

NSW Department of Planning, Industry and Environment (DPIE) extends contract with expense8

- NSW Department of Planning, Industry and Environment takes up option to extend Expense8 contract for 1 year; representing estimated revenue of \$237,000 (inclusive of GST);
- The original five-year contract consisted of an initial three-year fixed term and the option for two annual extensions. This extension is the first of the annual options;
- The Expense Management platform is used in conjunction with the Pre Trip Travel Module allowing an easy and secure booking and approval process.

8common Limited (ASX: 8CO) is pleased to advise that NSW Department of Planning, Industry and Environment has extended its contract with its wholly owned subsidiary Expense8 for an additional year.

The New South Wales Department of Planning, Industry and Environment has taken up the first option to extend its contract with Expense8 after a successful initial three-year contract term. Expense8 announced its successful bid for the tender in October 2016. The initial contract had a contract period of three years with provisions for two annual extensions.

A total of 120 entities across New South Wales, Northern Territory and Federal Government use Expense8 with over 70,000 active users in NSW Government.

The Expense8 Corporate Travel module offers a unique Pre-Trip approval function that lets employees easily plan and book corporate travel. The module also includes an easy and secure approval process for both managers and employees to meet strict government compliance requirements.
