EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the Company's annual financial report for the financial year ended 30 June 2019 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.grandbridge.com.au.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The Corporations Act requires a resolution that the remuneration report be adopted be put to shareholders at a listed company's annual general meeting. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the Company's annual financial report for the financial year ended 30 June 2019.

The Chair of the Meeting must allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting.

1.2 Voting consequences

Under the Corporations Act, if, at consecutive annual general meetings:

- (a) at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report; and
- (b) at the first of those annual general meetings a spill resolution was not put to vote,

a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**). If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will

cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's annual general meeting for the year ended 30 June 2018, held on 30 November 2018, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – CHARLES MALING

2.1 General

Clause 11.3 of the Constitution requires that at the Company's annual general meeting each year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director except a Managing Director shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 11.3 of the Constitution is eligible for re-election.

The Company currently has 3 Directors and accordingly 1 must retire.

Mr Maling, the Director longest in office since his last election, retires by rotation and seeks re-election.

2.2 Qualifications and other material directorships

Mr Maling was formerly the Communications Officer for the Office of the Western Australian State Government Environmental Protection Authority with a responsibility for advising the Chairman of the EPA on media issues. He has a Bachelor of Sociology and Anthropology with a Media minor. Charles worked with the Western Australian State Government Department of the Environment for 14 years and further 8 years for the EPA. His administrative roles included environmental research (including a major study on Perth Metropolitan coastal waters and Western Australian estuaries) environmental regulation and enforcement and media management.

Mr Maling is currently a director of ASX listed BPH Energy Limited.

2.3 Independence

If elected the board considers Mr Maling will be an independent director.

2.4 Board recommendation

The Board supports the re-election of Mr Maling and recommends that Shareholders vote in favour of Resolution 2.

3. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY

3.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (**10% Placement Capacity**). An approval under Listing Rule 7.1A remains valid until the earlier of:

- (a) the date falling 12 months after the date on which the approval is granted; and
- (b) the date shareholders approve a transaction under Listing Rule 11.1.2 (for a significant change to the nature or scale of the Company's activities) or 11.2 (for a disposal of the Company's main undertaking).

An **Eligible Entity** is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$612,667 (based on the then share price). The Company's shares were suspended on ASX on 1 June 2017 pending compliance with ASX Listing Rule 12.2 and remain in suspension.

If Shareholders approve Resolution 3, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 3.2 below).

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

3.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: GBA).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4;
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

3.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 3.

3.4 Minimum price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 5 ASX trading days of the date in Section 3.4(a), the date on which the Equity Securities are issued.

3.5 Date of issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (a) 12 months after the date of the Meeting; and

- (b) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (for a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking), (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

3.6 Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice. The Company's shares were suspended on ASX on 1 June 2017 pending compliance with ASX Listing Rule 12.2 and remain in suspension.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula at section 3.2 above) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0100 50% decrease in Issue Price	\$0.0200 Issue Price	\$0.0300 50% increase in Issue Price
30,633,364 (Current Variable A)	Shares issued - 10% voting dilution	3,063,336 Shares	3,063,336 Shares	3,063,336 Shares
	Funds raised	\$30,633.36	\$61,266.72	\$91,900.08
45,950,046 (50% increase in Variable A)	Shares issued - 10% voting dilution	4,595,004 Shares	4,595,004 Shares	4,595,004 Shares
	Funds raised	\$45,950.04	\$91,900.08	\$137,850.12
61,266,728 (100% increase in Variable A)	Shares issued - 10% voting dilution	6,126,672 Shares	6,126,672 Shares	6,126,672 Shares
	Funds raised	\$61,266.72	\$122,533.44	\$183,800.16

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 30,633,364 Shares on issue. The issue price set out above \$0.02 is the closing price of the Shares on the ASX on 25 October 2019 (being the same price when

the Shares were suspended). The Company's shares were suspended on ASX on 1 June 2017 pending compliance with ASX Listing Rule 12.2 and remain in suspension.

2. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
3. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
4. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no options are exercised into Shares before the date of issue of the Equity Securities.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
7. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

3.7 Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (a) as cash consideration, in which case the Company intends to use funds raised for its ongoing expenditure requirements in respect of its existing assets or the acquisition of new assets and investments (including expenses associated with such an acquisition) or debt reduction or general working capital; or
- (b) as non-cash consideration for the acquisition of new assets and investments which will complement the Company's existing projects and add value to the Company's Shares where the directors consider it appropriate to do so, in which case the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

3.8 Allocation under the 10% Placement Capacity

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (a) the purpose of the issue;

- For personal use only
- (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
 - (c) the effect of the issue of the Equity Securities on the control of the Company;
 - (d) the Company's circumstances, including, but not limited to, its financial position and solvency;
 - (e) prevailing market conditions; and
 - (f) advice from corporate, financial and broking advisers (if applicable)

3.9 Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval under ASX Listing Rule 7.1A at its 2018 annual general meeting held on 30 November 2018.

In the 12 months preceding the date of the Meeting the Company has not issued any Equity Securities.

3.10 Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (a) a list of the recipients of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (b) the information required by Listing Rule 3.10.5A for release to the market.

3.11 Voting exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on this Resolution.

4. RESOLUTION 4 – REPLACEMENT OF CONSTITUTION

4.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

This Resolution is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2002.

The key change to the Constitution is to adopt the provisions dealing with restricted securities as outlined below. These provisions will comply with the

proposed changes to ASX Listing Rule 15.12 which is due to be finalised and released in December 2019. ASX is requiring all ASX listed entities to adopt these changes at their next annual general meeting.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating the name of the Company to that adopted in 2000;
- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <http://grandbridge.com.au/> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+ 8 9328 8400). Shareholders are invited to contact the Company if they have any queries or concerns.

4.2 Summary of material proposed changes

Restricted Securities (clause 2.12)

The Proposed Constitution complies with the proposed changes to ASX Listing Rule 15.12 which is due to be finalised and released in December 2019. Under this change, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will instead permit the Company to issue restriction notices to holders of restricted securities in the form of a new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is

only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

Clause 3 is consistent with the equivalent provisions of the existing Constitution.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Direct Voting (clause 13, specifically clauses 13.35 – 13.40)

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

These provisions are consistent with the equivalent provisions of the existing Constitution.

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and

- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause is consistent with the equivalent provisions of the existing Constitution. This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause. Adopting the Proposed Constitution will have the effect of "refreshing" the relevant provisions, which would otherwise have required re-approval by Shareholders within 3 years of the Company's listing.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

5. RESOLUTION 5 – ISSUE OF OPTIONS TO MRS MAUREEN PETERSON

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue 500,000 Options (**Related Party Options**) to Maureen Peterson (or her nominee) on the terms and conditions set out below.

Resolution 5 seeks Shareholder approval for the grant of the Related Party Options to Maureen Peterson (or his nominee).

5.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of Related Party Options constitutes giving a financial benefit and Mrs Maureen Peterson is a related party of the Company by virtue of being a Director.

The Directors (other than Mrs Peterson who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Related Party Options because the agreement to grant the Related Party Options, reached as part of the remuneration package for Mrs Peterson, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

5.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As the grant of the Related Party Options involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

5.4 Technical Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to this Resolution:

- (a) the Related Party Options will be granted to Mrs Peterson (or her nominee);
- (b) the number of Related Party Options to be issued is Mrs Peterson;

- For personal use only
- (c) the Related Party Options will be granted no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Options will occur on the same date;
 - (d) the Related Party Options will be issued for nil cash consideration, accordingly no funds will be raised; and
 - (e) the terms and conditions of the Related Party Options are set out in Schedule 1.

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Related Party Options as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the grant of Related Party Options to Mrs Peterson (or her nominee) will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.
