VOTING

Shareholders should read the Notice including the Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

(a) Voting in person

To vote in person, attend the Meeting at the time, date and place set out above.

(b) Voting by an appointed representative ('proxy')

A Shareholder of the Company who is entitled to attend and vote at the Meeting has a right to appoint a person as their proxy to attend and vote for the Shareholder at the Meeting.

A proxy need not be a Shareholder of the Company. A proxy can either be an individual or a body corporate. Should you appoint a body corporate as your proxy, that body corporate will need to ensure that it:

- (i) appoints an individual as its corporate representative to exercise its powers at meetings in accordance with section 250D of the Corporations Act; and
- (ii) provides satisfactory evidence of the appointment of its corporate representative prior to the commencement of the meeting.

If satisfactory evidence of the appointment as corporate representative is not received before the Meeting, then the body corporate (through its representative) will not be permitted to act as your proxy.

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the specified time and in accordance with the instructions set out on the enclosed Proxy Form. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- (i) each Shareholder has a right to appoint a proxy;
- (ii) the proxy need not be a Shareholder of the Company; and
- (iii) a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Proxy forms and, if applicable, the powers of attorney (or a certified copy of the powers of attorney) under which they are signed must be lodged directly by the member making the appointment at least 48 hours before the appointed time of the meeting.

(c) Proxy vote if appointment specifies way to vote

In accordance with section 250BB of the Corporations Act, Shareholders are advised that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution. If it does:

- (i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as instructed); and
- (ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution- the proxy must not vote on a show of hands;
- (iii) if the proxy is the Chairperson of meeting at which the resolution is voted on- the proxy must vote on a poll, and must vote that way (i.e. as instructed); and
- (iv) if the proxy is not the Chairperson of the meeting at which the resolution is voted on – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as instructed).

If the proxy is a member, this subsection does not affect the way that person can cast votes in their individual capacity as a member of the Company.

(d) Transfer of non-chair proxy to chair in certain circumstances

Under section 250BC of the Corporations Act, the Chairperson is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on that resolution at that meeting if:

- (i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the company's members; and
- (ii) the appointed proxy is not the chair of the meeting; and
- (iii) at the meeting, a poll is duly demanded on the question that the resolution be passed; and
- (iv) either of the following apply:
 - (A) if a record of attendance is made for the meeting – the proxy is not recorded as attending;
 - (B) the proxy does not vote on the resolution.

(e) Lodgement of Proxy Form

If voting by proxy, please complete and sign the enclosed Proxy Form and return it by one of the methods set out below so that it is received no less than 48 hours before the Meeting. Proxy Forms that do not meet this deadline will be invalid.

EXPLANATORY MEMORANDUM

The Explanatory Statement has been prepared for the purposes of the Corporations Act and the Listing Rules. The purpose of this Explanatory Statement is to provide Shareholders with all the information known to the Company that is material to Shareholders in deciding whether or not to approve the Resolutions as set out in the Notice at the Meeting to be held at level 1, 34-36 Punt Road, Windsor, Victoria on 19 June 2019 commencing at 11:00 am (AEST).

The Company recommends that Shareholders read this Explanatory Memorandum in full and in conjunction with the Notice before making any decisions in relation to the proposed Resolutions.

Please contact the Company Secretary on +61 3 9516 6500 between 9:00am and 5:00pm (AEST) if you have any questions about the Meeting or the Resolutions the subject of this Notice.

1. Background to Resolutions 1 and 2

1.1 Agreement

The Company entered into a convertible note funding agreement dated 30 April 2019 with Lind Global Macro Fund, LP (**Noteholder**) (**Agreement**) pursuant to which the Company issued the following securities:

- (a) a convertible note with a term of 26 months expiring 30 June 2021 (**Maturity Date**) and a face value of \$2,400,000 to the Noteholder (**Original Note**);
- (b) 50,000,000 Shares (**Collateral Shares**) in consideration for the Noteholder entering into the Agreement and purchasing the convertible security; and
- (c) 62,500,000 Options exercisable at \$0.016 each, on or before 30 April 2022, and otherwise on the terms set out in Schedule 1 (**Noteholder Options**).

The Company and each of its wholly owned subsidiaries have secured the Company's obligations under the Agreement. This means that if the Company is unable to repay its payment obligations, the Noteholder may seek to enforce its security over the Company and its assets, and there may be a risk of the Company entering into administration.

As at the date of this Notice, the Noteholder has advanced the Company the full draw down amount of \$2,000,000. The Noteholder may convert up to a maximum aggregate of 13,382,452 Shares (**Conversion Cap**) at the conversion prices set out in Section 1.2. Under the terms of the Agreement, the Company may elect, at its discretion, to buy back the outstanding balance of the Original Note, subject to the Noteholder having the option to convert, at its discretion, up to 33% of the face value of the Original Note on issue at the lesser of the Fixed Price of the Monthly Conversion Price (as those terms are defined in Section 1.2).

Under the terms of the Agreement, the Company is required to seek Shareholder approval to issue another convertible note to the Noteholder (**Replacement Note**) (the subject of Resolution 1) that is not subject to the Conversion Cap and is otherwise on the same terms as the Original Note. Please refer to Section 2 for further detail on the Replacement Note.

For a summary of the material terms of the Original Note (and Replacement Note) please refer to Schedule 4.

1.2 Conversion

Under the Original Note, the Noteholder may, at any time, convert an amount of the security into Shares not exceeding the Conversion Cap at the conversion price of:

- (a) \$0.016 (**Fixed Price**); or

- (b) after the date which is 60 days after completion of the Agreement, in any calendar month, the Noteholder may convert up to \$100,000 worth of Shares at 90% of the average of 5 daily VWAPs chosen by the Noteholder from the daily VWAPs for the 20 Trading Days immediately prior to the date the Company receives a conversion notice from the Noteholder (**Monthly Conversion Price**).

Subject to Shareholder approval being obtained for Resolution 1, the Company will issue the Replacement Note to the Noteholder and, upon such issue, the outstanding Original Note will be redeemed and the Replacement Note will be outstanding. For the avoidance of doubt, the face value of the Replacement Note will be \$2,400,000 less any amounts the Noteholder has converted into Shares under the Original Note.

1.3 Issue or repayment of additional securities under the Agreement

Pursuant to, and in accordance with, the Agreement, the Company issued 50,000,000 Shares (**Collateral Shares**), comprising the collateral shareholding (**Collateral Shareholding**), and 62,500,000 Options (**Noteholder Options**) to the Noteholder on 30 April 2019.

- (a) Collateral Shareholding

During the term of the Agreement, the Noteholder:

- (i) may sell, assign, mortgage or otherwise deal with the Collateral Shareholding at its discretion (for the avoidance of doubt, this will have no effect on the Collateral Shareholding amount unless they are collateralised in accordance with Section 1.3(a)(ii)); and
- (ii) may elect to reduce, in whole or in part, the Collateral Shareholding, at any time, by paying the consideration (**Collateralisation Price**) for the nominated amount to be collateralised. The Collateralisation Price is determined by the following formula:

$C = A \times B$ where:

A = the portion of the Collateral Shareholding the Noteholder seeks to reduce; and

B = the price per Share equal to 90% of the average of 5 VWAPs per Share in the 20 consecutive trading days immediately prior to the date of collateralisation, as selected at the Noteholder's discretion.

As at the Maturity Date, notwithstanding the manner in which the Noteholder deals with the Collateral Shareholding, the Noteholder will be deemed to hold the Collateral Shareholding amount of the Collateral Shares less any amount that has been collateralised in accordance with the process set out in Section 1.3.

For example, if the Noteholder elects to reduce its Collateral Shareholding by 15,000,000 Shares and on the basis that the Noteholder does not elect to carry out additional collateralisations during the term, the Noteholder's Collateral Shareholding will be 35,000,000 Shares at the Maturity Date. The 35,000,000 Shares shall be dealt with in accordance with the process set out in the next paragraph.

If the Noteholder has not collateralised all of the Collateral Shareholding by the Maturity Date and the Company has satisfied its repayment obligations, the Noteholder must:

- (i) transfer that number of Shares comprising the Collateral Shareholding to the Company for no consideration to or at the direction of the Company; or
- (ii) subject to the Shares trading on ASX on the relevant day and trading for at least 5 trading days prior to payment, pay the Company in immediately available funds an

amount equal to the outstanding Collateral Shareholding number multiplied by the Collateralisation Price.

(b) Options

The Company issued the Noteholder Options to the Noteholder with each Option exercisable at \$0.016 on or before 30 April 2022 and otherwise on the terms set out in Schedule 1.

1.4 Event of default

The events of default (**Events of Default**) under the Agreement are summarised in the terms set out in Schedule 4. If an Event of Default occurs, and the Event of Default is not remedied or waived by the relevant party, the Noteholder may:

- (a) give notice to the Company to satisfy all of its outstanding obligations under the Agreement, effective immediately; and/or
- (b) terminate the Agreement, effective as at the date of the Noteholder's notice given under Section 1.4(b).

Upon an Event of Default occurring, interest payable on the Original Note will be at a rate per annum which is 6% more than the "Cash Rate Target" last published by the Reserve Bank of Australia at the time of the Event of Default.

Interest will accrue from the earliest date of the Event of Default on the amount outstanding and will compound monthly for as long as the Event of Default is not remedied and such interest will be payable on a monthly basis in arrears.

2. Resolution 1 – Approval to issue Replacement Note

2.1 General

As summarised in Section 1 and as set out in the cleansing statement announced on 30 April 2019, the Company issued the Original Note to the Noteholder pursuant to the Agreement. The Noteholder is not a related party of the Company and, as at the date of this Notice, holds a shareholding of 4.14% in the Company. For completeness, on 8 May 2019 and in accordance with section 671B of the Corporations Act, the Noteholder released a substantial shareholder notice to the market disclosing that it, together with its associates, holds an aggregate voting power in the Company of 5.89%.

Under the Agreement, the Company is obligated to seek Shareholder approval to issue a Replacement Note (**Replacement Note**). The Replacement Note is to be issued on the same terms as the Original Note except the security will not be subject to the Conversion Cap. The face value of the Replacement Note will be the outstanding face value of the Original Note. For example, if the Noteholder converts 15,000,000 Shares at the Fixed Price (comprising \$240,000 worth of Shares) under the Original Note, the outstanding face value under the Replacement Note will be \$2,160,000.

Please refer to the summary of material terms of the Replacement Note set out in Schedule 4. If Resolution 1 is approved by Shareholders, the Company will withdraw Resolution 2.

If Shareholder approval is not obtained for Resolution 1, the Company will not be able to meet its obligation under the Agreement to issue the Noteholder the Replacement Note which may constitute an Event of Default under the Agreement. If an Event of Default occurs and is not remedied, the Noteholder may elect to redeem the outstanding amount under the Original Note from the Company immediately. If the Company is unable to satisfy its repayment obligations as and when requested, the Noteholder may seek to enforce its security over the Company and its assets and the Company may become an externally administered body corporate.

For the avoidance of doubt, if Shareholder approval is not obtained for Resolution 1 to issue the Replacement Note, the Company will continue to seek Shareholder approval to ratify the issue of the Original Note under Resolution 2.

2.2 Listing Rule 7.1

Listing Rule 7.1 provides that a company must not, subject to specified exceptions under Listing Rule 7.2, issue, or agree to issue, securities during any 12 month period in excess of 15% of the number of ordinary shares on issue at the commencement of that 12 month period, without shareholder approval.

Shareholder approval is sought pursuant to Resolution 1 so that the Replacement Note can be issued as an equity instrument. The effect of Resolution 1 will be to allow the Replacement Note to be issued as an Equity Security without using the Company's placement capacity under Listing Rule 7.1.

If Resolution 1 is approved by Shareholders, the Company will withdraw Resolution 2. Shareholders should be aware that if Shareholder approval is not obtained for Resolution 1, an Event of Default will occur as the Company will not be able to meet its obligation to issue the Replacement Note to the Noteholder under the Agreement.

2.3 Examples of conversion of the Replacement Note

The conversion of the Replacement Note will be the lower of:

- (a) the Fixed Conversion Price; or
- (b) the Monthly Conversion Price.

The Company has prepared the following examples in the table below to demonstrate the potential dilution effect of the conversion of the Replacement Note into Shares at the conversion prices of: \$0.016 (being the Fixed Price) and the Monthly Conversion Prices of \$0.001 and \$0.013.

The following assumptions apply to the table:

- (c) the Noteholder does not convert any amount under the Original Note (this means the Replacement Note will have the same face value of \$2,400,000);
- (a) the Noteholder converts the total face value under the Replacement Note; and
- (b) prior to the conversion of the Replacement Note, the Company does not issue any additional Shares to Noteholders and no other Equity Securities are issued, converted or exercised.

For completeness, the Noteholder may only convert up to an aggregate of \$100,000 per month at the Monthly Conversion Price.

Conversion Price	Shares on issue as at date of Notice	Shares issued on conversion	Dilution to Shareholders (%)
\$0.001	1,207,200,524	240,000,000	16.58
\$0.013	1,207,200,524	184,615,385	13.26
\$0.016	1,207,200,524	150,000,000	11.05

2.4 Effect of issue of Replacement Note on substantial Shareholders

The table below demonstrates the maximum dilution effect that the issue of the Replacement Note will have on the Company's substantial shareholders' relevant interest on the following bases:

- (a) the Noteholder does not convert any amount under the Convertible Note prior to the issue of the Replacement Note; and
- (b) no additional Shares are issued to Shareholders prior to the conversion of the Replacement Note and no other Equity Securities are issued, converted or exercised.

Substantial Holder	Current Shareholding at date of Notice	Current relevant interest (%)	Relevant interest with conversion price of \$0.001 (%)	Relevant interest with conversion price of \$0.013 (%)	Relevant interest with conversion price of \$0.016 (%)
Asean Deep Value Fund	170,255,456	14.10	11.76	12.23	12.54

2. The Lind Partners LLC holds its interest through associated entities, the Australian Special Opportunity Fund and Lind Global Macro Fund LP.

2.5 Specific Information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the approval of the issue of the Replacement Note:

- (a) the maximum number of securities to be issued is one convertible security, being the Replacement Note;
- (b) if Resolution 1 is approved, the Replacement Note will be issued at the time approval is obtained (i.e. the date of this Meeting);
- (c) the issue price of the Replacement Note is \$2,400,000. Subject to obtaining Shareholder approval for Resolution 1, the Noteholder may elect to convert, in whole or in part, the Replacement Note into Shares at the conversion price equal to the lower of:
 - (i) the Fixed Price; or
 - (ii) after the date which is 60 days after completion of the Agreement, in any calendar month, up to \$100,000 worth of Shares at the Monthly Conversion Price;
- (d) the Replacement Note will be issued to Lind Global Macro Fund, LP;

- For personal use only
- (e) the material terms of the Replacement Note are summarised in Schedule 4. Shares issued on conversion of the Replacement Note will be fully paid ordinary shares and will rank equally in all respects with existing Shares on issue;
 - (f) funds raised from the issue of the Replacement Note will be used to finance the remaining work on the Company's definitive feasibility study for the Tiris Project and for general working capital purposes.
 - (g) the issue date of the Replacement Note will be the date of the Meeting;
 - (h) a voting exclusion statement is included in this Notice.

3. Resolution 2 – Ratification of issue of Original Note

3.1 General

As summarised in Section 1 and as set out in the Company's cleansing statement announced on 30 April 2019, the Company issued the Original Note to the Noteholder in accordance with the Agreement.

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Original Note which the Company issued within the last 12 months without obtaining prior Shareholder approval.

In accordance with the terms of the Original Note, the Noteholder may convert, at its discretion, in whole or in part, up to a maximum aggregate of 13,382,452 Shares, at the Fixed Price or Monthly Conversion Price.

Under the Agreement, the Company is obligated to seek Shareholder approval for the issue of the Replacement Note the subject of Resolution 1.

If Shareholders approve Resolution 1:

- (a) the Original Note will be redeemed in full and the Replacement Note will be outstanding; and
- (b) the Company will withdraw this Resolution 2.

ASX granted this waiver on the basis that the related parties participated in the SPP, and will be issued the Listed Options in connection with the SPP, on the same terms as any other eligible shareholders. For this reason, the Company is not seeking Shareholder approval for the issue of 1,250,000 Listed Options to Directors Robert Beeson and Julian Perkins.

4.2 Listing Rule 7.1

Listing Rule 7.1 is summarised in Section 2.2 above.

The effect of Resolution 3 will be to allow the Company to issue up to 13,041,670 Listed Options pursuant to the Listed Options Offer under the Prospectus during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

4.3 Technical information required by Listing Rule 7.3

- (a) the maximum number of securities to be issued is 13,041,670 Listed Options;

5. Resolution 4 – Approval to issue Loyalty Options

5.1 General

Resolution 4 seeks Shareholder approval for the issue of up to 7,825,005 Options (**Loyalty Options**) to Shareholders that participated in the Placement and SPP (**Loyalty Options Offer**), with both capital raises completing on 22 February 2019.

Subject to Shareholders approving Resolution 4, the Listed Options will be issued under a Prospectus to be issued by the Company in connection with its entitlement offer, the terms of which were announced on 5 February 2019.

The Loyalty Options are subject to a vesting condition that the Optionholder remains a Shareholder as at the vesting date, being 31 July 2019 (**Vesting Date**). Any unvested Loyalty Options will lapse on the Vesting Date.

On the Vesting Date, the number of Loyalty Options will vest equal to the lesser of the aggregate number of Shares (i.e. the total number of Shares held in the Loyalty Option holder's share-trading account) following:

- (a) the issue date of the Shares pursuant to the SPP and Placement in relation to the Loyalty Options offered under the Prospectus; and
- (b) the number of Loyalty Options held on the Vesting Date,

held on the Vesting Date divided by 5.

The table on the next page illustrates how the Vesting Condition operates with various transaction scenarios undertaken by Loyalty Option holders prior the Vesting Date.

Loyalty Option Scenarios					
No. Shares held on Issue Date	90,000	90,000	90,000	90,000	90,000
No. Loyalty Options Issued	18,000	18,000	18,000	18,000	18,000
Transactions completing before Vesting Date	No transactions	Shareholder purchases 10,000 Shares before Vesting Date	Shareholder sells 30,000 Shares before the Vesting Date	Shareholder sells 45,000 Shares then purchases 45,000 Shares before Vesting Date	Shareholder sells 40,000 Shares then purchases 10,000 Shares before Vesting Date
No. Shares held on Vesting Date	90,000	100,000	60,000	90,000	60,000
No. of Loyalty Options that vest	18,000	18,000	12,000	18,000	12,000
No. Loyalty Options that lapse	Nil	Nil	6,000	Nil	6,000
Reason	Same number of Shares held therefore all Loyalty Options vest.	Shareholders who purchase additional Shares such that their shareholding at the Vesting Date is greater than their holding at the Issue Date are not entitled to additional Loyalty Options.	Number of Shares held divided by 5 is now less than number of Loyalty Options on Vesting Date.	Same number of Shares held therefore all Loyalty Options vest.	Number of Shares held divided by 5 is now less than number of Loyalty Options on Vesting Date.

The Company has received a waiver from Listing Rules 10.11 to permit the Company to issue the Loyalty Options to related parties of the Company who participated in the SPP. ASX granted this waiver on the basis that the related parties participated in the SPP, and will be issued the Loyalty Options in connection with the SPP, on the same terms as any other eligible shareholders. For this reason, the Company is not seeking Shareholder approval for the issue of 1,250,000 Loyalty Options to Directors Robert Beeson and Julian Perkins.

5.2 Listing Rule 7.1

Listing Rule 7.1 is summarised in Section 2.2 above.

The effect of Resolution 4 will be to allow the Company to issue up to 7,825,005 Loyalty Options pursuant to the Loyalty Options Offer under the Prospectus during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

- (c) the Loyalty Options will be issued for nil consideration;
- (d) the Loyalty Options will be issued to shareholders that participated in the SPP and/or Placement;
- (e) the Loyalty Options will be issued on the terms and conditions set out in Schedule 3;

Schedule 1 – Terms of Noteholder Options

For the purposes of this Schedule 1, an 'Option' means an Noteholder Option.

- (a) **(Nature of Options)** Each Option will grant the holder of that Option the right but not the obligation to be issued by the Company one Share at the Options Exercise Price (subject to any adjustment under this Agreement). Each Option will be exercisable by the Option holder complying with its obligations under this clause at any time after the time of the grant of the Option and prior to the Options Expiration Date, after which time it will lapse.
- (b) **(Exercise of Options)** Without limiting the generality of, and subject to, the other provisions of the Agreement, an Option holder may exercise any of its Options at any time prior to their expiration, by delivery of:
- (i) a copy, whether facsimile or otherwise, of a duly executed Option exercise form substantially in the form attached to this Agreement as Annexure A (the Exercise Form), to the Company during normal business hours on any Business Day at the Company's principal executive offices (or such other office or agency of the Company as it may designate by notice to the Option holder);
 - (ii) a copy, whether facsimile or otherwise, of any exercise form required by the share registrar; and
 - (iii) payment of an amount equal to the Options Exercise Price multiplied by the number of Shares in respect of which the Options are being exercised at the time by wire transfer to the account specified by the Company from time to time or by bank draft delivered to the Company during normal business hours on any Business Day at the Company's principal executive offices (or such other office or agency of the Company as it may designate by notice to the Option holder).

As soon as reasonably practicable, but in any event no later than two (2) Business Days after receipt of a duly completed Exercise Form and the payment referred to in clause b(ii), the Company must cause its securities registrar to:

- (i) issue and Electronically Deliver the Shares in respect of which the Options are so exercised by the Option holder; and
 - (ii) provide to the Option holder holding statements evidencing that such Shares have been recorded on the Share register.
- (c) **(Bonus Issues)** If prior to an exercise of an Option, but after the issue of the Option, the Company makes an issue of Shares by way of capitalisation of profits or out of its reserves (other than pursuant to a dividend reinvestment plan), pursuant to an offer of such Shares to at least all the holders of Shares resident in Australia, then on exercise of the Option, the number of Shares over which an Option is exercisable will be increased by the number of Shares which the holder of the Option would have received if the Option had been exercised before the date on which entitlements to the issue were calculated.
- (d) **(Rights Issues)** If prior to an exercise of an Option, but after the issue of the Option, any offer or invitation is made by the Company to at least all the holders of Shares resident in Australia for the subscription for cash with respect to Shares, options or other securities of the Company on a pro rata basis relative to those holders' Shareholding at the time of the offer, the Options Exercise Price will be reduced as specified in the Listing Rules in relation to pro-rata issues (except bonus issues).

 - (f) **(Cumulative Adjustments)** Full effect will be given to the provisions of clauses (c) and (e), as and when occasions of their application arise and in such manner that the effects of the successive applications of them are cumulative, the intention being that the adjustments they progressively effect will be such as to reflect, in relation to the Shares issuable on exercise of the Options outstanding, the adjustments which on the occasions in question are progressively effected in relation to Shares already on issue.
 - (g) **(Notice of Adjustments)** Whenever the number of Shares over which an Option is exercisable, or the Options Exercise Price, is adjusted pursuant to this Agreement, the Company must give notice of the adjustment to all the Option holders as soon as reasonably practicable and in any event, within three (3) Business Days.
 - (h) **(Rights prior to Exercise)** Prior to its exercise, an Option does not confer a right on the Option holder to participate in a new issue of securities by the Company.
