ASX RELEASE

Australian DoD Purchases RfPatrol™

DroneShield Ltd (ASX:DRO or DRO.AU) (“DroneShield”) is pleased to announce that it has won the Australian Department of Defence tender for portable unmanned aerial system (drone) detection devices.

DroneShield won the contract following an open tender process. The contract is for approximately A\$700,000, and consists of a combination of an initial purchase price and an annual subscription component. DroneShield expects to deliver the products during the calendar 2019 year.
