

Peter Allchurch

Winchester Energy Limited (Winchester or Company), regrets to advise that founding Chairman Mr Peter Allchurch passed away on Saturday 22 February 2020, following a long battle with cancer.

Peter was a vital part of Winchester from the Company's inception and was instrumental in securing funding, establishing key acreage positions and initiating operations.

He served as Chairman from 2014 through to late 2017, when he retired from that position to fight his illness.

Peter was a geologist who started a number of successful mining and oil and gas companies with operations that spanned the globe. He is considered an icon by many of us.

Winchester Energy extends its condolences to his family and friends.
