

New Contract with the NSW Audit Office

- **Implementation of Expense8 to NSW Audit Office with an estimated contract value of \$150,000 (including GST) over three years**
- **NSW Audit Office is the second NSW Government entity to implement expense management module alongside pre-trip travel module**
- **8CO currently services 65 NSW Government entities that only use the expense management module and are not currently using the pre-trip module**
- **Total contract wins to date of \$387,000 (including GST) for FY20**

8common Limited (ASX: 8CO) is pleased to advise that its wholly owned subsidiary, Expense8, has entered into a contract with the NSW Audit Office. The contract period is for three years and includes the expense management module and the pre-trip travel module. NSW Audit Office will be the second NSW Government entity to implement the travel module after Department of Planning, Industry and Environment.

A total of 121 entities across New South Wales, Northern Territory and Federal Government use Expense8 with over 70,000 active users in NSW Government.

Chief Executive Officer of 8common Andrew Bond said "The recent contract wins and extensions in NSW Government highlight our ability to deliver our market leading solution to meet the growing demands for digital transformation by government entities. We are uniquely placed to do this with our software as a service solution, that is delivering significant benefits to government. We currently have 121 government entities as customers, and we see continuing strong growth going forward."

About 8common Limited

8Common is a listed Australian company with a focus on financial technology and expense management. The group's core product, expense8, delivers Travel & Expense Management (TEM) and Card Application & Management. The expense8 travel module offers a unique pre-trip approval function that allows employees to easily plan and book corporate travel through a secure approval process for both managers and employees to meet strict government compliance requirements.

8common provides services to large enterprises including Woolworths, Broadcast Australia, Amcor and 121 State and Federal government entities in Australia including the Federal Department of the Prime Minister and Cabinet and the NSW Department of Education.
