Additional Information regarding Pathway Agreement

Fiji Kava Limited (ASX: FIJ) (Fiji Kava or the Company), advises it has received questions from various parties in relation to the announcement on 27 February 2019 of the exclusive three-year agreement (Agreement) with leading Australian ingredient supplier, Pathway International Pty Ltd (Pathway). This announcement is made to clarify certain matters.

- Pathway's customers include Blackmores, Sanofi, Swisse, and Vitaco.
- The Agreement is a Wholesale Distribution Agreement rather than a Distribution Agreement.
- In addition to the terms detailed in the announcement, the following terms apply to the Agreement:
 - The initial term is three years with automatic two successive three-year terms if the Agreement is not terminated.
 - There are early termination conditions included in the agreement if the other Party fails to perform or becomes insolvent or bankrupt.

About Fiji Kava

Fiji Kava is a medical kava company based in Australia and the first foreign company with approval from the Fijian Government to operate in the kava industry. The Company has complete control over its vertically integrated supply chain in a true farm-to-shelf operation and has established a 120-acre nucleus farm in Levuka, on the island of Ovalau, Fiji. Fiji Kava is focussed on expanding the distribution of kava throughout western markets to provide a natural alternative to anti-anxiety prescription medicines such as Valium and Xanax. The Company sells its range of TGA and FDA compliant Taki Mai branded medical kava products in Fiji and is preparing to launch under the Fiji Kava brand in Australia in early 2019. Fiji Kava's products are backed by years of independent research. The Company plans to conduct human clinical trials to test the efficacy of Fiji Kava's products and specific kava cultivars, targeting a range of medical conditions.
