following invitations to non-residents, that did not require a disclosure

For personal use only

document under the Corporations Act, or that were issued under a disclosure document under the Corporations Act) must not exceed 10% of the total number of ordinary shares on issue in the Company at the time the invitations are made;

- in the event of a corporate reconstruction, the Board will adjust, subject to the Listing Rules (if applicable), any one or more of the maximum number of shares that may be issued under the ESP (if applicable), the subscription price, the buyback price and the number of ESP Shares to be vested at any future vesting date (if applicable), as it deems appropriate so that the benefits conferred on ESP Participants after a corporate reconstruction are the same as the benefits enjoyed by the ESP Participants before the corporate reconstruction. On conferring the benefit of any corporate reconstruction, any fractional entitlements to shares will be rounded down to the nearest whole share;
- ESP Participants will continue to have the right to participate in dividends paid by the Company despite some or all of their ESP Shares not having vested yet or being subject to an ESP Loan. If an ESP Loan has been made to the ESP Participant, then any dividend due must first be applied to reducing any outstanding ESP Loan amount applicable to the ESP Shares on which the dividend is paid;
- ESP Shares which have not vested and/or are subject to repayment of the ESP Loan will be restricted (escrowed) from trading;
- the Company may buy-back at the issue price any ESP Shares which
 - have not vested, or are incapable of vesting at any time (including as a result of the ESP Participant failing to meet any key performance indicators on which vesting of ESP Shares is conditional); or
 - remain in escrow and/or are the subject of an ESP Loan, on the occurrence of:
 - the ESP Participant ceasing to be an Eligible Employee (unless the Board, in its sole and absolute discretion determines otherwise, subject to any conditions that it may apply, including the repayment of any outstanding ESP Loan); or
 - the expiration of the term of the ESP Loan.
- any bonus securities issued in relation to ESP Shares which remain unvested or are subject to an ESP Loan which becomes repayable in full will be the subject of a buy-back by the Company at the issue price for no consideration;
- on the death or permanent disability of an ESP Participant, all ESP Shares held by the ESP Participant or their estate will immediately vest subject to the repayment of any outstanding ESP Loan by the curator, executor or nominated beneficiary(ies) (as the case may be) within 30 days of their appointment (or such longer period as the Company in its discretion may allow). Failing such repayment, the Company will buy-back all ESP Shares in respect of which there is an outstanding ESP Loan;
- the rules of the ESP and any amendment to the rules of the ESP must be in accordance with the Listing Rules and the Corporations Act;
- if, while the Company's shares are traded on the ASX or any other stock exchange, there is any inconsistency between the terms of the ESP and the Listing Rules, the Listing Rules will prevail; and
- the ESP is governed by the laws of the State of New South Wales, Australia.

Number of Shares Issued Under the ESP since the Last Approval

Since the 2015 AGM:

- 26,708,000 ESP Shares were issued to Non-Directors; and
- 3,075,000 ESP Shares were issued to Directors (being solely Mr Wayne Arthur).
