STOCKLAND ANNOUNCES CONTINUATION OF ON-MARKET BUY-BACK

Stockland today announced the continuation of its previously announced on-market security buy-back in accordance with the requirement to refresh an intention to continue a buy-back after 12 months.

Stockland's on-market security buy-back will continue until 20 September 2020 or the date that it has bought-back \$350 million of Stockland securities on issue, whichever is sooner. The decision to continue its buy-back programme reflects its ongoing commitment to manage its capital actively.

Stockland initially announced a buyback of up to \$350 million on 6 September 2018. The buyback will continue to be funded by a combination of Stockland's existing debt facilities and proceeds received from the divestment of its non-core assets.

As at 4 September 2019, Stockland has bought-back and cancelled 50,117,773 securities for a total consideration of approximately \$192.36 million.

Stockland Trust Management Limited (**STML**) as Responsible Entity of Stockland Trust does not hold any Stockland securities. Associates of STML hold 8,748,719 Stockland securities.
