

## ASX: LVH MARKET RELEASE

### LiveHire expands its technology marketplace with multiple new HR software integrations

2 June 2020 | Melbourne, Victoria

- LiveHire expanded its technology marketplace with 4 new integrations: CVCheck, fit2work, Revelian and TestGrid
- LiveHire has won a new client with Rizing Australia. Rizing is one of the largest SAP SuccessFactors Systems Implementers (SI) globally, headquartered in Stamford, Connecticut. The client is one of the largest owners and managers of commercial real estate in Australia and will utilise LiveHire's deep two-way synchronised integration with SAP® SuccessFactors®
- LiveHire Talent Community Platform is now offered to SAP clients directly via the SAP® App Center as "Candidate Experience Layer for SAP SuccessFactors"

Disruptive talent acquisition, mobility and engagement platform, LiveHire Limited (ASX: LVH) ("LiveHire" or the "Company"), announces the expansion of its integrations' marketplace and continued penetration of LiveHire's SAP SuccessFactors integration installations.

LiveHire partners with the leading technology companies in the HR industry to offer its clients a fully integrated end-to-end talent acquisition and engagement platform. Our integrations are built 'natively' into our Platform, giving each client the ability to create their ideal technology stack, fully automated processes and easy to use technology, resulting in a world-class experience for hiring teams and candidates.

Christy Forest says: "Expanding our technology marketplace has been one of our core strategies, as we provide an all-in-one platform for our clients to execute all their talent acquisition functions in one place. Our integrations provide a great user experience for recruiters and candidates, saving a huge amount of inefficiencies and keeping all data from third party solutions accessible directly on LiveHire. We are very pleased to partner with these exciting companies that add so much value to our clients nationally and internationally."

#### SAP Client Win and App Center

LiveHire Talent Acquisition platform has won a new client with global partner, Rizing, one of the largest SAP Success Factors Systems Implementers globally. The client will utilise LiveHire for its unique capabilities in candidate experience, dynamic talent pooling and native two-way text messaging to achieve increased speed and effectiveness of candidate management and hiring. The large commercial real estate company will leverage all the benefits of both LiveHire and SAP SuccessFactors through the deep two-way synchronised integration developed by LiveHire.

Additionally, LiveHire has been incorporated into the SAP® App Center, so that SAP clients across the world can purchase LiveHire directly via the app store.

The SAP App Center is the enterprise marketplace where SAP brings together customers and partners on a single, easy-to-use, global online platform. Here, customers can discover, try, and buy SAP-validated partner applications that are built on or extend their existing SAP technology and solutions.

For personal use only

As part of the App Center, LiveHire offers its deeply integrated experience layer for SAP SuccessFactors that creates a world-class candidate and recruiter experience that is intuitive and easy to use. SAP SuccessFactors is a complete, cloud-based human resource management (HR) system that covers everything from payroll to employee engagement.

### **CVCheck**

CVCheck is a leading provider of background screening solutions in Australia and New Zealand, conducting hundreds of thousands of checks a year and with a premium set of client organisations.

CVCheck has developed a world-class online platform providing a comprehensive range of candidate verification checks across the globe.

### **Fit2Work by Equifax**

fit2work is a leading background screening and checking services. It is a user friendly platform that helps businesses managing people and people managing their careers. fit2Work provides pre-employment checks for: Criminal History & Identity; Performance History; Licence & Entitlements; Qualifications & Registrations; Medical Assessments; and Financial Background. All of those assessments can now be accessed by LiveHire clients via this integration.

### **Revelian**

Revelian is an Australian-based HR tech company specialising in data-driven human behaviour insights to help clients make effective hiring and talent development decisions. The assessments are world leading, interactive, reliable and flexible. Revelian is trusted by top employers around the world to deliver powerful HR insights through cutting-edge psychometric assessments.

### **TestGrid**

Testgrid is an independent provider of a large set of psychometric assessment and recruitment processes. TestGrid is used by many large and medium organisations in ANZ for: Psychometric Assessments individually tailored to industry and organisation; Recruitment Process Optimisation expertise to ensure organisational growth and success; and Data Insights to improve hire quality, cultural fit and retention.

Christy Forest, LiveHire's Managing Director, authorised the release of this announcement to the ASX.
