Propertylink enters into a binding Bid Implementation Agreement with ESR

ENTRY INTO A BID IMPLEMENTATION AGREEMENT WITH ESR

Propertylink Group (ASX:PLG) (**Propertylink**) today announces that it has entered into a binding Bid Implementation Agreement (**BIA**) with ESR Real Estate (Australia) Pty Ltd (**ESR**) in relation to ESR's proposal to acquire all Propertylink securities which it or an associate does not already own by way of an agreed off-market takeover bid for cash consideration of \$1.20¹ per security (**Offer**).

The execution of the BIA follows Propertylink's entry into a Process Deed with ESR, which was announced to ASX on 16 October 2018. Under that Process Deed, ESR was granted a period to conduct confirmatory due diligence which it has now completed.

The terms of the Offer are consistent with those announced in the Process Deed and have been summarised in this announcement.

SUMMARY OF THE OFFER

The Offer is to acquire all of the Propertylink securities which ESR does not already own for cash consideration of \$1.20¹ per security, by way of an agreed off-market takeover bid.

The Offer price of \$1.20¹ represents a:

- 14.3% premium to the closing price of Propertylink securities at 20 September 2018 of \$1.05, being the day prior to the announcement of ESR's initial proposal to acquire Propertylink;
- 15.2% premium to the 6 month VWAP of Propertylink securities to 20 September 2018 of \$1.04;
- 15.4% premium to Propertylink's reported NTA per security as at 30 June 2018 of \$1.04;
- 11.7% premium to Propertylink's pro forma 30 June 2018 NTA of \$1.07 per security² (refer to Appendix A for detail on pro forma adjustments); and
- 4.3% increment to ESR's initial proposal price of \$1.15.

¹ The Offer price will be reduced by the cash amount of any dividends or distributions that Propertylink securityholders receive or become entitled to receive. All references to the Offer consideration in this announcement are to the Offer consideration subject to any such reduction.

² Post the independent valuation of Propertylink's wholly owned industrial portfolio and co-investments as announced to ASX on 30 October 2018, which resulted in an increase in Propertylink's NTA of 6.6 cents per security and post payment of Propertylink's 2H FY18 distribution of 3.7 cents per security resulting in pro forma 30 June 2018 NTA of \$1.07 per security.

CONDITIONS OF THE OFFER

The Offer is conditional upon a number of matters set out in the BIA, including minimum acceptance of at least 50.1% of all Propertylink securities (on a fully diluted basis), no material adverse change, no prescribed occurrences, no regulatory action or material acquisitions, disposals, capital expenditure or change in the conduct of business, amongst other conditions. ESR has confirmed that it has received notification from FIRB that the Australian Government has no objection to the Offer in terms of its foreign investment policy and the Offer is therefore not conditional on obtaining foreign investment approval.

At any time during the Offer period, ESR may choose to waive any one or all of the conditions of the Offer, declare the Offer unconditional and / or extend the Offer Period.

UNANIMOUS RECOMMENDATION OF THE DIRECTORS

The Propertylink board of directors (**Directors**) unanimously recommend that Propertylink securityholders **ACCEPT** the Offer, in the absence of a superior proposal and subject to an independent expert opining that the Offer is fair and reasonable to Propertylink securityholders not associated with ESR.

In addition, each of the Directors intends to accept the Offer in respect of all Propertylink securities they own or control, in the absence of a superior proposal and subject to an independent expert opining that the Offer is fair and reasonable to Propertylink securityholders not associated with ESR.

Propertylink's Chairman, Peter Lancken, said "the Directors of Propertylink are pleased to have entered into a binding Bid Implementation Agreement with ESR. ESR's Offer provides Propertylink securityholders an opportunity to realise certain value for their Propertylink securities, at an attractive premium to Propertylink's trading price prior to the receipt of ESR's initial proposal and NTA."

INDEPENDENT EXPERT

Propertylink has appointed KPMG Corporate Finance as the independent expert to prepare a report opining on whether the Offer is fair and reasonable to Propertylink securityholders not associated with ESR. The independent expert's report will be included in the target's statement to be dispatched to all Propertylink securityholders.

OVERVIEW OF THE BIA

The BIA sets out the manner in which Propertylink and ESR have agreed to cooperate with each other in relation to the Offer. The BIA extends ESR's exclusivity until the end of the Offer period and includes provisions customary for a transaction of this nature including no shop, no talk, notification and matching rights, subject to appropriate exceptions. The BIA includes provision for payment of a reimbursement fee of \$7.2 million to ESR in certain circumstances.

A copy of the BIA is attached to this announcement.

PROPERTYLINK'S PROPOSAL TO ACQUIRE CIP

Further to its announcement on 16 October 2018, Propertylink confirms that in light of the fact that ESR is proceeding with its takeover bid for PLG, PLG has decided not to proceed with the non-

binding, indicative proposal to acquire Centuria Industrial REIT (**CIP**) announced on 13 September 2018.

EGM REQUISITIONED BY CENTURIA

Propertylink notes the Extraordinary General Meeting (**Meeting**) of Propertylink (Holdings) Limited that was requisitioned by Centuria³, at which Propertylink securityholders will be asked to vote on resolutions proposed by Centuria to remove all of the current Directors, other than the Managing Director, and replace them with six directors nominated by Centuria.

ESR has confirmed that, subject to the BIA not being terminated, the Directors continuing to unanimously recommend the Offer at the relevant time and there being no material change in circumstances, ESR intends to vote its 19.89% interest in Propertylink securities against all of the resolutions proposed by Centuria at the Meeting.

NEXT STEPS

Propertylink and ESR have agreed to work towards having both the bidder's statement and the target statement issued (and the Offer to open) by mid to late November 2018.

Propertylink securityholders are not required to take any action until they receive ESR's bidder's statement. The target's statement to be released to Propertylink securityholders will include further details of the Offer, reasons for the Directors' recommendation, the independent expert's report, and information on the options available to Propertylink securityholders. The Directors encourage securityholders to read these documents in full before deciding whether to accept the Offer.

During the Exclusivity Period, Propertylink must not, and must ensure that each of its Related Persons do not, directly or indirectly:

- (a) **(no shop)** solicit, invite or initiate any inquiry, expression of interest, offer proposal, negotiations or discussions by any person in relation to, or which would reasonably be expected to encourage or lead to the making of, a Competing Proposal or communicate to any person an intention to do anything referred to in this clause 8.1(a); or
- (b) **(no talk)** subject to clause 8.3:
 - (1) participate in or continue any negotiations or discussions with respect to any inquiry, expression of interest, offer or proposal by any person to make, or which would reasonably be expected to encourage or lead to the making of, a Competing Proposal or participate in or continue any negotiations or discussions with respect to any Competing Proposal;

 - (3) disclose or otherwise provide or make available any non-public information about the business or affairs of the Propertylink Group to a Third Party (other than a Government Agency that has the right to obtain that information and has sought it) in connection with, with a view to obtaining, or which would reasonably be expected to encourage or lead to the formulation, receipt or announcement of, a Competing Proposal (including providing such information for the purposes of the conduct of due diligence investigations in respect of the Propertylink Group) whether by that Third Party or another person; or
 - (4) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 8.1(b),

but nothing in this clause 8.1 prevents Propertylink or any of its Related Persons from:

- (c) providing information as required by any applicable law or the Listing Rules or to any Government Agency;

- (b) A notification given under clause 8.2(a) must include:
 - (1) the identity of the relevant person making or proposing the relevant Competing Proposal; and
 - (2) all material terms and conditions of the Competing Proposal (including the implied offer price per Propertylink Security).

8.3 Fiduciary exception

Clauses 8.1(b) and 8.2 (only to the extent it requires disclosure of information referred to in clause 8.2(b)(1)) do not prohibit any action or inaction by Propertylink or any of its Related Persons in relation to a Competing Proposal if, in the opinion of the Propertylink Boards, formed in good faith after receiving written legal advice from its external legal adviser and advice from its financial advisers, the Competing Proposal is or may reasonably be expected to lead to a Superior Proposal and compliance with those provisions would constitute, or would be reasonably likely to constitute, a breach of any of the fiduciary or statutory duties of the directors of Propertylink, provided that:

- (a) the Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of clause 8.1(a); and
- (b) to the extent that Propertylink or its Related Persons propose to provide information to which clause 8.2(a)(3) applies, Propertylink has entered into a binding confidentiality agreement with the relevant Third Party and either:
 - (1) the terms of that confidentiality agreement are no less favourable to Propertylink than the Confidentiality Agreement (including clause 7); or
 - (2) Propertylink agrees to amend the terms of the Confidentiality Agreement (including clause 7) such that the obligations imposed on the Bidder under that agreement are no less favourable than the obligations imposed on the relevant Third Party.

writing) pursuant to which one or more of a Third Party, Propertylink or any Propertylink Group Member proposes or propose to undertake or give effect to a Competing Proposal; and

- (2) must use reasonable endeavours to procure that none of its directors change their recommendation in favour of the Takeover Bid, publicly recommend a Competing Proposal (or recommend against the Takeover Bid) or make any public statement to the effect that they may do so at a future point (provided that a statement that no action should be taken by Propertylink Securityholders pending the assessment of a Competing Proposal by the Propertylink Boards and its advisers shall not contravene this clause),

unless:

- (3) the Propertylink Boards, acting in good faith and in order to satisfy what the Propertylink Directors consider to be their statutory or fiduciary duties (having received written legal advice from their external legal adviser), determine that the Competing Proposal would be or would be reasonably likely to be a Superior Proposal;
 - (4) Propertylink has provided the Bidder with the material terms and conditions of the Competing Proposal, including price and the identity of the Third Party making the Competing Proposal;
 - (5) Propertylink has given the Bidder at least five Business Days after the date of the provision of the information referred to in clause 8.4(a)(4) to provide a matching or superior proposal to the terms of the Competing Proposal; and
 - (6) the Bidder has not announced or otherwise formally proposed to Propertylink a matching or superior proposal to the terms of the Competing Proposal by the expiry of the five Business Day period in clause 8.4(a)(5).
- (b) If the Bidder proposes to Propertylink, or announces, amendments to the Takeover Bid or a new proposal that constitutes a matching or superior proposal to the terms of the Competing Proposal (**Bidder Counterproposal**) by the expiry of the five Business Day period in clause 8.4(a)(5), Propertylink must procure that the Propertylink Boards consider the Bidder Counterproposal and if the Propertylink Boards, acting reasonably and in good faith, determine that the Bidder Counterproposal would provide an equivalent or superior outcome for Propertylink Securityholders as a whole (other than those Associated with the Bidder) compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then Propertylink and the Bidder must use reasonable endeavours to agree the amendments to this agreement and the Takeover Bid (as applicable) that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable, and Propertylink must use reasonable endeavours to procure that each of the directors of Propertylink continues to recommend the Takeover Bid (as modified by the Bidder Counterproposal) to Propertylink Securityholders.

8.5 No discussions

Propertylink represents and warrants that, as at the date of this agreement:

- (a) no Propertylink Group Member is participating in any discussions or negotiations relating to any actual, proposed or potential Competing Proposal; and

any non-public information about the business or affairs of Propertylink or the Propertylink Group disclosed or otherwise provided by Propertylink or any of its Related Persons to any Third Party in connection with a Competing Proposal that has not previously been provided to the Bidder. For the avoidance of doubt, any such provision of information to a Third Party may only be undertaken if permitted by clause 8.3.

8.7 Legal advice

Propertylink represents and warrants to the Bidder that:

- (a) prior to entering into this agreement it has received legal advice on this agreement and the operation of this clause 8; and
- (b) it and the Propertylink Boards consider this clause 8 to be fair and reasonable and appropriate to agree in order to secure the significant benefits to it and Propertylink Securityholders resulting from the transactions contemplated hereby.

8.8 Compliance with law

- (a) If it is finally determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 8 or any part of it:
 - (1) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Propertylink Boards;
 - (2) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
 - (3) was, or is, or would be, unlawful for any other reason,then, to that extent (and only to that extent) Propertylink will not be obliged to comply with that provision of clause 8.
- (b) The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in this clause 8.7.

9 Reimbursement Fee

- (b) In these circumstances, the Bidder has requested that provision be made for the payments outlined in clause 9.2, without which the Bidder would not have entered into this agreement or otherwise agreed to implement the Takeover Bid.
- (c) The Propertylink Boards believe, having taken advice from their external legal adviser and financial advisers, that the implementation of the Takeover Bid will provide benefits to Propertylink and that it is appropriate for Propertylink to agree to the payments referred to in clause 9.2 in order to secure the Takeover Bid.

9.2 Reimbursement Fee triggers

Subject to this clause 9, Propertylink must pay the Reimbursement Fee to the Bidder if:

 - (4) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Takeover Bid is not fair and reasonable (except where that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal);
 - (5) in the case of clauses 9.2(a)(1) and 9.2(a)(2) only, the relevant failure, withdrawal, revision or qualification occurs after 15 June 2019 and the Bidder has not, on or before that date, waived its right under the terms of the Offer to deduct from the consideration payable to a Propertylink Securityholder the cash amount of the Final Distribution; or
