About Latin Resources

Latin Resources Limited (ASX: LRS) is an Australian-based mineral exploration company with several mineral resource projects in Latin America and Australia. The company has entered into a conditional Binding Terms Sheet to acquire Electric Metals Pty Ltd the 100% owner of the Noombenberry Halloysite Project near Merredin, WA, and the Big Grey Silver-Lead Project in the Paterson region, WA. The company is actively progressing its Copper Porphyry MT03 project in the Ilo region with its joint venture partner First Quantum Minerals Ltd. The Company has also secured over 173,000 hectares of exploration concessions in the lithium pegmatite districts of Catamarca and San Luis Provinces, Argentina. The Company has also assembled a portfolio of lithium projects in Brazil.
