Directors' report (continued)

Review and results of operations (continued)

Results

The performance of the Trust, as represented by the results of its operations, was as follows:

	Half- year ended 31 December 2019 *
Profit/(loss) (\$'000)	<u>8,878</u>
Distributions paid (\$'000)	<u>9,186</u>
Distributions (cents per unit)	<u>2.30</u>

* This is the first interim financial reporting of the Trust and hence there are no prior period comparatives.

Significant changes in state of affairs

In the opinion of the Directors, there were no significant changes in the state of affairs of the Trust that occurred during the half-year.

Matters subsequent to the end of the half-year

On 24 January 2020 the Directors declared a distribution of 0.37 cents per ordinary unit which amounted to \$1,494,954 and was paid on 7 February 2020.

On 24 February 2020 the Directors declared a distribution of 0.35 cents per ordinary unit which amounted to \$1,401,285 and will be payable on 6 March 2020.

No other matter or circumstance has arisen since 31 December 2019 that has significantly affected, or may significantly affect:

- (i) the operations of the Trust in future financial years; or
- (ii) the results of those operations in future financial years; or
- (iii) the state of affairs of the Trust in future financial years.

Likely developments and expected results of operations

The Trust will continue to be managed in accordance with the investment objectives and guidelines as set out in the governing documents of the Trust and in accordance with the provisions of the Trust's Constitution.

The results of the Trust's operations will be affected by a number of factors, including the performance of investment markets in which the Trust invests. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

Indemnification and insurance of officers and auditors

No insurance premiums are paid for out of the assets of the Trust in regard to the insurance cover provided to either the officers of the Responsible Entity or the auditors of the Trust. So long as the officers of the Responsible Entity act in accordance with the Trust's Constitution and the *Corporations Act 2001*, the officers remain indemnified out of the assets of the Trust against losses incurred while acting on behalf of the Trust.

The auditors of the Trust are in no way indemnified out of the assets of the Trust.

Directors' report (continued)

Units in the Trust

The movement in units on issue in the Trust during the half-year is disclosed in Note 4 of the condensed interim financial report.

The value of the Trust's assets and liabilities is disclosed in the condensed interim balance sheet and derived using the basis set out in Note 2 of the condensed interim financial report.

Environmental regulation

The operations of the Trust are not subject to any particular or significant environmental regulations under Commonwealth, State or Territory law.

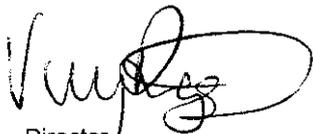

Rounding of amounts to the nearest thousand dollars

The Trust is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the Directors' report. Amounts in the Directors' report have been rounded to the nearest thousand dollars in accordance with that ASIC Corporations Instrument, unless otherwise indicated.

Auditor's independence declaration

A copy of the Auditor's Independence Declaration as required under section 307C of the *Corporations Act 2001* is set out on page 5.

This report is made in accordance with a resolution of the Directors of Perpetual Trust Services Limited.

1 General information

This condensed interim financial report covers Perpetual Credit Income Trust (the Trust) as an individual entity. The Trust was constituted on 9 May 2018, registered with the Australian Securities and Investments Commission on 22 May 2018, commenced operations on 8 May 2019 and its units commenced trading on the Australian Securities Exchange (ASX:PCI) on 14 May 2019. The Trust is domiciled in Australia and is a for-profit entity.

The Responsible Entity of the Trust is Perpetual Trust Services Limited (ACN 000 142 049, AFSL 236 648) (the Responsible Entity). The Responsible Entity's registered office is Level 18, Angel Place, 123 Pitt Street, Sydney, NSW 2000.

The condensed interim financial report was authorised for issue by the directors of the Responsible Entity on 26 February 2020. The directors of the Responsible Entity have the power to amend and reissue the condensed interim financial report.

2 Basis of preparation

This condensed interim financial report has been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*. The Trust is a for-profit entity for the purpose of preparing the condensed interim financial report.

The condensed interim financial report does not include all notes normally included in a full financial report. Accordingly, this report is to be read in conjunction with the Trust's financial report for the period ended 30 June 2019 and any continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies applied in the condensed interim financial report are the same as those applied in the Trust's financial report for the period ended 30 June 2019.

The condensed interim financial report is prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

Functional and presentation currency

The condensed interim financial report is presented in Australian dollars, which is the Trust's functional currency.

Use of estimates

Management makes estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Estimates and associated assumptions are continuously evaluated and are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

New accounting standards and interpretations

Except as disclosed in the financial report for the period ended 30 June 2019, there are no new accounting standards, amendments and interpretations that are expected to have a material impact on the financial statements.

3 Distributions to unitholders

The distributions for the half-year were as follows:

	Half-year ended 31 December 2019 \$'000	Half-year ended 31 December 2019 CPU
Distributions paid - July	1,599	0.3997
Distributions paid - August	1,597	0.3993
Distributions paid - September	1,545	0.3860
Distributions paid - October	1,499	0.3745
Distributions paid - November	1,449	0.3622
Distributions payable - December	<u>1,497</u>	<u>0.3741</u>
Total distribution	<u>9,186</u>	

4 Net assets attributable to unitholders

Movements in the number of units and net assets attributable to unitholders during the half-year were as follows:

	31 December 2019 Units '000	31 December 2019 \$'000
Net assets attributable to unitholders		
Opening balance	400,000	441,226
Units issued upon reinvestment of distributions	220	243
Distributions to unitholders	-	(9,186)
Profit/(loss)	-	<u>8,878</u>
Closing balance	<u>400,220</u>	<u>441,161</u>

As stipulated within the Trust's Constitution, each unit represents a right to an individual unit in the Trust and does not extend to a right to the underlying assets of the Trust. There are no separate classes of units and each unit has the same right attaching to it as all other units of the Trust.

Capital risk management

The Trust considers its net assets attributable to unitholders as capital.

5 Earnings per unit

	31 December 2019 cents per unit
Basic earnings per unit	2.22
Diluted earnings per unit	2.22
	\$'000
Profit/(loss) after income tax attributable to unitholders	8,878
	Number of units '000
Weighted average number of ordinary units on issue used in the calculation of basic and diluted earnings per unit	400,220

Basic earnings per unit is calculated by dividing the profit attributable to unitholders of the Trust by the weighted average number of ordinary units on issue during the half-year.

Diluted earnings per unit is calculated by dividing the profit attributable to unitholders of the Trust by the weighted average number of ordinary units on issue and ordinary units that the Trust expects to issue.

6 Fair value measurement

The Trust classifies fair value measurement of its financial assets and liabilities using a fair value hierarchy model that reflects the subjectivity of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2); and
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

(i) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on quoted market prices at the end of the reporting period without any deduction for estimated future selling costs. For the majority of exchange traded financial assets and liabilities, information provided by the independent pricing services is relied upon for valuation.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. An active market is a market in which transactions for the financial asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

6 Fair value measurement (continued)

(ii) Fair value in an inactive or unquoted market (level 2 and level 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined by using valuation techniques. These include the use of recent arm's length transactions, reference to current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation techniques that provide a reliable estimate of prices obtained in actual market transactions.

Some of the inputs to a valuation model may not be market observable and are therefore estimated based on assumptions. The output of a model is always an estimate or approximation of a value that cannot be determined with certainty, and valuation techniques employed may not fully reflect all factors relevant to the positions held.

Where discounted cash flow techniques are used, estimated future cash flows are based on management's best estimates and the discount rate used is a market rate at the end of the reporting period applicable for an instrument with similar terms and conditions. For other pricing models, inputs are based on market data at the end of the reporting period. Quoted market prices or dealer quotes are used for debt securities held.

The fair value of derivatives that are not exchange traded is estimated at the amount that would be received or paid to terminate the contract at the end of the reporting period taking into account current market conditions (volatility and appropriate yield curve) and the current creditworthiness of the counterparties.

Investments in unlisted unit trusts are valued at the redemption value per unit as reported by the investment managers of such trusts.

The Trust's level 3 asset include the Perpetual Loan Fund. This asset is valued at the price provided by the investment manager without any adjustment.

6 Fair value measurement (continued)

The following tables present the Trust's financial assets and liabilities (by class) measured and recognised at fair value by fair value hierarchy levels:

7 Related party transactions

There have been no significant changes to the related party transactions disclosed in the previous financial report for the period 22 May 2018 to 30 June 2019.

All transactions with related parties are conducted on normal commercial terms and conditions. From time to time, parties related to the Trust (including Perpetual Trust Services Limited, its related entities and other trusts managed by Perpetual Trust Services Limited) may invest in or withdraw from the Trust. These investments or withdrawals are on the same terms and conditions as those entered into by other unitholders of the Trust.

8 Events occurring after the reporting period

On 24 January 2020, the Directors declared a distribution of 0.37 cents per ordinary unit which amounted to \$1,494,954 and was paid on 7 February 2020.

On 24 February 2020, the Directors declared a distribution of 0.35 cents per ordinary unit which amounted to \$1,401,285 and payable on 6 March 2020.

No other significant events have occurred since the reporting date which would have impact on the financial position of the Trust disclosed in the balance sheet as at 31 December 2019 or on the results and cash flows of the Trust for the half-year ended on that date.

9 Contingent assets, liabilities and commitments

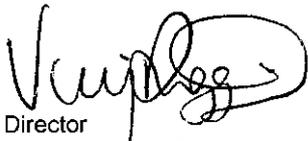

There were no outstanding contingent assets, liabilities or commitments as at 31 December 2019 and 30 June 2019.

Directors' declaration

In the opinion of the Directors of Perpetual Trust Services Limited, the Responsibility Entity of Perpetual Credit Income Trust:

- (a) the condensed interim financial report and notes set out on pages 6 to 15 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Trust's financial position as at 31 December 2019 and of its performance for the half-year ended on that date.
- (b) there are reasonable grounds to believe that the Trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors of Perpetual Trust Services Limited.

Independent Auditor's Review Report

To the unitholders of Perpetual Credit Income Trust

Conclusion

We have reviewed the accompanying **Condensed Interim Financial Report** of Perpetual Credit Income Trust (the Trust).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Condensed Interim Financial Report of Perpetual Credit Income Trust is not in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Trust's financial position as at 31 December 2019 and of its performance for the half-year period ended on that date; and
- complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

The **Condensed Interim Financial Report** comprises:

- Condensed interim balance sheet as at 31 December 2019
- Condensed interim statement of comprehensive income for the half-year ended on that date
- Condensed interim statement of changes in equity and Condensed interim statement of cash flows for the half-year ended on that date
- Notes 1 to 9 comprising a summary of significant accounting policies and other explanatory information
- The Directors' Declaration.

The **Half-year** is the six months ended on 31 December 2019.

Responsibilities of the Directors for the Condensed Interim Financial Report

The Directors of Perpetual Trust Services Limited (the Responsible Entity) are responsible for:

- the preparation of the Condensed Interim Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*
- for such internal control as the Directors determine is necessary to enable the preparation of the Condensed Interim Financial Report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the Condensed Interim Financial Report

Our responsibility is to express a conclusion on the Condensed Interim Financial Report based on our review. We conducted our review in accordance with *Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the Condensed Interim Financial Report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Trust's financial position as at 31 December 2019 and its performance for the half-year ended on that date; and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*. As auditor of Perpetual Credit Income Trust, *ASRE 2410* requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of an Interim Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
