Ava Services Division: Non-Executive Director Appointment

Ava Risk Group Limited (“AVA”) is pleased to announce the following update for its Services Division, Ava Global DMCC LLC (“Ava Global”).

Following the recent appointment of Mike McGeever as Chairman of AVA’s International Valuables Logistics subsidiary, Ava Global, Ava is pleased to announce the appointment of Grant Angwin as Non-Executive Director and Senior Precious Metals Advisor to Ava Global.

Mr. Angwin was, until recently, the President of Asahi Refining NA, the world’s largest gold and silver refiner. A veteran of the industry Grant worked for Johnson Matthey in the UK holding various senior management roles before moving to the USA to head up their North American businesses. He led the sale of the Johnson Matthey refineries to Asahi Refining four years ago. His experience notably includes being the former Chairman of the London Bullion Market Association (LBMA), past Member of the Shanghai Gold Exchange International Advisors Board and Board Member of the Silver Institute. He sits on the ICE Benchmark PMOC for the LBMA Gold and Silver prices.

Mike McGeever, Chairman of Ava Global, commented, “Given Ava Global’s existing footprint and capability in the precious metals sector, Grant’s appointment and extensive global network and experience will add significant support to our strategic ambitions in this key market sector”.

About the Ava Group

The Ava Group, comprising world leading technology divisions Future Fibre Technologies (FFT) and BQT Solutions (BQT) is a market leader in the provision of risk management services and technologies, trusted by some of the most security conscious commercial, industrial, military and government clients in the world.

The Group features a range of complementary solutions including intrusion detection for perimeters, pipelines and data networks, biometric and card access control as well as the secure international logistics and storage of high value assets via Ava Global.
