Cirrus wins ACT Gov Cisco support contract

HIGHLIGHTS

- ACT Government network maintenance and support contract
- Continues success of Canberra Office
- Contract for 3 years with TCV circa \$5m
- Predominantly product based revenue

Cirrus Networks Holdings Limited (“Cirrus” or the “Company”) (ASX: CNW) is pleased to announce it has secured the provision of a Cisco SmartNET maintenance and support contract totaling circa \$5 million.

Awarded through competitive process, Cirrus secured the contract with the ACT Government for the maintenance and support of their Cisco infrastructure. Over the next 3 years Cirrus will support the infrastructure through a combination of Cirrus’ Preferred Partner Support and Vendor direct support models.

This success is in addition to the \$9 million of new contracts awarded to Cirrus since 1 July as announced in the ASX Trading Update 24 July 2019.

Commenting on the contract win, Cirrus Managing Director, Matt Sullivan, said:

“We are extremely pleased to have been awarded this contract with the ACT Government through the DTA panel tender process. Cirrus is proud of its demonstrated value-based solutions to government and our Canberra team continue to be recognized for their innovative customer focused approach and market leading network management and support. We look forward to being a trusted partner of the ACT Government over the next 3 years and continuing to showcase our quality offerings.”
