Explanatory Memorandum

This Explanatory Memorandum forms part of the Notice convening the Annual General Meeting of Shareholders of Atomos Limited (Company) to be held at 11.30am (AEDT) on 29 November 2019 at Level 6, Tower Two, Collins Square, 727 Collins Street, Melbourne, Victoria 3000.

At the Meeting, Shareholders will be offered the opportunity to:

- a. discuss the Annual Report which is available online at <https://www.atomos.com/investor>;
- b. ask questions about, or comment on, the management of the Company;
- c. ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements in the Annual Report and the independence of the auditor in relation to the conduct of the audit; and

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- a. the content of the Auditor's Report; and
- b. the conduct of the audit;

may be submitted no later than 5.00pm (Melbourne time) on Friday 22 November 2019 to ir@atomos.com.

Resolution 1: Adoption of the Remuneration Report

Section 250R(2) of the Corporations Act requires that, at a listed Company's Annual General Meeting, a Resolution that the Remuneration Report be adopted must be put to Shareholders. However, in accordance with section 250R(3) of the Corporations Act, such a Resolution is advisory only and does not bind the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report of the Company for the financial year ending 30 June 2019.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting Consequences

As the resolution is advisory only, if the resolution is not passed, the Directors will not be required to alter any arrangements in the Remuneration Report. However, under the Corporations Act, if at least 25% of the votes cast on the adoption of the Remuneration Report at two consecutive AGMs are against the adoption of the Remuneration Report, the Company is required to put to Shareholders at the second AGM a resolution proposing the calling of a further general meeting to consider the appointment of Directors of the Company (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene a further general meeting (**Spill Meeting**) within 90 days of the second AGM. All of the Directors of the Company, who were in office when the 2019 Remuneration Report was approved, other than the CEO/Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved by the Shareholders will be the Directors of the Company.

This is the Company's first AGM as an ASX listed entity and, accordingly, this is the first AGM of the Company at which the Remuneration Report has been required to be put to Shareholders for vote under section 250R(2). Given this, the Company has not previously received a strike (i.e. a 'no' vote of 25% or more) against its Remuneration Report. Please note that if the Remuneration Report receives a strike at this Meeting and if a second strike is received at the 2020 Annual General Meeting, this may result in the re-election of the Board.

Voting Restrictions

A voting exclusion statement for Resolution 1 applies and is included in the Notice.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of the Resolution 1, subject to compliance with the Corporations Act.

Resolution 2: Election of Director – Mr Stephen Stanley

Clause 58.2 of the Company's Constitution provides that a Director appointed to fill a casual vacancy will hold office until the end of the next AGM of the Company, at which time the Director may be re-elected. Further to this, ASX Listing Rule 14.4 provides that a Director appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next annual general meeting of the company. Mr Stanley was appointed as a Director of the Company to fill a casual vacancy on 1 February 2019 and retires in accordance with Clause 58.2 of the Company's Constitution and ASX Listing Rule 14.4 and, being eligible, offers himself for re-election.

Mr Stanley is an Independent Non-Executive Director of the Company.

Mr Stanley has over 25 years' experience in the Logistics sector in Australia, Asia, Europe and North America. He has extensive strategy, operational, mergers and acquisition and investment experience with a proven track record of delivering value for Shareholders.

Progressing through various management roles in Mayne Nickless, he became the CEO of Mayne Logistics delivering growth and repositioning benefits for the business.

As Director for Corporate Development for Toll Holdings from 1999 until 2012 he was responsible for the strategy and strategic growth of the Group, predominantly through M&A pursuits domestically and internationally. This period saw Toll Holdings develop into a leading international logistics player with over 100 mid-size, private and public entities successfully transacted.

Mr Stanley was a key Toll executive as well as a nominated director on many Domestic and International Boards over a long period both within private and public entities.

Mr Stanley was non-executive Director of Cabcharge Australia Ltd from May 2015 to November 2016, chairing the Corporate Governance Committee, and since March 2017 Mr Stanley has been the Chairman of Ventura Motors Pty Ltd, a Victorian based leading public/private transport service provider.

Mr Stanley holds a Bachelor of Business Accountancy from RMIT, Melbourne.

Board Recommendation

The Directors unanimously (with Mr Stanley abstaining in relation to his own appointment) support the re-election of Mr Stanley and recommend that Shareholders vote in favour of Resolution 2.

Chairman's available Proxies

The Chairman of the Meeting intends to vote all undirected proxies in favour of Resolution 2.

Resolutions 4A & 4B: Ratification of Prior Issue of Shares under Institutional Placements

The Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 under Resolutions 4A and 4B for prior issues of Shares so that such Shares are not taken into account in determining the Company's placement capacity to issue up to 15% of its issued Shares in the next 12 months without the need to obtain further Shareholder approval.

Listing Rule 7.1 restricts listed companies from issuing more than 15% of their issued share capital in any 12 month period without Shareholder approval. However, Listing Rule 7.4 provides an exception to this restriction. This exception provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1, those securities will be deemed to have been made with Shareholder approval for the purposes of Listing Rule 7.1 and those issues will not be taken into account when calculating the Company's 15% placement capacity.

The Company has previously issued Shares or agreed to issue Shares under two separate institutional placements (Placements). The first institutional placement was announced on 1 July 2019 with gross proceeds of \$7,500,000 being raised (Placement 1). The second institutional placement was announced on 25 October 2019 whereby certain institutional investors have agreed by way of firm commitments to subscribe for Shares to raise gross proceeds of \$22.56 million with the Shares to be issued in two tranches with tranche 1 expected to be issued on or around 31 October 2019 prior to this Meeting and tranche 2 to be issued subject to the Company obtaining shareholder approval under Resolution 5 (Placement 2). The allottees and subscribers for Shares under the Placements were professional and/or sophisticated investors for the purposes of section 708(8) or 708(11) of the Corporations Act (as applicable) (Investors).

The Shares issued under Placement 1 and the Shares to be issued under tranche 1 of Placement 2 did not breach ASX Listing Rule 7.1 and were within the Company's 15% placement capacity at the time of issue or agreement to issue. The Shares to be issued under tranche 2 of Placement 2 will result in the Company exceeding its 15% placement capacity and, as such, separate shareholder approval under ASX Listing Rule 7.1 is required in relation to the issue of these Shares which is being sought under Resolution 5. Further details of the prior issue of Shares under Placement 1 and the issue of Shares in accordance with the agreement to issue Shares under tranche 1 of Placement 2 that are being ratified under these Resolutions 4A and 4B, are set out below.

This resolution seeks to ratify the prior issue of Shares under Placement 1 and the issue of Shares in accordance with the agreement to issue Shares under tranche 1 of Placement 2, in order to "refresh" the Company's 15% placement capacity. The effect of these resolutions, if approved by Shareholders, is that the issue of the Shares under Placement 1 and tranche 1 of Placement 2 will not be counted towards the Company's 15% placement capacity.
