3.2 Benefit of certain Conditions Precedent

A Condition Precedent may only be waived in writing by a party entitled to the benefit of that Condition Precedent as noted in the table set out in schedule 3 and will be effective only to the extent specifically set out in that waiver.

A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.2 may do so in its absolute discretion.

If a Condition Precedent has been included for the benefit of both parties, the breach or non-fulfilment of the Condition Precedent may be waived only by the consent of both parties.

- (b) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (i) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with subclause 3.3(a); or

A waiver of such breach or non-fulfilment in respect of one Condition Precedent does not constitute:

in each case before 8.00 am on the Second Court Date.

A party will not be entitled to terminate this agreement pursuant to this clause 3.9 if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this agreement by that party or a deliberate act or omission of that party.

3.10 Regulatory Approval

A Regulatory Approval will be regarded as having been obtained notwithstanding that a condition or conditions may have been attached to that Regulatory Approval if that condition is reasonably satisfactory to MacPhersons and Intermin.

- (a) after consultation with its financial advisors, such a bona fide Competing Transaction could reasonably be considered to become a Superior Proposal; and
- (b) after receiving written legal advice from external legal advisers, failing to respond to such a bona fide Competing Transaction would be reasonably likely to constitute a breach of the MacPhersons Board's or the Intermin Board's (as applicable) fiduciary or statutory obligations.

9.8 Matching right

- (a) During the Exclusivity Period, MacPhersons must not enter into any legally binding agreement to undertake a Competing Transaction and must use its reasonable endeavours to procure that none of its directors publicly recommend a Competing Transaction unless:

- (b) The MacPhersons Board must consider the Revised Intermin Proposal and if it determines, acting in good faith, that the Revised Intermin Proposal is on terms no less favourable to MacPhersons than the Competing Transaction (taking into account, without limitation, the price, form and certainty of consideration to be provided under the Revised Intermin Proposal), MacPhersons and Intermin must, in the absence of receipt of a more favourable proposal for another Competing Transaction, use reasonable endeavours to agree any amendments to this agreement and the contents of the Scheme Booklet (if applicable), which are reasonably necessary to reflect the Revised Intermin Proposal.
- (c) Any amendment or modification of a Competing Transaction proposed by a third party that results in the MacPhersons Board determining that the amended or modified Competing Transaction is, or may reasonably be expected to lead to, a Superior Proposal will be deemed to be a new Competing Transaction so that the provisions of this clause 9 will require notification by MacPhersons to Intermin of the terms of the amended Competing Transaction and the right of Intermin to match such amended Competing Transaction, but on the basis that Intermin will have 5 Business Days to submit a revised proposal.

10.9 Survival

Any accrued obligations under this clause survive termination of this agreement.

11 Compliance with law

11.1 Release from obligations

Subject to clause 11.5, if a court or the Takeovers Panel determines that any part of the agreement by a party under clause 9 or clause 10:

- (a) constitutes, or would if performed constitute:
 - (i) a breach of the fiduciary or statutory duties of that party's board to that party; or

- (ii) unacceptable circumstances within the meaning of the Corporations Act; or

(b) is, or would if performed be, unlawful for any reason,

then, provided that that party has complied with its obligations under this clause 11, that party will not be obliged to comply with that part of clause 9 or clause 10 (but will be obliged to comply with all other parts of those clauses).

11.2 Undertaking

Subject to clause 11.5, if the Takeovers Panel indicates to MacPhersons or Intermin that, in the absence of a written undertaking pursuant to section 201A of the *Australian Securities and Investments Commission Act 2001* (Cwlth), it will make a declaration of unacceptable circumstances, each of MacPhersons and Intermin (as the case may be) may give that undertaking on their own behalf and must give reasonable consideration to giving that undertaking if requested by the other party. Where such undertakings are given, clause 9 and clause 10 will operate in a manner consistent with the terms of such undertakings.

11.3 No court or similar application

Subject to clause 11.5, neither party may make, nor may it cause or permit to be made, any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in clause 11.1.

11.4 Third party application

If any third party makes any application to a court, arbitral tribunal or the Takeovers Panel for or in relation to a determination referred to in clause 11.1, each party must make submissions in the course of those proceedings supporting to the fullest extent reasonably practicable the position that no such determination should be made.

11.5 Appeal or review proceedings

Nothing in this clause 11 precludes either party from bringing or requires either party to bring appeal or review proceedings in relation to any determination referred to in clause 11.1. If either party brings such proceedings:

- (a) the other must make submissions in the course of those proceedings supporting to the fullest extent reasonably practicable the review application made by the first party; and
- (b) for the purposes of this clause 11, the determination the subject of the appeal or review proceeding shall be deemed not to have been made and clauses 11.1 and 11.2 shall have effect only in relation to any determination made in the appeal or review proceedings.

12.4 Qualifications to MacPhersons' representations and warranties

The representations and warranties given by MacPhersons under clause 12.1 and schedule 7 are given subject to any matters fairly disclosed:

- (a) in writing to Intermin prior to the date of this agreement; or
- (b) in any announcement by MacPhersons to ASX publicly released in the 2 years prior to the date of this agreement.

12.5 Intermin's representations and warranties

Intermin represents and warrants to MacPhersons (on its own behalf and separately as trustee or nominee for each member of the Intermin Board) that each of the statements set out in schedule 8 is true and correct in all material respects as at the date of this agreement and as at 5.00 pm on the Business Day immediately prior to the Second Court Date (except where a statement is given as of a particular date, in which case Intermin warrants that the statement is true and correct in all material respects as of that particular date).

- (b) in any announcement by Intermin to ASX publicly released in the 2 years prior to the date of this agreement.

13 Court proceedings

13.1 Appeal process

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, Intermin and MacPhersons must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) the parties agree otherwise;
- (b) external legal advisers representing that party in relation to the Scheme indicate that, in their opinion, an appeal would likely have less than a 50% prospect of success;
- (c) there is, in the bona-fide view of the MacPhersons Board a Superior Proposal in relation to MacPhersons which should be recommended in preference to the Scheme; or
- (d) the first appeal to the initial Court's refusal to make orders convening the Scheme Meeting or approving the Scheme does not overturn the initial Court's decision,

in which case either party may terminate this agreement in accordance with clause 14.1(f)(iii). A party will not be entitled to terminate this agreement pursuant to clause 14.1(f)(iii) if the Court's refusal to make the orders was the result of a breach of this agreement by that party.

13.2 Defence of proceedings

Each of Intermin and MacPhersons must vigorously defend, or must cause to be vigorously defended, any lawsuits or other legal proceeding brought against it (or any of its Subsidiaries) challenging this agreement or the completion of the Merger. Neither Intermin nor MacPhersons may settle or compromise (or permit any of its Subsidiaries to settle or compromise) any claim brought in connection with this agreement without the prior written consent of the other, such consent not to be unreasonably withheld.

- (b) any liability with respect to the Scheme.

3.4 Effective Date

The Scheme is Effective on the Effective Date.

3.5 End Date

This Scheme will lapse and be of no further force or effect if the Scheme has not become Effective on or before the End Date.

4 Implementation of the Scheme

4.1 Court order

This Scheme will become binding on MacPhersons and each Scheme Participant if and only if the Court makes an order under section 411(4)(b) of the Corporations Act approving this Scheme and that order becomes effective under section 411(10) of the Corporations Act.

4.2 Lodgement with ASIC

MacPhersons must lodge with ASIC an office copy of the order of the Court made under section 411(4)(b) of the Corporations Act approving this Scheme as soon as practicable and, in any event, by 5.00pm on the first Business Day after:

- (a) the Court approves the Scheme; or
- (b) the date of satisfaction of the conditions precedent referred to in clause 3.1 of this Scheme, whichever is the later.

4.3 Transfer of Scheme Shares

Subject to clause 4.4, all of the Scheme Shares (together with all rights and entitlements attaching to the Scheme Shares at the Implementation Date) will be transferred to Intermin on the Implementation Date (without the need for any further act by a Scheme Participant other than acts performed by MacPhersons pursuant to the authority in clause 4.10) by:

- (a) MacPhersons executing and delivering to Intermin, pursuant to the authority in clause 4.10, a valid share transfer form or forms (which may be a master transfer) to transfer all of the Scheme Shares to Intermin;
- (b) Intermin executing and delivering that share transfer form or those forms to MacPhersons; and
- (c) MacPhersons, immediately upon receipt of the executed share transfer form or forms, entering the name and address of Intermin in the Register as the holder of all Scheme Shares transferred to Intermin in accordance with this Scheme.

4.4 Consideration under this Scheme

Subject to and in accordance with the other terms and conditions of this Scheme (including clauses 4.6, 4.7 and 4.9) and the Scheme Deed Poll, in consideration for the transfer of each Scheme Share to Intermin, Intermin will, on the Implementation Date,

issue to each Scheme Participant the number of New Intermin Shares as are due to that Scheme Participant as Scheme Consideration.

4.5 Joint holders

In the case of Scheme Shares held in joint names, any certificates or uncertificated holding statements for New Intermin Shares to be issued to Scheme Participants will be issued in the names of the joint holders and will be forwarded to the holder whose name appears first in the Register on the Record Date.

4.6 Fractional entitlements

Where the calculation of the total number of New Intermin Shares to be issued to (or in respect of) a particular Scheme Participant would result in a fractional entitlement to a New Intermin Share, then, any such fractional entitlement will be rounded up to the nearest whole number.

4.7 Shareholding splitting or division

If Intermin is of the reasonable opinion that two or more Scheme Participants (each of whom holds a number of Scheme Shares which results in rounding in accordance with clause 4.6) have, before the Record Date, been party to shareholding splitting or division in an attempt to obtain unfair advantage by reference to such rounding, Intermin may give notice to those Scheme Participants:

- (a) setting out their names and Registered Addresses;
- (b) stating that opinion; and
- (c) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Participant specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the other provisions of this Scheme, be taken to hold all of those Scheme Shares and each of the other Scheme Participants whose names and Registered Addresses are set out in the notice will, for the purposes of the other provisions of this Scheme, be taken to hold no Scheme Shares. Intermin, in complying with the other provisions of this Scheme relating to it in respect of the Scheme Participant specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Participants named in the notice under the terms of this Scheme.

4.8 Scheme Participants bound

Each Scheme Participant who is to receive New Intermin Shares under this Scheme agrees (for all purposes including section 231 of the Corporations Act) to:

- (a) become a member of Intermin and to accept the New Intermin Shares issued to them under this Scheme subject to, and to be bound by, Intermin's constitution and other constituent documents; and
- (b) have their name and address entered into the Intermin Register.

4.9 Ineligible Foreign Holders

- (a) Intermin will be under no obligation under this Scheme to issue, and will not issue, any New Intermin Shares to Ineligible Foreign Holders, and instead:
 - (i) all the New Intermin Shares which would otherwise be required to be issued to any Ineligible Foreign Holder under the Scheme, if they were eligible to receive them, will be issued to the Sale Agent;

- (ii) Intermin will procure that, as soon as reasonably practicable (and in any event not more than fifteen (15) Business Days after the Implementation Date), the Sale Agent sells on ASX all of the New Intermin Shares issued to the Sale Agent pursuant to clause 4.9(a)(i) in such manner, at such price and on such other terms as the Sale Agent determines in good faith (and at the risk of the Ineligible Foreign Holders), and remits to Intermin the proceeds of sale (after deducting any applicable brokerage and other selling costs, taxes and charges) (**Proceeds**); and
- (iii) Intermin will pay to each Ineligible Foreign Holder such fraction of the Proceeds as is equal to the number of New Intermin Shares which would have been issued to that Ineligible Foreign Holder (if they were eligible to receive New Intermin Shares) divided by the total number of New Intermin Shares issued to the Sale Agent under clause 4.9(a)(i), promptly after the last sale of New Intermin Shares by the Sale Agent, in full satisfaction of Intermin's obligations to those Ineligible Foreign Holders under the Scheme in respect of the Scheme Consideration.
- (b) Intermin will pay the relevant fraction of the Proceeds to each Ineligible Foreign Holder by either:
- (i) dispatching, or procuring the dispatch, to that Ineligible Foreign Holder by prepaid post to that Ineligible Foreign Holder's Registered Address (at the Record Date), a cheque in the name of that Ineligible Foreign Holder; or
- (ii) making a deposit in an account with any ADI (as defined in the *Banking Act 1959* (Cth)) in Australia notified by that Ineligible Foreign Holder to MacPhersons (or the Share Registry) and recorded in or for the purposes of the Register at the Record Date,
- for the relevant amount, with that amount being denominated in Australian dollars.
- (c) Each Ineligible Foreign Holder appoints MacPhersons as its agent to receive on its behalf any financial services guide or other notices (including any updates of those documents) that the Sale Agent is required to provide to Ineligible Foreign Holders under the Corporations Act.

4.10 Authority given to MacPhersons

Each Scheme Participant will be deemed (without the need for any further act) to have irrevocably authorised MacPhersons (and each of its directors and officers, jointly and severally) as agent and attorney to do and execute all acts, matters, things and documents on the part of each Scheme Participant necessary to implement and give full effect to this Scheme and the transactions contemplated by it, including (without limitation):

- (a) executing a proper instrument of transfer (including for the purposes of section 1071B of the Corporations Act) of their Scheme Shares in favour of Intermin, which may be a master transfer of some or all Scheme Shares; and
- (b) where Scheme Shares are held in a CHESS holding, causing a message to be transmitted to ASX Settlement in accordance with the ASX Operating Rules to transfer the Scheme Shares held by the Scheme Participant from the CHESS sub-register to the issuer sponsored subregister operated by MacPhersons and subsequently completing a proper instrument of transfer under paragraph (a) above.

4.11 Appointment of sole proxy

Upon the Scheme Consideration being issued by Intermin pursuant to this clause 4 and until MacPhersons registers Intermin as the holder of all Scheme Shares in the Register, each Scheme Participant:

- (a) is deemed to have appointed Intermin as attorney and agent (and directed Intermin in such capacity) to appoint the chairman of Intermin as its sole proxy and, where applicable, corporate representative, to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution, and no Scheme Participant may itself attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to this clause 4.11(a)); and
- (b) must take all other actions in the capacity of a registered holder of Scheme Shares as Intermin reasonably directs.

5 Intermin's Obligations and Ancillary Matters

5.1 MacPhersons notice and Scheme Participant consent

- (a) As soon as practicable after the Record Date, and in any event at least two (2) Business Days before the Implementation Date, MacPhersons must give to Intermin (or procure that Intermin be given) details of the names and addresses shown in the Register of all Scheme Participants and the number of Scheme Shares held by each of them at the Record Date (in such form as may be reasonably requested by Intermin).
- (b) Scheme Participants agree that any information referred to in clause 5.1(a) may be disclosed to Intermin, Intermin's advisors, MacPhersons's advisors and other service providers (including the Intermin Registry) to the extent necessary to effect the Scheme.

5.2 Provision of Scheme Consideration

Subject to clauses 4.6, 4.7 and 4.9, Intermin will provide to each Scheme Participant the Scheme Consideration to which that Scheme Participant is entitled by:

- (a) on the Implementation Date, issuing to that Scheme Participant 1 New Intermin Share for every 1.8227 Scheme Shares registered in the name of that Scheme Participant in the Register at the Record Date, which obligation will be satisfied by causing the name and Registered Address (at the Record Date) of that Scheme Participant to be entered into the Intermin Register as the holder of the New Intermin Shares issued to that Scheme Participant; and
- (b) within five (5) Business Days after the Implementation Date, procuring the dispatch to that Scheme Participant of a certificate or uncertificated holding statement in the name of that Scheme Participant relating to the number of New Intermin Shares issued to that Scheme Participant.

5.3 Status of New Intermin Shares

The New Intermin Shares to be issued in accordance with this Scheme will:

- (b) be fully paid;
- (c) be free from any mortgage, charge, lien, encumbrance or other security interest; and

5.4 Deferred settlement trading

Intermin will use its reasonable endeavours to ensure that the New Intermin Shares are quoted on ASX initially on a deferred settlement basis on and from the Business Day after the Effective Date, and on an ordinary settlement basis on and from the Business Day following the Implementation Date.

5.5 Appointment of Intermin as attorney and agent

Each Scheme Participant, without need for any further act, irrevocably appoints Intermin and each of its directors and officers, jointly and severally, as that Scheme Participant's attorney and agent for the purpose of executing any form of application required for New Intermin Shares to be issued to that Scheme Participant under the Scheme.

6 Dealings in MacPhersons Shares

6.1 No issue

No MacPhersons Shares will be issued by MacPhersons after the Effective Date and before the Implementation Date.

- (b) in all other cases, registrable transfers or transmission applications in respect of those dealings are received by the Share Registry at or before the Record Date. MacPhersons will register registrable transfers or transmission applications of the kind referred to in clause 6.2(b) on or before the Record Date.

6.3 No registration of transfers

MacPhersons will not accept for registration nor recognise for any purpose any transmission application, transfer or other dealing in respect of Scheme Shares received after the Record Date, other than a transfer to Intermin in accordance with this Scheme.

6.4 Statements of holding

All statements of holdings (or certificates) for Scheme Shares will cease to have any effect from the Record Date as documents of title in respect of such Scheme Shares. As from the Record Date, each entry current at that date on the Register relating to Scheme Shares will cease to be of any effect other than as evidence of entitlement to the Scheme Consideration.

6.5 Maintenance of Register

In order to determine entitlements to the Scheme Consideration, MacPhersons will maintain, or procure the maintenance of, the Register in accordance with this clause 6 until the Scheme Consideration has been provided to Scheme Participants, and the Register in this form will solely determine entitlements to the Scheme Consideration.

7 Quotation of MacPhersons Shares

7.1 Suspension of trading

MacPhersons will apply to ASX for suspension of trading of MacPhersons Shares on ASX after the close of trading on ASX on the Effective Date. It is expected that suspension of trading in MacPhersons Shares will occur from the commencement of the Business Day following the day on which MacPhersons notifies ASX of this Scheme becoming Effective.

7.2 Termination of quotation

On a date after the Implementation Date to be determined by Intermin and only after the transfer of the Scheme Shares has been registered in accordance with clause 4.3, MacPhersons will apply for termination of the official quotation of MacPhersons Shares and to have itself removed from the official list of ASX.

8.4 Accidental omissions and non-receipt of notice

The accidental omission to give notice of the Scheme Meeting to any holder of MacPhersons Shares or the non-receipt of such a notice by any holder of MacPhersons Shares will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings at the Scheme Meeting.

- (a) Each Scheme Participant is deemed to have warranted to MacPhersons, in its own right and for the benefit of Intermin, that as at the Implementation Date:
 - (i) all of its Scheme Shares which are transferred to Intermin under the Scheme, including any rights and entitlements attaching to those Scheme Shares, will, at the date of transfer of them to Intermin, be:
 - (A) free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any "security interests" within the meaning of section 12 of the *Personal Property*

- (b) On and from the Implementation Date, immediately after the issue by Intermin of the Scheme Consideration in the manner contemplated in clause 5.2, Intermin will be beneficially entitled to the Scheme Shares transferred to it under the Scheme pending registration by MacPhersons of Intermin in the Register as the holder of the Scheme Shares.

8.7 Binding instruction or notification

Except for a Scheme Participant's tax file number, any binding instruction or notification from a Scheme Participant to MacPhersons relating to Scheme Shares at the Record Date (including any instructions relating to the payment of dividends or communications) will, from the Record Date, be deemed (except to the extent inconsistent with the other provisions of this Scheme or as determined otherwise by Intermin in its sole discretion) to be a similarly binding instruction or notification to Intermin in respect of the New Intermin Shares issued to the Scheme Participant until such time as it is revoked or amended in writing addressed to Intermin at the Intermin Registry.

8.8 Notices

Where a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post:
