PROJECT ACQUISITION NOT TO PROCEED

Cauldron Energy Limited (ASX: **CXU**) (**Cauldron** or the **Company**) refers to its previously announced acquisition of Marble Bar Lithium and Pippingarra Lithium Project (refer ASX Announcement 5 October 2018). The acquisition was subject to conditions, some of which have not been satisfied. As a result, the parties have agreed to terminate the agreement.

While the Cauldron board is disappointed this lithium acquisition did not finalise, the Company has a number of battery metals projects, including some high value copper-cobalt projects at an advanced stage of negotiation. The Company is confident of finding a new project soon; a project with the potential to improve shareholder value.

This announcement is intended to lift the trading halt requested on the 14 November 2018.
