<sup>1.</sup> Funds from operations (FFO) and Adjusted Funds From Operations (AFFO) are determined with reference to the PCA guidelines.

<sup>2.</sup> Return on equity accumulates individual business return on assets and adjusts for cash interest paid and average drawn debt for the 12 month period. Excludes Residential Communities workout projects.

#### Improving portfolio quality

- Transacted \$505m<sup>1</sup> non-core Retail Town Centre divestments before the targeted time frame to complete \$400m retail divestment program
- Exchanged contracts to acquire remaining 50% interest in Stockland Piccadilly, Sydney for \$347m and divest our 50% interest in 135 King Street (incl. Glasshouse), Sydney for \$340m<sup>2</sup>
- Improved retail portfolio comparable specialty sales per sqm up 2.5% (MLA)
- Invested in key capabilities to deliver strategic outcomes and curate customer experience in Commercial Property

- **Driving sustainable and growing returns**
- Demonstrated strength and resilience of residential business with operating profit growth up 8.0% and margin increasing to 19.9%
- Settled 5,878 residential lots in line with our revised guidance, 3,869 residential contracts on hand
- Increased residential market share from 12% to 15%
- Divested \$60m non-core retirement living villages
- Achieved strong leasing and rental growth in Workplace
- Delivered solid Logistics rental growth and successful developments

### Increasing Workplace & Logistics weighting

- Increased weighting by 4% to 23%
- Completed \$99m Logistics developments with risk adjusted IRRs over 10%<sup>3</sup> and FFO yields above 7.5%
- Secured 294 hectares of strategic logistics sites, Melbourne Business Park development application submitted
- On track to achieve a 25-35% portfolio weighting in the next five years

#### **Sustaining capital strength**

- Completed<sup>4</sup> a strategic capital partnership at Aura, a \$5bn<sup>5</sup> masterplanned community development on the Sunshine Coast, at a 30% premium to book value
- Improved borrowing capacity with updated debt covenants
- Reduced unallocated overheads by \$5m
- \$1.8bn capital transactions<sup>1</sup>

- 1. Exchanged or settled from 1 July 2018 to 21 August 2019.
- Exchanged on 20 August 2019 and 21 August 2019 respectively.
- Estimated 10 year IRR on completion.
- Post period end, announced on 4 July 2019.
- 5 Estimated end value

Financial results

Based on S&P methodology.

# Disciplined and active capital management

- Maintained strong balance sheet and capital management position with investment grade credit ratings of A-/Stable (S&P) and A3/Stable (Moody's), despite portfolio devaluations
- Renegotiated our debt documentation improving our borrowing capacity, with key terms and conditions updated in line with market and our peers
- Statutory profit impacted by non-cash adjustments on retail town centre and retirement living devaluations, a retirement goodwill write down, mark to market on financial instruments and tax expense
- 26.7% gearing is within target range of 20-30% (immaterial change from 26.4% at 31 December 18) despite lower growth and the continuation of the securities buyback program
- Secured A\$551m new long-term debt diversifying our funding sources across global debt markets on competitive terms and tenors
- Completed \$192m of a \$350m securities buy-back program, representing 50.1m securities at an average discount to NTA of 8.3%<sup>1</sup>
- Reduced unallocated group overheads by \$5m in FY19 to \$61m and commitment to further reducing our cost base

<sup>1.</sup> Based on NTA at 30 June 2018 and 31 December 2018 of \$4.18 and \$4.19 respectively

# **Funds from operations**

Adjusted funds from operations (AFFO)	780	756	3.3%
AFFO per security	32.5 cents	31.2 cents	4.2%

Includes Stockland's share of revaluation gains relating to commercial properties held through joint venture entities. (FY19: \$24m gain; FY18: \$40m gain).

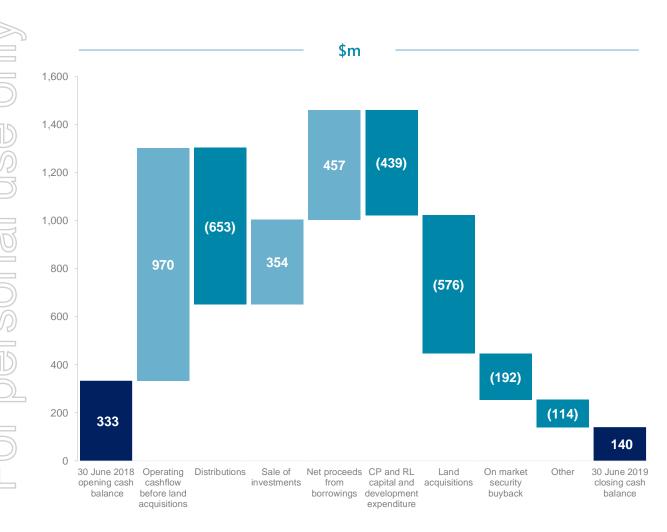

Includes stapling adjustment related to owner-occupied space.

One off restructuring cost associated with the significant Executive reorganisation in FY19.

Includes \$9m (FY18: \$7m) Retirement Living maintenance capital expenditure.

Excludes development centres.

# **Operating cash flows**

1. Exchanged or settled from 1 July 2018 to 21 August 2019.

#### **KEY AREAS OF CAPITAL EMPLOYED**

- Operating cash flows declined due to land acquisitions and residential development expenditure to support future settlements in FY20 and beyond
- 96% of land payments relate to capital efficient acquisitions
- Commercial Property development pipeline
- Completed \$192m of \$350m securities buy-back program

#### **FUNDING AND LIQUIDITY**

- Retail divestments of \$505m<sup>1</sup>, continuing to assess up to a further \$500m non-core retail divestments over time in a disciplined way
- Target further divestment of non-core Retirement Living villages
- Gearing remains between target range of 20-30%
- Significant covenant headroom maintained through updated debt documentation

### Clear and focused plan to improve portfolio quality and returns

#### **Business leadership**

- New leadership team in place
- New roles dedicated to Placemaking and Portfolio Management
- Growing workplace development expertise
- Detailed and disciplined asset reviews
- Defined core and non-core assets
- Restructure of marketing capability to further deepen customer insights working with Technology and Innovation team

#### **Reposition Retail**

- Core portfolio leading centre in the trade area, strong forecast economic fundamentals, limited competition, ability to further enhance to deliver sustainable income growth
- Transacted \$505m<sup>1</sup> of non-core retail divestments within 2.1% of book value<sup>2</sup>
- Continuing to assess up to a further \$500m non-core divestments over time in a disciplined way
- Reduced development pipeline by more than 50%

#### **Strengthen Retail**

- Strategic program of Placemaking has commenced across portfolio of assets
- Improved convenience through enhanced car-parking and last mile initiatives
- Improving online resilience through continued remix from fashion to food, services and experiences
- Technology and innovation to deliver a seamless shopping experience for our customers and retailers, respond to a rapidly changing retail environment

#### **Invest in Workplace and Logistics**

- Progressed development opportunities
- Developing new JV opportunities, including Melbourne Business Park and western Sydney land
- Leverage unique opportunities across our masterplanned communities
- Exchanged contracts on remaining 50% interest to secure control of Stockland Piccadilly, Sydney, facilitating redevelopment planning, by divesting 50% interest in 135 King Street (incl. Glasshouse), Sydney<sup>3</sup>
- Increased portfolio exposure to 23%

<sup>1.</sup> Exchanged or settled from 1 July 2018 to 21 August 2019.

Based on independent valuation at time of settlement and current independent valuation at 30 June 2019 for exchanged assets.

Exchanged on 20 August 2019 and 21 August 2019 respectively.

#### 5.9% wacr4

- Cap rate softening of 11bp
- ~35% of the devaluations were driven by capitalisation rate expansion
- ~50% driven by the softening of growth rates, and changes to rental income and capital cost re-forecasting, following the implementation of our strategy to remix tenancies and renew some leases at more sustainable levels
- ~15% driven by increased land taxes and rates
- Excludes stapling adjustment for owner-occupied space.
- By value.
- 3. At 30 June 2019.
- 4. Weighted average capitalisation rate.

#### 6.2% wacr4

- Uplift driven by development activity and leasing success
- Cap rate compression of 54bp

#### 5.8% WACR4

 Uplift reflects 19bp cap rate compression primarily in Sydney assets

# Rebasing rents and tenant remixing to drive income growth

### Retail Town Centres

#### ACTIVE ASSET MANAGEMENT

- Rebased rents to deliver sustainable occupancy
- Sustainable specialty occupancy cost of 15.1% compares favourably to market average<sup>1</sup>
- Incentives stable on longer leases
- · Forecast negative rent reversion in FY20 largely reflects tenant remixing
- Majority of specialty leases with fixed annual reviews of 3-5%
- Tenant demand adversely impacted by SME business access to credit

- 1. Urbis Sub-regional Shopping Centre Benchmark for Double DDS.
- 2. Occupancy reflects stable assets for the period and differs from Property Portfolio which includes all assets.
- 3. Excludes Unlisted Property Fund assets. Metrics relate to stable assets unless otherwise stated.
- Includes project and unstable centre leases.

	FY19	FY18
Occupancy <sup>2</sup>	99.3%	99.4%
Specialty retail leasing activity <sup>3</sup>		
Tenant retention	64%	61%

Stable centres, excludes divestments and development centres and adjusted for stores trading less than 12 months.

Urbis Sub-Regional Shopping Centre Benchmark for Double DDS.

Sales data includes all Stockland managed retail assets - including Unlisted Property Fund and JV assets.

Stable basket of assets as per SCCA guidelines, which excludes centres which have been redeveloped within the past 24 months. FY19 basket is different to FY18 basket.

Other includes pad sites, non-retail, and cinemas.

# Active remixing increasing resilience

### Concentrating exposure across higher quality assets

#### IMPROVED RESILIENCE TO ONLINE SALES

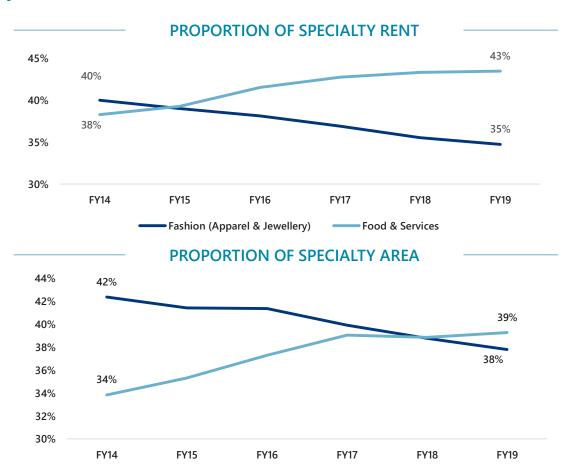

- Specialty area remix in the last 6 years:
  - Fashion reduced by 10%
- Food & Services increased by 15%
- Underpins rental growth with ~30% stronger rent per sqm achieved for Food & Services compared to Fashion
- Maintain non-discretionary focus currently ~70% sales

#### **DEFINED CORE PORTFOLIO**

- Leading market share within main trade area
  - Average core market share exceeds non-core by ~40%
- Good forecast economic fundamentals of MTA underpinned by combination of discretionary income, wealth & population growth forecast
- Potential to reposition to stronger performing categories supported by customer demographic
- Competitive intensity and retail GLA demand / supply drivers

Comparable <sup>1</sup>	Core	Non-core
FFO comparable growth	0.8%	(3.1)%
MAT (MLA) specialty sales	\$9,392 sqm	\$8,853 sqm
Specialty occupancy cost ratio	15.4%	14.4%

### Outlook<sup>1</sup>

### Commercial Property

#### Retail environment remains challenging

- Rebasing of rents undertaken to create sustainable future growth
- Improving sales from non-discretionary remixing and placemaking

# Workplace & Logistics conditions expected to remain strong

Progressing \$2bn pipeline in the eastern states

Dersonal

Retail Town Centre income expected to stabilise through FY20 and grow moderately from FY21

#### Comparable FFO growth forecast in FY20

Green Hills, NSW

Winner National Urban Taskforce 2019 Development Excellence Award

Best retail development

5 Star Green Star rating

<sup>1.</sup> Noting that market conditions remain variable and we are cautious about the pace of recovery.

## Profit growth demonstrates resilience in a challenging market

#### **EXECUTION OF STRATEGY DRIVES FY19 GROWTH**

- Sydney and Melbourne price growth driving margin increase to 19.9%
- 5,878 settlements in line with revised guidance, despite the default rate rising to 7%, which is expected to improve in FY20
- 9 townhome projects actively selling broadening market reach
- Capital partnership for 50% of Aura normalising submarket exposure<sup>1</sup>
- Disposal of The Grove (VIC) and Merrylands Court (NSW) to fund higher return projects
- Counter-cyclical restocking in core metro markets including Altona North (VIC) and Kalkallo (VIC)

#### 10 OF THE TOP 20 HIGHEST SELLING COMMUNITIES NATIONALLY<sup>2</sup> -

#### FY19 net deposits

Aura, QLD	511	Edgebrook, VIC	222
Mt Atkinson, VIC	357	Calleya, WA	216

# Improving market conditions post the Federal election

### ☆ Residential

- Increased enquiry in Sydney and Melbourne following the Federal election and interest rate cuts
- Access to credit remains challenging, impacting conversion and settlement timeframes
- Stock overhang expected to take time to clear
- Prices have stabilised and sales volumes expected to increase in FY20 from current levels

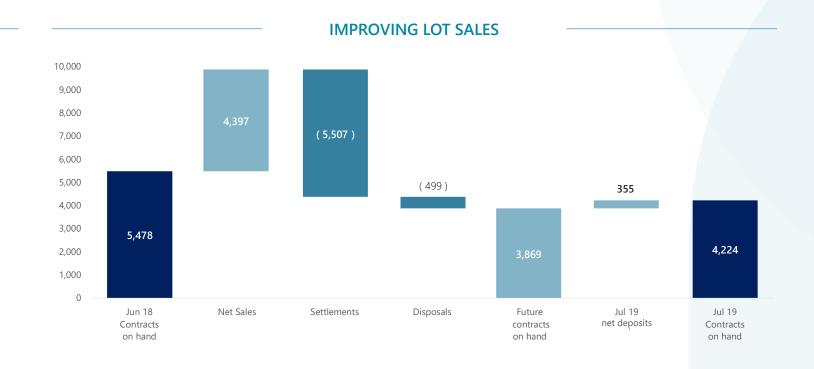

### Contracts on hand and improving sales underpin FY20 outlook<sup>1</sup>

### Residential

- 3,324 contracts on hand due to settle in FY20 giving good visibility to settlement volumes in the year ahead – secured income of \$1.4bn<sup>2</sup>
- Forecast FY20 settlements over 5,000 lots including around 500 townhomes
- Operating profit margin to remain ~19% for FY20, above through cycle range of ~14%
- Aura JV and The Grove disposal contribute \$80m to profit in FY20

Noting that market conditions remain variable and we are cautious about the pace of recovery in the residential market.

<sup>2.</sup> Includes revenue secured for the disposal of Merrylands Court, The Grove and 50% JV sale of Aura.

Of the 3,869 contracts on hand, 3,324 are due to settle in FY20, with the balance in FY21+.

# Competitive advantage drives market share to 15%<sup>1</sup>

### Residential

#### **Brand**

- For over 60 years, Stockland has been Australia's leading creator of sustainable, liveable and connected communities
- We "measure what matters" through our liveability index and use this data to continuously improve
- Focus on providing an exceptional customer experience and measuring customer satisfaction – achieved 93% in FY19

#### Scale

- Our market share is more than three times that of our nearest competitor, giving us unique competitive advantages including:
  - Increased buying power to deliver our product at lower cost
  - The ability to invest in technology including Salesforce and AI to increase lead generation and sales productivity
  - Better understanding of what our customers want

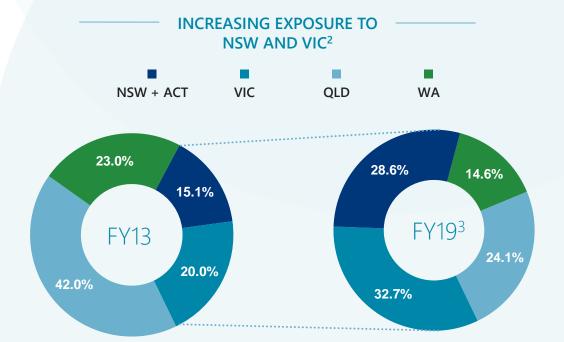

<sup>1.</sup> National Land Survey, June 2019, Research4 – annual market share FY19 (Greater Sydney, Melbourne, Perth and South East Qld).

# High quality landbank underpinning future earnings

### Residential

- 76,000<sup>1</sup> lot landbank with an average age of 10 years, skewed towards rail serviced growth corridors in Sydney and Melbourne
- First settlements from 8 new projects over the next 24 months to drive landbank activation and ROA
  - FY20 Waterlea (VIC), Orion (VIC), Minta (VIC), Grandview (VIC)
  - FY21 Red Hill (ACT), West Dapto (NSW), Hope Island (QLD), Paradise Waters (QLD)
- Disciplined re-entry into the apartment market to broaden customer reach
  - DAs lodged for Parramatta (NSW) and Rosebery (NSW)

Dersonal

Represents lots managed by Stockland.

- Enhanced product offer driving increased development settlements
- Established settlements lower for the year due to challenging residential market
- Lower turnover cash per unit reflecting repricing
- ROA impacted by investment in development villages that will generate returns over the next 24 months
- Additional \$11m in profit from village disposals vs FY18
- Retirement Living fair value reduced by \$53m due to repricing of stock to meet current market conditions and changes in the growth rate and vacancy assumptions
- Sales improving in 2H19 relative to housing market:

	1H19	2H19
Established sales	283	283
Development sales	140	147

### Disciplined execution of Retirement Living strategy

# Improve quality of our portfolio

- Progressing pipeline of 10 land lease communities
- Sale of three non-core villages in Victoria at around book value

# Increase returns through development pipeline and capability

- Capital expenditure down 20% in FY20 vs prior year
- Repricing established and developed units to improve occupancy
- Discussions regarding potential capital partnership continuing

# Enhance customer experience and satisfaction

- Optimising Salesforce to drive conversion and improve sales productivity
- Providing greater certainty for residents, with 80% of customers choosing peace of mind contract in O4
- Improved service and care offer through Benefits Plus program

# Future growth through development pipeline

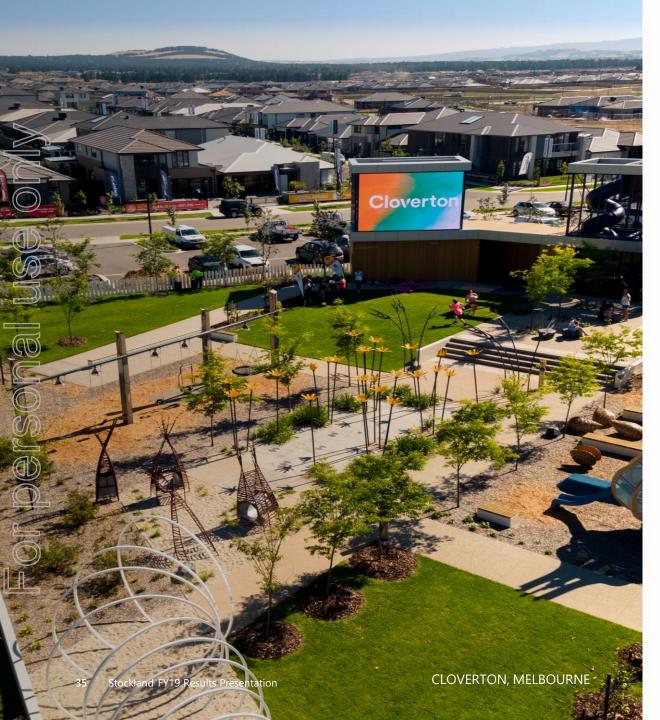

### Retirement Living

- Over 3,500 total development units in the pipeline
- 12 completed and under construction projects delivering settlements over the next three years
- 10 land lease communities identified within the landbank, delivering over 2,000 units
- Broadening market reach by offering a range of products, including Aspire, traditional retirement villages, vertical retirement villages and land lease communities

Land lease pipeline	Approximate yield	First settlements

# Strong position for the future

### (Communities

- Delivered growth in challenging market
- Disciplined focus on executing strategy
- Well positioned to leverage our brand, scale and landbank to take advantage of the current cycle

# **Group strategy**

# Deliver sustainable and growing returns through community creation, leading Retail Town Centres and growing Workplace and Logistics

#### **Commercial Property**

- Concentrated exposure across higher quality assets
- Increase Workplace & Logistics asset allocation through development pipeline
- Funded by non-core retail divestments

#### Communities

- Continued focus on creating liveable, affordable and connected communities
- Counter-cyclical residential acquisitions
- Reshape Retirement Living portfolio through non-core village disposals and capital partnership
- Growth through Retirement Living development pipeline

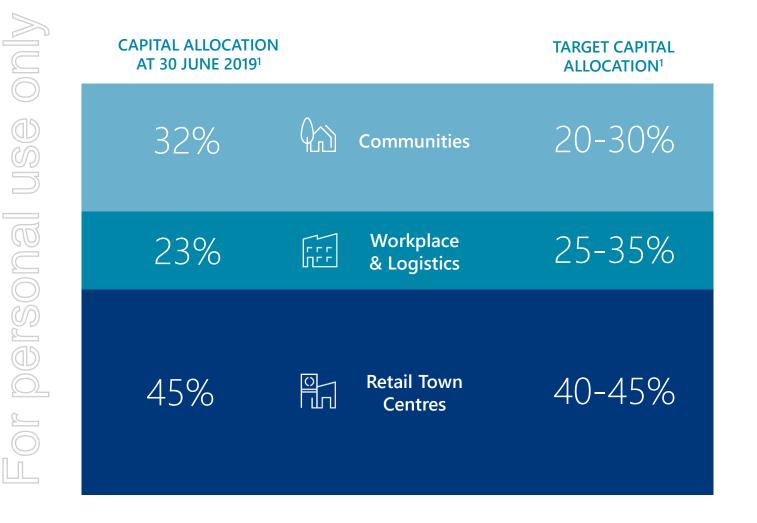

#### Group

- Improve customer experience to drive sustainable growth
- Maintain balance sheet capacity
- Innovation and digitisation
- Process improvement
- Ongoing culture improvements to strengthen our execution capability
- Disciplined cost control, leveraging new systems and processes

### Portfolio allocation

#### **ACTIVE CAPITAL MANAGEMENT**

#### Strong investment grade ratings

- A-/Stable (S&P)
- A3/Stable (Moody's)

#### **Targets**

- Optimise WACC
- 70:30 recurring income/active income
- Group ROE > 10%

#### Total return (IRR)

- 7–9% pa recurring income assets
- 12–16% pa active income assets

#### **Distribution Policy**

- Target payout ratio: 75–85% of FFO
- Distribution growth aligned to FFO per security growth

Net funds employed including Unlisted Property Fund Assets (19.9% ownership) WIP and sundry properties.

### Disciplined focus on execution of strategy

#### **Commercial Property**

1% comparable FFO growth

Retail FFO expected to stabilise

Logistics & workplace FFO forecast to grow moderately

#### Residential

>5,000 lot settlements

Including around 500 townhomes

Market has bottomed, pace of recovery unclear due to credit availability

Operating profit margin to remain ~19%, above through cycle range of ~14%

#### **Retirement Living**

>850 established and development settlements

Accelerate development pipeline

Continue capital partnership discussions

Non-core village divestments

#### Group

\$8m pa savings

Simplifying business structure to more closely align with our strategy

#### Guidance

Forecast flat growth in FFO per security

Forecast flat growth in distribution per security

Distribution payout at bottom end of target ratio of 75-85%

Dersona

<sup>1.</sup> Noting that market conditions remain variable and we are cautious about the pace of recovery in the residential market.
