

## Company announcement

# Pro Medicus signs A\$9M 5-year contract with The Ohio State University Wexler Medical Center

4 November 2019

### HIGHLIGHTS

- **PME signs 5-year deal with The Ohio State University Wexler Medical Center (OSUWMC)**
- **Visage 7 to be implemented across all of OSUWMC's radiology departments**
- **Transaction-based financial model with potential upside**

Leading health imaging company Pro Medicus Limited [ASX: PME] today announced its wholly-owned U.S. subsidiary, Visage Imaging, Inc., has signed a 5-year contract with The Ohio State University Wexler Medical Center (OSUWMC). OSUWMC is a large multi-disciplinary academic medical center located in Columbus, Ohio.

OSUWMC employs approximately 30,000 staff, 1,700 physicians, supporting over 1,500 inpatient beds. It is also the teaching hospital for The Ohio State University College of Medicine (OSUCOM).

The contract, based on a transaction-based licensing model, will see Pro Medicus' Visage 7 technology implemented across all of OSUWMC's radiology departments spanning seven (7) hospitals and outpatient clinics, as well as integrated to OSUWMC's electronic health record.

The implementation will begin in Q2 FY20, and complete in mid-2020.

**About Pro Medicus Limited:**

Pro Medicus Limited [ASX: PME] is a leading medical imaging IT provider. Founded in 1983, the company provides a full range of radiology IT software and services to hospitals, imaging centres and health care groups worldwide. In late January 2009, the company announced the purchase of Visage Imaging, which has become a global provider of leading edge enterprise imaging solutions, pioneering the best-of-breed enterprise imaging strategy. Visage 7 technology delivers amazingly fast, multi-dimensional images streamed via an intelligent thin-client viewer. The company offers a leading suite of RIS, PACS and e-health solutions constituting one of the most comprehensive end-to-end offerings in radiology. Pro Medicus has global offices in Melbourne, Berlin and San Diego.
