To consider and if thought fit, pass the following as a non-binding ordinary resolution of the Company:

“That, for the purposes of section 250R(2) of the Corporations Act 2001 (Cth) and for all other purposes, the Company’s Remuneration Report for the financial year ended 31 December 2018, as set out in the Directors’ Report, is adopted.”

Please note that, in accordance with section 250R(3) of the *Corporations Act 2001* (Cth), the vote on this resolution is advisory only and does not bind the Directors or the Company.

However, a person described above may cast a vote on Resolution 2 as a proxy if the vote is not cast on behalf of a person described above and either:

- b. the vote is cast by the chair of the Meeting and the appointment of the chair as proxy:

However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.*

BY ORDER OF THE BOARD

ENTITLEMENT TO ATTEND AND VOTE

In accordance with regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the Board has determined that persons who are registered holders of shares of the Company as at 11.00am (AEST) on Tuesday, 28 May 2019 will be entitled to attend and vote at the AGM as a shareholder.

If more than one joint holder of shares is present at the AGM (whether personally, by proxy or by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

Appointment of Proxy

If you are a shareholder entitled to attend and vote, you may appoint an individual or a body corporate as a proxy. If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Corporations Act 2001 (Cth) (the **Act**) to exercise its powers as proxy at the AGM.

A proxy need not be a shareholder of the Company.

A shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the shareholder's votes.

To be effective, the proxy must be received at the Share Registry of the Company no later than 11.00am (AEST) on Tuesday, 28 May 2019. Proxies must be received before that time by one of the following methods:

To allow time to collate questions and prepare answers, please submit any questions by 5.00pm (AEST) on Thursday, 23 May 2019. Questions will be collated and, during the AGM, the Chairman will seek to address as many of the more frequently raised topics as possible. Enclosed is the proxy form to be completed if you would like to be represented at the AGM by proxy. Shareholders are encouraged to use the online voting facility that can be accessed on Po Valley Energy Limited's share registry's website at www.linkmarketservices.com.au to ensure the timely and cost effective receipt of your proxy.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in relation to the business to be conducted at the Company's AGM to be held on Thursday, 30 May 2019.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote upon the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions. The Chairman of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Resolution 1 is an ordinary resolution, which requires a simple majority of votes cast by Shareholders present and entitled to vote on that resolution. Resolution 2, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company. Resolutions 3 and 4 are special resolutions, which require a special majority of votes cast by Shareholders present and entitled to vote on those resolutions.

Resolution 1. Re-Election of Director – Byron Pirola

In accordance with clause 13.2 of the Constitution, Dr Pirola retires from office at the conclusion of the AGM and is eligible for re-election as a Director of the Company.

Dr Byron Pirola BSc, PhD

Byron is a co-founder of PVE and is based in Sydney. He is currently a Director and Managing Director of Port Jackson Partners Limited, a Sydney based strategic management consulting firm. Prior to joining Port Jackson Partners in 1992, Byron spent six years with McKinsey & Company working out of the Sydney, New York and London offices and across the Asian region. He has extensive experience in advising CEOs and boards of both large public and small developing companies across a wide range of industries and geographies.

Recommendation of the Board: The Directors, with Byron Pirola abstaining, unanimously recommend Shareholders vote in favour of Resolution 1.

Resolution 2. Adoption of Remuneration Report

General

Section 250R(2) of the Corporations Act 2001 (Cth) (the **Corporations Act**) requires that the section of the Directors' Report dealing with the remuneration of directors and key management personnel (**KMP**) of the Company (**Remuneration Report**) be put to the vote of shareholders for adoption by way of a non-binding vote.

Broadly, the Remuneration Report details the remuneration policy for the Company and:

- explains the structure of and rationale behind the Company's remuneration practices and the link between the remuneration of executives and the Company's performance;
- sets out remuneration details for each Director and for each executive with authority and responsibility for directing the affairs of the Company; and
- discusses the relationship between the policy and Company performance.

Shareholders can view the full Remuneration Report in the Annual Report which is available on Po Valley Energy Limited's website at <https://www.povalley.com/en/investors/news-asx-releases>.

The Chairman of the Meeting will give shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Voting Consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company

Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this AGM.

The vote on this resolution is advisory only and does not bind the Directors or the Company.

Recommendation of the Board: The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to Resolution 2.

Resolution 3. Adoption of new constitution

A company may modify or repeal its constitution or a provision of its constitution by a special resolution of its shareholders.

The Constitution, being the rules by which the Company operates, should continue to evolve in line with the regulatory environment in which the Company operates.

Resolution 3 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted at the time of the Company's incorporation in 2004.

Additionally, the Company is currently considering pursuing a listing on the London Stock Exchange's Alternative Investment Market (**AIM**) and if successful will become dual listed on ASX and AIM. Therefore, the Proposed Constitution contains necessary provisions to ensure that the Company's constitution is compliant with being dual listed on AIM.

The Proposed Constitution is broadly consistent with the provisions of the existing constitution. Many of the proposed changes are administrative or minor in nature. The Directors believe the changes are not material nor will it have any significant impact on shareholders.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <http://www.pvalley.com> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9316 9100). Shareholders are invited to contact the Company if they have any queries or concerns.

Summary of material proposed changes

Restricted Securities (clause 2.12)

Clause 2.12 of the Proposed Constitution outlines how the Company and Shareholders shall comply with the requirements of all applicable exchange rules relating to restricted securities.

Amendments to the ASX Listing Rules (which come into effect in July 2019) allow the Company to include in its Constitution a statement that relevant holders of restricted securities will be taken to have agreed in writing that the restricted securities shall have a holding lock applied for the duration of the escrow period.

Minimum Shareholding (clause 3)

Clause 3 of the Proposed Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers. Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to

allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act. This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- assisting in preventing Shareholders from being locked in as a minority;
- increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- proportional takeover bids may be discouraged;
- lost opportunity to sell a portion of their Shares at a premium; and
- the likelihood of a proportional takeover bid succeeding may be reduced.

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders.

Summary of material proposed changes as a result of proposed AIM listing

The Company's current Constitution contains provisions which are specific to the Company being listed on ASX and the applicable rules of that exchange. Therefore, in contemplation of the proposed listing or dual listing of the Company on AIM and to maintain flexibility for the Company, the new Constitution to be adopted contains a number of provisions which refer to a "recognised exchange" rather than limiting the exchange to ASX thereby allowing the exchange on which the Company is listed (or dual listed) to be ASX and/or AIM (or any other exchange the Company may consider in the future).

Recommendation of the Board: *The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.*

Resolution 4. Approval of 10% Placement Facility

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- is not included in the S&P/ASX 300 Index; and
- has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$22.63m (based on the number of Shares on issue and the closing price of Shares on the ASX on 23 April 2019).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: PVE).

If Shareholders approve Resolution 4, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 5 ASX trading days of the date in section [insert], the date on which the Equity Securities are issued.

Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- 12 months after the date of this Meeting; and
- the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 23 April 2019.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0185 50% decrease in Issue Price	\$0.037 Issue Price	0.0555 50% increase in Issue Price
611,736,319 (Current Variable A)	Shares issued - 10% voting dilution	61,173,631 Shares	61,173,631 Shares	61,173,631 Shares
	Funds raised	\$1,131,712	\$2,263,424	\$3,395,137
917,604,479 (50% increase in Variable A)	Shares issued - 10% voting dilution	91,760,447 Shares	91,760,447 Shares	91,760,447 Shares
	Funds raised	\$1,697,568	\$3,395,167	\$5,095,705
1,223,472,638 (100% increase in Variable A)	Shares issued - 10% voting dilution	122,347,263 Shares	122,347,263 Shares	122,347,263 Shares
	Funds raised	\$2,263,424	\$4,526,849	\$6,790,273

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- There are currently 611,736,319 Shares on issue;
- The issue price set out above is the closing price of the Shares on the ASX on 23 April 2019;
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- as cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets and projects (funds would then be used for project, feasibility studies and ongoing project administration), general working capital; or
- as non-cash consideration for the acquisition of new resources assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

Allocation policy under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- the purpose of the issue;
- alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

Previous approval under ASX Listing Rule 7.1A

The Company did not previously obtain approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 30 May 2018.
