**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE HALF YEAR ENDED 31 DECEMBER 2019**

**NOTE 1. Statement of Significant Accounting Policies**

**Basis of Preparation**

These general purpose interim financial statements for the half-year reporting period ended 31 December 2019 have been prepared in accordance with requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*. The Group is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Aeeris Limited and its controlled entities (referred to as the “consolidated group” or “group”). As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Group for the year ended 30 June 2019, together with any public announcements made during the following half-year.

**Accounting Policies**

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

The group has considered the implications of new or amended accounting standards but determined that their application to the financial statements is either not relevant or not material.

**Critical Accounting Estimates and Judgments**

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

**Key Estimates**

*Impairment*

The group assesses impairment at the end of each reporting period by evaluation of conditions and events specific to the group that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

**Key Judgements**

*Employee Benefits*

For the purpose of measurement, AASB 119: Employee Benefits (September 2011) defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related services. As the group expects that all of its employees would use all of their annual leave entitlements earned during a reporting period before 12 months after the end of the reporting period, the directors consider that obligations for annual leave entitlements satisfy the definition of short-term employee benefits and, therefore, can be measured at the amounts expected to be paid to employees when the obligations are settled.

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF  
AEERIS LIMITED**

**Report on the Half-year Financial Report**

We have reviewed the accompanying half-year financial report of Aeeris Limited, which comprises the consolidated statement of financial position as at 31 December 2019, the consolidated statement of profit or loss, the consolidated statement of changes in equity, and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

*Directors' Responsibility for the Half-year Financial Report*

The directors of Aeeris Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of Aeeris Limited's financial position as at 31 December 2019 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Aeeris Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

For personal use only

*Independence*

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

*Conclusion*

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Aeeris Limited is not in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of Aeeris Limited's financial position as at 31 December 2019 and of its performance for the half-year ended on that date; and
- (ii) complying with AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.
