Senior Management Appointment

Ava Risk Group Limited (ASX:AVA) today announced that experienced security industry specialist Scott Basham has been appointed Chief Executive Officer. As a proven sales and business development executive, in addition to overseeing our global strategy and operations, Scott will also lead our global technology sales & marketing teams.

Scott is an internationally experienced corporate executive who has a wealth of knowledge and experience of the security industry, gained from almost twenty years of involvement working on major security projects and system integrations across Australasia and the Asia Pacific regions.

Over that time, Scott has formed and led international sales teams and project teams for global technology organisations, working with manufacturing facilities in France, Germany, Italy, Canada and the USA to deliver major projects throughout Australia, New Zealand, and the Asia Pacific region.

Scott's expertise encompasses leadership and general management of multiple ANZ business units, strategic sales and business development, international marketing and communications throughout APAC, as well as commercial, operational and program management.

Ava Chairman, David Cronin, said: "Optimising our team structure and skill set to drive revenue and profits is a key priority of the Board. Scott brings extensive industry experience and a proven track record in strategically developing business opportunities and managing business units to profitability. We welcome Scott and are looking forward to his leadership and contribution to increase and successfully close contracts within our large and increasing global sales pipeline".

During his career, Scott has worked for a number of major global security industry companies, including Smiths Detection (as Vice President & Managing Director Australia & New Zealand, and also as Vice President Strategy & Marketing APAC), Unisys (as APAC Program Manager for Location, Perimeter and Surveillance Security), Morpho Detection (as Sales Director APAC), Rapiscan Systems (as Managing Director Singapore Australia & New Zealand) and Idemia (as Business Development Manager APAC).

Scott has also previously consulted to the Australian Department of Defence, to conduct Security Risk Assessments and then the deployment of Risk Mitigation Measures, at major defence bases around Australia, as part of the Base Security Improvement Program (BSIP).

Scott's expertise and understanding encompasses the breadth of high-end, high-value, integrated detection, inspection and imaging technologies, and their applications in transportation, border protection, critical infrastructure, emergency services, and the military.

A former commissioned officer in the Australian Regular Army, Scott holds a Master of Business Administration and a Masters of Management from the Macquarie Graduate School of Management, as well as a Masters of Commerce from Macquarie University.

Scott will be based in Sydney, Australia.

Appendix A contains key terms of Mr. Basham's contract.
