Hi all,
Please see attached for the Form 604 from Coltrane.
Thank you.

For personal use only

Form 604Corporations Act 2001
Section 671B**Notice of change of interests of substantial holder****To** Company Name/Scheme **Spotless Group Holdings Ltd**ACN/ARSN 154 229 562**1. Details of substantial holder(1)**Name Coltrane Master Fund, L.P. (Coltrane) and each other person described in section 5 below (Coltrane Group)ACN/ARSN (if applicable) N/A

There was a change in the interests of the substantial holder on

March 26, 2019

The previous notice was given to the company on

May 08, 2017

The previous notice was dated

May 03, 2017**2. Previous and present voting power**

The total number of votes attached to all the voting shares in the company or voting interests in the scheme that the substantial holder or an associate (2) had a relevant interest (3) in when last required, and when now required, to give a substantial holding notice to the company or scheme, are as follows:

Class of securities (4)	Previous notice		Present notice	
	Person's votes	Voting power (5)	Person's votes	Voting power (5)
Ordinary Shares	Up to 116,838,996*	Up to 10.64%*	Up to 128,317,905*	Up to 11.64%* (Currently between 8.0% and 11.64%)

* Coltrane and the Coltrane Group's current voting power depends on the relevant interests in Spotless shares held by counterparties to cash-settled equity swaps. Morgan Stanley last reported on 23 June 2017 relevant interests in more than 88,207,766 Spotless shares (8.04% of Spotless's Issued capital). Coltrane is party to equity swaps with Morgan Stanley in relation to 88,591,266 Spotless shares. Coltrane and the Coltrane Group are not aware of the current relevant interests of the Goldman Sachs counterparties with whom they have entered into equity swaps relating to, in total 39,726,639 Spotless shares (3.60% of Spotless's issued capital). Depending on Goldman Sachs's current relevant interests in Spotless shares Coltrane and the Coltrane Group's current voting power would be between 8.04% and 11.64%. The holdings of each of Morgan Stanley and Goldman Sachs are subject to change – see important note on pg 3 below.

3. Changes in relevant interests

Particulars of each change in, or change in the nature of, a relevant interest of the substantial holder or an associate in voting securities of the company or scheme, since the substantial holder was last required to give a substantial holding notice to the company are as follows:

Date of change	Person whose relevant interest changed	Nature of change (6)	Consideration given in relation to change (7)	Class and number of securities affected	Person's votes affected
	Coltrane	Increase in the number of ordinary shares the subject of cash settled equity swaps to which Coltrane is party. The acquisition by swap counterparties of shares subject of those equity swaps would give Coltrane a relevant interest* in those shares under s608(8) of the Corporations Act 2001 (Cth) on the basis that the swap counterparty has previously confirmed that its intention is to make the share subject of those equity swaps available to Coltrane upon unwinding of that swap. Key terms of the cash-settled equity swaps are described in Annexure A.	See attached Annexure B	See attached Annexure B	See attached Annexure B
	Coltrane Group	Relevant interest under section 608(3) of the Corporations Act in shares that Coltrane has a relevant interest on the basis that they each control Coltrane.	See attached Annexure B	See attached Annexure B	See attached Annexure B

* See important note on page 3 below

4. Present relevant interests

Particulars of each relevant interest of the substantial holder in voting securities after the change are as follows:

Holder of relevant interest	Registered holder of securities	Person entitled to be registered as holder (8)	Nature of relevant interest (6)	Class and number of securities	Person's votes
Coltrane*	Morgan Stanley Australia Securities (Nominee) Pty Limited*	Coltrane*	Shares in which Morgan Stanley has stated it has a relevant interest that under s608(8) of the Corporations Act 2001 (Cth) Coltrane is taken to have a relevant interest in on the basis that the swap counterparty has previously confirmed that its intention is to make the share subject of those equity swaps available to Coltrane upon unwinding of that swap. Key terms of the cash-settled equity swaps are described in Annexure A.	88,591,266* Ordinary Shares	N/A
Coltrane*	Unknown*	Coltrane*	Ordinary shares in which Coltrane has assumed, for the purposes of this notice, Goldman Sachs has a relevant interest. Under s608(8) of the Corporations Act 2001 (Cth) Coltrane would have a relevant interest in shares in Spotless shares in which Goldman Sachs has a relevant interest on the basis of an expectation to be delivered upon request ordinary shares that are currently the subject of cash-settled equity swaps. Key terms of the cash-settled equity swaps are described in Annexure A.	39,726,639* Ordinary Shares	N/A
Coltrane Group*	Morgan Stanley Australia Securities (Nominee) Pty Limited*	Coltrane*	Relevant interest under section 608(3) of the Corporations Act on the basis that they each control Coltrane.	88,591,266* Ordinary Shares	N/A
Coltrane Group*	Unknown*	Coltrane*	Relevant interest under section 608(3) of the Corporations Act on the basis that they each control Coltrane.	39,726,639* Ordinary Shares	N/A

* See important note on page 3 below

*** IMPORTANT NOTE:**

On 23 March 2017, 30 March 2017 3 April 2017 and 8 May 2017, Coltrane announced to ASX substantial holder notices which disclosed that Coltrane had a relevant interest under section 608(8) of the Corporations Act in Spotless shares the subject of cash-settled equity swaps (**Swaps**) on the basis that counterparties to the Swaps had confirmed that they would be able to, upon request, convert the economic position held under the Swaps to physical ordinary shares by closing out Coltrane's position and physically delivering to Coltrane a number of Spotless shares equivalent to the number to which the Swaps relate (**Swap Shares**).

Since the date of Coltrane's last substantial notice on 8 May 2017, the number of Swap Shares subject of the Swaps has increased by at least 1%.

The operation of s608(8) means that Coltrane and its associates' voting power in Spotless at any particular time depends on the relevant interests in Spotless shares held by the counterparties to the Swaps.

On 23 June 2017, Morgan Stanley & Co. LLC / Morgan Stanley & Co International plc publicly confirmed that a Morgan Stanley group company holds those Swap Shares subject of the swaps to which they are party as a hedge to the Swaps, and their intention to make those Swap Shares available to Coltrane upon the unwinding of those Swaps. Goldman Sachs & Co. / Goldman Sachs International have not publicly made such a statement.

However, the swap counterparties are not obliged under the terms of the equity swaps or at law to hold Swap Shares at all times. Indeed, the counterparties may each buy, sell or loan Spotless shares on a daily basis, which may mean that the swap counterparties may not be the registered holder of Swap Shares, and may not maintain at all times a relevant interest in Swap Shares.

As a result, depending on whether the swap counterparty has a relevant interest in Spotless shares equivalent to the total number of Swap Shares, Coltrane may not maintain at all times a relevant interest in Spotless shares equivalent to the number of Spotless shares the subject of the Swaps.

The equity swap counterparties are not obliged under the terms of the equity swaps to inform Coltrane of any such changes in their relevant interests in Spotless shares, or whether or not they are the registered holder of such shares.

This means that Coltrane may not become aware of any changes to its relevant interests in Spotless shares until it is advised of changes to the relevant interest of the counterparties in Spotless shares. As such, Coltrane may not be obliged to announce a Notice of change of interests of substantial holder in respect of such changes until it becomes aware of any further information concerning the relevant interests of counterparties that it does not presently know or any change to the counterparties' present relevant interests in Spotless.

5. Changes in association

The persons who have become associates (2) of, ceased to be associates of, or have changed the nature of their association (9) with, the substantial holder in relation to voting interests in the company or scheme are as follows:

Note: No changes of association arise – however further details of existing associations are given below
