Dear Adveritas Shareholder,

Letter to Shareholders – Share Purchase Plan to Accelerate Customer Acquisition

On behalf of the Directors of Adveritas Limited (**Adveritas** or **Company**), we are pleased to offer you the opportunity to participate in a Share Purchase Plan (**SPP**), which allows eligible shareholders to subscribe for up to \$30,000 of new fully paid ordinary shares (**Shares**) in Adveritas without incurring brokerage or other transaction costs at an issue price of \$0.075 per Share.

The Plan aims to raise up to \$2 million. The accompanying offer letter provides further details on the SPP and we encourage you to read this in full.

On 2 June 2020, Adveritas announced that it had received firm commitments to raise \$4.5 million from strategic sophisticated and/or professional investors via a share placement (**Placement**) and an SPP to existing eligible shareholders to raise up to a further \$2 million at \$0.075 per Share. The Placement combined with the SPP will raise up to a total of \$6.5 million. Funds raised will support the Company's increased marketing initiatives including advertising, media, public relations, additional sales and marketing personnel and for general working capital.

The amount of \$2 million has been set for the SPP to provide all eligible shareholders with the chance to subscribe for a reasonable parcel of Shares in the SPP.

Accelerating Customer Acquisition

This capital raising supports accelerated customer acquisition across both the Freemium and enterprise-level customer segments. The funds raised will be used to accelerate customer acquisition through increased marketing initiatives including advertising, media, public relations, and for additional sales and marketing personnel.

The Company sees a significant opportunity to accelerate customer acquisition through the Freemium offering of its unique TrafficGuard™ digital marketing anti-fraud software-as-a-service (SaaS) solution.

On 31 January 2020, Adveritas announced its intention to launch its Three by Three Sales model in the second quarter of 2020. The Three by Three Sales model involves three pricing models (Freemium, Land & Expand, Long-Dated Contracts) across three paths to market (Mass Market, Direct Sales and Third-Party Distribution).

In April 2020, the Company successfully launched all elements of its Three by Three Sales Model, gaining strong traction across all marketing channels and pricing models. Customer take-up of the Freemium offering has been strong, with a number of well-known ASX-listed and other enterprise-level clients currently in trial. There is strong interest in TrafficGuard's Google Pay-Per-Click (PPC) digital marketing anti-fraud offering, which will drive a new revenue growth line for the Company and also introduce customers to TrafficGuard's broader anti-fraud offerings.

For personal use only

Digital marketing fraud is a massive global problem, estimated to cost global advertisers US\$42 billion in 2019 and forecast to cost US\$100 billion by 2023. We know that TrafficGuard™ is leading the world globally in preventing digital ad fraud because many global clients selected TrafficGuard™ after conducting an extensive search for the best solution. The ad fraud problem is growing each and every year, so we know there is a large global need for our service by any company that advertises online.

The timing is right for our Company as businesses globally accelerate their transition to online commerce and we have a well validated and highly scalable SaaS solution in TrafficGuard which can ensure that our clients can optimise their return on ad spend and maximise their profitability.

Significant Balance Sheet Strength

The Company's reported cash balance at the end of March 2020 was \$4.13 million. With the potential total of up to \$6.5 million to be raised by the Placement and SPP, the Company's balance sheet will be significantly strengthened, funding the Company well into calendar year 2021.

Dear Shareholder,

INVITATION TO PARTICIPATE IN SHARE PURCHASE PLAN

On 2 June 2020, Adveritas Limited (ACN 156 377 141) (**Adveritas** or **the Company**) announced that it had received firm commitments to raise \$4.5 million from strategic sophisticated and/or professional investors via a share placement (**Placement**) at an issue price of \$0.075 per fully paid ordinary share (**Share**) and a Share Purchase Plan (**SPP**) to existing eligible shareholders to target to raise a further approximately \$2 million at \$0.075 per Share.

Under the SPP, eligible shareholders will have the opportunity to purchase up to \$30,000 worth of Shares at \$0.075 per Share, without incurring brokerage or transaction costs. The amount of \$2 million has been set for the SPP to provide all eligible shareholders with the chance to subscribe for a reasonable parcel of Shares in the SPP, although the Company reserves the rights to take any oversubscriptions at its discretion and in accordance with the ASX Listing Rules.

The offer under the SPP (**Offer**) will be conducted on the terms and conditions (**Terms and Conditions**) contained in this letter.

Shareholders Eligible to Participate in the SPP

Share Purchase Plan

The SPP entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$30,000 worth of Shares at \$0.075 per Share, being the same price as the Shares offered to the sophisticated and/or professional investors under the Placement. The Company will be relying on ASX's recently released *Class Waiver Decision – Temporary Extra Placement Capacity* dated 31 March 2020 (as updated) in relation to the pricing of the SPP, and will comply with the conditions of that Class Waiver Decision.

Whilst the Company is targeting to raise approximately \$2,000,000 under the SPP, the Company reserves the right to accept additional applications subject to shareholder demand. However, the maximum number of Shares which can be issued under the SPP is limited by the ASX Listing Rules to a maximum of 72,317,488 Shares, which is equal to 30% of the Company's existing issued share capital.

Depending on applications received, the Company may also, in its absolute discretion, undertake a scale back so that not more than \$2,000,000 is raised under the SPP or not more than 30% of that number of Shares already on issue, are issued under the SPP. Any scale-back will be applied on a pro rata basis to all participants based on the number of Shares that they have applied for.

An application form for the SPP (**Application Form**) is included in this package.

Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX, or the Company's website at <https://www.adveritas.com.au/asx-announcements/>.

The funds raised under the SPP will support the Company's increased marketing initiatives including advertising, media, public relations, additional sales and marketing personnel and for general working capital.

How much can you invest?

Eligible Shareholders may each apply for a maximum of \$30,000 worth of Shares and a minimum of \$2,000 worth of Shares under the SPP. The number of Shares to which you are entitled has been calculated by dividing the subscription amount you have selected by the issue price of \$0.075 per Share, rounded down.

To apply for Shares under the SPP, please follow the instructions on the enclosed personalised Application Form.

Eligible Shareholders may participate by selecting only one of the following offers to purchase Shares under the SPP:

Offer D	\$15,000	200,000
Offer E	\$10,000	133,333
Offer F	\$5,000	66,666
Offer G	\$2,000	26,666

Once an application has been made it cannot be revoked. All Application Forms must be received by the **Closing Date of 5.00pm (WST) on Friday, 26 June 2020**. If the exact amount of money is not tendered with your application, the Company reserves the right to either:

- (a) return your Application Form and/or payment and not allot any Shares to you; or
- (b) allot to you the number of Shares that would have been allotted had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application price paid for the Shares the subject of the application and any other shares and interests in the class applied for by you under the SPP or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

The SPP issue price is \$0.075 per Share. The issue price of \$0.075 per Share, represents a discount of 25% to the 5 day volume weighted average price (VWAP) of \$0.10 prior to the announcement of the SPP on 2 June 2020. The Company is relying on ASX's recently released *Class Waiver Decision – Temporary Extra Placement Capacity* dated 31 March 2020 (as updated) in relation to the pricing of the SPP, and has complied with the conditions of that Class Waiver Decision.

The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your application under this Offer.

By making an application under this Offer and applying for Shares under the SPP, each Eligible Shareholder will be acknowledging that although the issue price is at a discount of 25% to the 5 day volume weighted average price (VWAP) of \$0.10 prior to the announcement of the SPP on 2 June 2020, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the SPP may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

Risk

This Offer is not a prospectus and does not require the types of disclosures required under the *Corporations Act 2001* (Cth) (**Corporations Act**). You must rely on your own knowledge of the Company, previous disclosures made by the Company to ASX, and, if necessary, consult your professional advisor when deciding whether or not to participate in the Offer.

Additional Information and Important Dates

The offer of Shares under the SPP is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act.

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any application. Shares allotted under the SPP will be issued no later than 10 business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount currently proposed to be raised under the Offer is \$2,000,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules. This amount has been chosen, to provide Eligible Shareholders with the chance to subscribe for a reasonable parcel of Shares in the SPP.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications. Any scale-back will be applied on a pro rata basis based on the number of securities applied for by each Eligible Shareholder. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.

The Company is targeting to raise approximately \$2,000,000 under the SPP. The Shares will also be issued without the need to pay brokerage costs and without the need for the Company to issue a prospectus. The SPP is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit.

Price of Shares

The SPP issue price is \$0.075 per Share. The issue price of \$0.075 per Share, represents a discount of 25% to the 5 day volume weighted average price (VWAP) of \$0.10 prior to the announcement of the SPP on 2 June 2020. The Company is relying on ASX's recently released *Class Waiver Decision – Temporary Extra Placement Capacity* dated 31 March 2020 (as updated) in relation to the pricing of the SPP, and has complied with the conditions of that Class Waiver Decision.

Shareholders should seek independent financial and taxation advice before making any investment decision in relation to these matters.

Shareholders Eligible to Participate

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the SPP, unless such registered shareholder holds Shares on behalf of another person who resides outside Australia or New Zealand.
