Andromeda MD Outlines Pathway to Production of Poochera Project

Andromeda Metals Limited (ASX: ADN, Andromeda, the Company) is pleased to provide details for a Webinar presentation of the Poochera Halloysite-Kaolin Project Scoping Study released earlier this week (*refer ADN ASX Announcement dated 30 September 2019*).

Andromeda's Managing Director James Marsh will outline the key milestones and requirements for successful development at the Company's Poochera Halloysite-Kaolin Project, located on the Eyre Peninsula in South Australia. James will discuss the Scoping Study and current activity focused on advancing the Project, in a Webinar to be held on **Thursday 3 October at 12.30pm AEST**. There will be opportunity for questions at the end of the presentation.
