MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured construction and maintenance contracts in the resources and energy sectors with a combined value of approximately \$110 million.

In Western Australia, the Company has been awarded a number of new contracts and extensions with BHP, including:

- A contract at Mining Area C iron ore mine site in the Pilbara region to provide upgrades to existing conveyer equipment, power switching and stackers, with work expected to be completed in the third quarter of 2020;
- A contract for the provision of services associated with the demolition and rehabilitation of a number of end-of-life facilities at Nelson Point in Port Hedland. The contract is expected to commence in January 2020 and will be completed in the third quarter of 2020; and
- A 12-month extension to its existing contract with Nickel West for the provision of maintenance, shutdowns and off-site repair services at Kalgoorlie Nickel Smelter.

In Queensland, the Company has secured a three-year contract for the provision of general mechanical and maintenance services as part of Incitec Pivot’s scheduled turnarounds for its Queensland manufacturing facilities.

Finally, Monadelphous has also been awarded a contract with thyssenkrupp Industrial Solutions (Australia) for the construction of a reclaimer and two stackers at BHP’s South Flank Project in the Pilbara region of Western Australia. The work is expected to provide approximately 70 employment opportunities and be completed in the first quarter of 2021.
